30-Day Notice of Intention To Request Clearance of Collection of Information; Opportunity for Public Comment

AGENCY: National Park Service, National Capital Parks—Central, Interior.

ACTION: Notice and request for comments.

SUMMARY: Under the Paperwork Reduction Act of 1995 and 5 CFR Part 1320, Reporting and Record Keeping Requirements, the National Park Service (NPS) invites public comments on a proposed collection of information. The NPS specifically request comments on: (1) The need for the information being collected, including whether the information has practical utility; (2) the validity and accuracy of the reporting burden estimate; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) ways to minimize the burden of the information on respondents, including the use of automated collection techniques or other forms of information technology.

The NPS requests comments on an application form that allows the Park Programs Division of National Capital Parks-Central to process requests from individuals and organizations to hold public gatherings on NPS property and comments on the NPS regulations at 36 CFR 7.96(g) which govern the use of this form. These public gatherings consist of special events and demonstrations that the NPS is charged with regulating to insure protection of cultural and natural resources within NPS property. On April 3, 2000, the NPS published in the **Federal Register** (Vol. 65, No. 64, pages 17528-17529) a notice requesting public comments on this information collection. No comments were received. The NPS has now submitted a proposed collection of information package to OMB with a request that OMB approve the package and reinstate the OMB

control number for this information collection. You may obtain copies of the submission to OMB from the source listed below (see the "send comments to" section). You may obtain copies of the application from the source listed below (see the "send comments to" section).

DATES: Public comments on the proposed Information Collection Request (ICR) will be accepted on or before April 23, 2001.

Send Comments To: Attention: Desk officer for the U.S. Department of the Interior (#1024-0021), office of Information and Regulatory Affairs, office of Management and Budget, Washington D.C. 20503. Our practice is to make comments, including names and home addresses of respondents, available for public review during regular business hours. Individual respondents may request that we withhold their home address from the record, which we will honor to the extent allowable by law. There also may be circumstances in which we would withhold from the record a respondent's identity, as allowable by law. If you wish us to withhold your name and/or address, you must state this prominently at the beginning of your comment. However, we will not consider anonymous comments. We will make all submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, available for public inspection in their entirety.
