- SUPPLEMENTARY INFORMATION:** The passenger transportation portion of the RBEG program is authorized by section 310B(c)(2) of the Consolidated Farm and Rural Development Act (CONACT) (7 U.S.C. 1932(c)(2)). The RBEG program is administered on behalf of RBS at the state level by the Rural Development State Offices. The primary objective of the program is to improve the economic conditions of rural areas. Assistance provided to rural areas under this program may include on-site technical assistance to local and regional governments, public transit agencies, and related nonprofit and for-profit organizations in rural areas; the development of training materials; and the provision of necessary training assistance to local officials and agencies in rural areas.
- Awards under the RBEG passenger transportation program are made on a competitive basis using specific selection criteria contained in 7 CFR part 1942, subpart G, and in accordance with section 310B(c)(2) of the CONACT. That subpart also contains the information required to be in the preapplication package. For the \$500,000 grant, up to 25 Administrator's points may be added to an application's priority score based on the extent to which the application targets assistance to Empowerment Zones/Enterprise Communities, Champion Communities, or other rural communities that have experienced persistent poverty, out-migration of population, or sudden severe structural changes in the local economy. For the \$250,000 grant, at least 75 percent of the benefits of the project must be received by members of Federally Recognized Tribes. Up to 25 Administrative points may be added to an applicant's priority score based on the extent of the service areas to be served, the number of Federally Recognized Native American Tribes and tribal members that are being served, and the documented need for the project. The project that scores the greatest number of points based on the selection criteria and Administrator's points will be selected for each grant. Preapplications will be tentatively scored by the State Offices and submitted to the National Office for review, final scoring, and selection.
- To be considered "national," a qualified organization is required to provide evidence that it operates in multi-state areas. There is not a requirement to use the grant funds in a multi-state area. Under this notice, grants will be made to qualified private

non-profit organizations for the provision of technical assistance and training to rural communities for the purpose of improving passenger transportation services or facilities. Public bodies are not eligible for passenger transportation RBEG grants. Refer to section 310B(c)(2) (7 U.S.C. 1932) of the CONACT and 7 CFR part 1942, subpart G for the information collection requirements of the RBEG program.

#### Fiscal Year 2001 Preapplications Submission

Each preapplication received in a Rural Development State Office will be reviewed to determine if this preapplication is consistent with the eligible purposes contained in 7 U.S.C. 310B(c)(2) of the CONACT. Each selection priority criterion outlined in 7 CFR part 1942, subpart G, section 1942.305(b)(3), must be addressed in the preapplication. Failure to address any of the criteria will result in a zero-point score for that criterion and will impact the overall evaluation of the preapplication. Copies of 7 CFR part 1942, subpart G, will be provided to any interested applicant making a request to a Rural Development State Office listed in this notice. All projects to receive technical assistance through these passenger transportation grant funds are to be identified when the preapplications are submitted to the Rural Development State Office. Multiple project preapplications must identify each individual project, indicate the amount of funding requested for each individual project, and address the criteria as stated above for each individual project. For multiple-project preapplications, the average of the individual project scores will be the score for that preapplication.

All eligible preapplications, along with tentative scoring sheets and the Rural Development State Director's recommendation, will be referred to the National Office no later than April 13, 2001, for final scoring and selection for award.

The National Office will score preapplications based on the grant selection criteria and weights contained in 7 CFR part 1942, subpart G, and Administrator's points, and will select a grantee subject to the grantee's satisfactory submission of a formal application and related materials in the manner and time frame established by RBS in accordance with 7 CFR part 1942, subpart G. It is anticipated that the grantees will be selected by June 1, 2001. All applicants will be notified by RBS of the Agency decision on the award.

The information collection requirements within this Notice are covered under OMB No. 0570-0022 and 7 CFR part 1942, subpart G.

Dated: December 22, 2000.
