## DEPARTMENT OF LABOR

### Employment and Training Administration

#### Workforce Investment Act Allotments and Wagner-Peyser Act Preliminary Planning Estimates for Program Year (PY) 2001

**AGENCY:** Employment and Training Administration, Labor.

**ACTION:** Notice.

**SUMMARY:** This notice announces States' Workforce Investment Act (WIA) allotments for Program Year (PY) 2001 (July 1, 2001-June 30, 2002) for WIA title I Youth, Adults and Dislocated Worker programs; and preliminary planning estimates for public employment service activities under the Wagner-Peyser Act for PY 2001. This is the second year in which allotments are made to States and outlying areas under WIA. The allotments for States are based on formulas defined in the Act. The allotments for the outlying areas are based on formula at the Secretary's discretion under WIA Title I. As required by WIA section 182(d), on February 17, 2000, a Notice of the discretionary formula for allocating PY 2000 funds for the outlying areas was published in the **Federal Register** at 65 FR 8236 (February 17, 2000). The rationale for the formula and methodology was fully explained in the February 17, 2000 Notice. The formula for PY 2001 is the same as PY 2000 and is described in detail in the section on Youth allotments.

Comments are invited upon the formula used to allot funds to the outlying areas.

**DATES:** Comments must be received by April 6, 2001.

**ADDRESSES:** Submit written comments to the Employment and Training Administration, Office of Financial and Administrative Management, 200 Constitution Ave, NW., Room N-4702, Washington, DC 20210, Attention: Ms. Sherryl Bailey, 202-693-2813, 202-693-2859 (fax), e-mail: sbailey@doleta.gov.

(These are not toll-free numbers.) Information may also be found at the website—<http://usworkforce.org>.

**SUPPLEMENTARY INFORMATION:** The Department of Labor (DOL or Department) is announcing Workforce Investment Act (WIA) allotments for Program Year (PY) 2001 (July 1, 2001-June 30, 2002) for WIA title I Youth Activities, Adults and Dislocated Workers Activities; and, in accordance with Section 6 (b)(5) of the Wagner-Peyser Act, preliminary planning estimates for public employment service (ES) activities under the Wagner-Peyser Act for PY 2001. This document provides information on the amount of funds available during PY 2001 to States with an approved WIA title I and Wagner-Peyser 5-Year Strategic Plan and information regarding allotments to the outlying areas. The allotments and estimates are based on the funds appropriated by the Department of Labor Appropriations Act, 2001, part of the Consolidated Appropriations Act, 2001, Public Law 106-554.

Attached is a listing of the allotments for PY 2001 for programs under WIA title I Youth Activities, Adults and Dislocated Workers Employment and Training Activities; and preliminary planning estimates for public employment service activities under the Wagner-Peyser Act. Final Wagner-Peyser Act planning estimates will be published in the **Federal Register**.

#### Youth Activities Allotments

PY 2001 Youth Activities funds under WIA total \$1,377,965,000 (including \$275 million for Youth Opportunity grants). Attachment I contains a breakdown of the \$1,102,965,000 in WIA title I Youth Activities program allotments by State for PY 2001 and provides a comparison of these allotments to PY 2000 Youth Activities allotments for all States, outlying areas,

Puerto Rico and the District of Columbia.

Before determining the amount available for States, the total available for the outlying areas was reserved at 0.25 percent of the full amount appropriated for Youth Activities, in accordance with WIA provisions, resulting in \$3,444,913, an increase of \$317,500, or 10.2 percent, over the PY 2000 level. From the total funds for outlying areas for the WIA Youth Activities program, WIA section 127(b)(1)(B) requires that competitive grants be awarded to Guam, American Samoa, the Commonwealth of the Northern Mariana Islands, and the Freely Associated States, and further provides that the amount for such grants is not to exceed the amount reserved for the Freely Associated States for the JTPA II-B Summer Youth and the JTPA II-C Youth Training for PY 1997. WIA has corresponding requirements for competitive grants for the Adult Activities and Dislocated Worker Activities programs. The Secretary determined that a total of \$1,000,000 would be reserved for the required competitive grants for all three programs for PY 2001, the same level as PY 2000. For the WIA Youth Activities program, the amount of competitive grants was set at \$222,535, the maximum allowed by WIA which is the amount of JTPA PY 1997 total Youth allotments for the Freely Associated States, the same level as PY 2000. The method of distribution of the remaining WIA Youth Activities non-competitive funds to all outlying areas, including the Virgin Islands, is not specified by WIA, but is at the Secretary's discretion. The methodology used is the same as used for PY 2000, *i.e.*, distributed among the areas by formula based on relative share of number of unemployed, a 90 percent hold-harmless of the prior year share, a \$75,000 minimum, and a 130 percent stop gain of the prior year share. Data used for the relative share calculation in the formula were the same as used for PY 2000 for all outlying areas. These data were obtained from the Bureau of the Census for American Samoa, Commonwealth of the Northern Mariana Islands, Federated States of Micronesia, Republic of Palau, and the U.S. Virgin Islands, based on mid-decade surveys for those areas conducted with the assistance of the Bureau. For Guam, data from a similar survey were not available from the Bureau, so data from the Guam June 1995 labor force survey were used. For the Republic of the Marshall Islands, where 1995 unemployment data were not available, 1988 survey data in combination with 1995 population
