After a thorough review of the request, the Regional Administrator determined that such a delegation was appropriate for all source categories. All sources subject to the requirements of 40 CFR part 60 will now be under the jurisdiction of the appropriate above mentioned agency.

Since review of the pertinent laws, rules, and regulations for the State agency has shown them to be adequate for implementation and enforcement of the NSPS, EPA hereby notifies the public that it is approving adoption-by-reference as the mechanism for delegation of the NSPS source categories upon publication of this **Federal Register** document.

Administrative Requirements

The Office of Management and Budget has exempted this regulatory action

from Executive Order 12866, entitled “Regulatory Planning and Review.”

The Congressional Review Act, as amended by the Small Business Regulatory Enforcement Fairness Act of 1996 (5 U.S.C. 801 *et seq.*), generally provides that before a rule may take effect, the agency promulgating the rule must submit a rule report, which includes a copy of the rule, to each House of the Congress and to the Comptroller General of the United States. However, section 808 allows the issuing agency to make a rule effective sooner than otherwise provided by the Congressional Review Act if the agency makes a good cause finding that notice and public procedure is impracticable, unnecessary or contrary to the public interest. This determination must be supported by a brief statement. 5 U.S.C. 808(2). As stated previously, EPA has made such a good cause finding, including the reasons therefor, and established an effective date of [insert date of publication]. EPA will submit a report containing this rule and other required information to the U.S. Senate, the U.S. House of Representatives, and the Comptroller General of the United States prior to publication of the rule in the **Federal Register**. This action is not a “major rule” as defined by 5 U.S.C. 804(2).

Authority: This document is issued under the authority of sections 101, 110, 111, 112 and 301 of the Clean Air Act, as Amended (42 U.S.C. 7401, 7410, 7411, 7412 and 7601).

Dated: March 8, 2001.

SUPPLEMENTARY INFORMATION:

Background

In FR Doc. 00–27833 of November 1, 2000, (65 FR 65376), there were a number of technical errors that are identified and corrected in the Correction of Errors section below. Additionally there are various revisions to Addenda B and C. The provisions in this correction notice are effective as if they had been included in the document published November 1, 2000, that is, January 1, 2001.

Discussion of Addenda B and C

1. While we had proposed revisions to the work relative work units (RVUs) for observation care codes (CPT 99234 through 99236) on page 44196 of the July 17, 2000 proposed rule, we indicated in the November 1, 2000 final rule we were not proceeding with the revisions to the work RVUs. Unfortunately, the work RVUs published in the November 1, 2000 rule continued to reflect the proposed reductions. The following entries on page 65555 are corrected: CPT code 99234, CPT code 99235, and CPT code 99236. These corrections are reflected in correction number 9 to follow. In addition, since no change was made to the RVUs for these codes, they should not be included on page 65585 of Addendum C. Therefore, they have been deleted from Addendum C.

2. On page 65568 of Addendum B, the value assigned to HCPCS code G0105 under the column labeled “Year 2001 Transitional Non-facility Total” is incorrect. The corrected value is reflected in correction number 10 to follow.

3. On page 65569 and 65570 of Addendum B, the short descriptor to HCFA Common Procedure Coding System (HCPCS) codes G0179 and G0190 are listed incorrectly. The corrected descriptor is reflected in correction number 11 to follow.

4. On page 65569 of Addendum B and page 65585 of Addendum C, the short descriptor for HCPCS code G0184 is listed incorrectly. The corrected descriptor is reflected in correction number 12 to follow.

5. On page 65246 of the November 1, 2000, we stated that HCPCS codes G0195 and G0196 will be assigned RVUs and inputs for practice expense.

However, Addenda B and C incorrectly indicate that these codes are carrier priced. Entries on the following pages are corrected: pages 65570 and 65585 for HCPCS codes G0195 and G0196. These corrections are reflected in corrections number 13 to follow.

6. In Addendum B, we assigned incorrect status indicators for the following CPT codes: page 65517 for CPT codes 76934, 76934-26, 76934-TC, 76938, 76938-26, 76938-TC; page 65518 for CPT codes 76960, 76960-26, 76960-TC; page 65536 for CPT codes 87145 and 87208; page 65544 for CPT code 92525, page 65545 for CPT codes 92597 and 92598; page 65556 for CPT codes 99375 and 99378; page 65556 for HCPCS codes A0030, A0040, A0050, A0225, A0300, A0302, A0304, A0306, A0308, A0310, A0320, A0322, A0324, A0326, A0328, A0330, A0340, A0342, A0344, A0346, A0348, A0350, A0360, A0362, A0364; page 65557 for HCPCS codes A0366, A0368, A0370, A0380 and A0390; and page 65577 for HCPCS code Q0186. These corrections are reflected in correction number 14 to follow.

7. In Addendum B, page 65548, we assigned incorrect status indicators and RVUs to CPT codes 93662-26 and 93662-TC. Corrections are made in correction number 15 to follow.

8. In Addendum B, page 65491, we assigned incorrect work and practice expense RVUs to CPT codes 59150 and 59151. We have corrected these RVUs in correction number 16 to follow.

9. In Addendum B, page 65514, we assigned incorrect malpractice RVUs to CPT code 76012. A correction is reflected in correction number 17 to follow.

10. In Addendum B the work RVUs for the following codes were incorrect due to a technical error in the payment calculations: page 65503 for CPT code 70540; page 65504 for CPT codes 70540-26, 70542, 70542-26, 70543, and 70543-26; on page 65505 for CPT codes 71550, 71550-26, 71551, 71551-26, 71552, and 71552-26; on page 65506 for CPT 72195, 72195-26, 72196, 72196-26, 72197, and 72197-26; on page 65508 for CPT code 73218, 73218-26, 73219, 73219-26, 73220, 73220-26, 73221, 73221-26, 73222, 73222-26, 73223, and 73223-26; on page 65509 for CPT codes 74181, 74181-26, 74182, 74182-26, and 74183; and on page 65510 for CPT code 74183-26. Corrections are made in correction number 18 to follow.

Correction of Errors

In FR Doc. 00-27833 of November 1, 2000, (65 FR 65376), make the following corrections:

1. On page 65383, column three, under "Comments on Response Rate", in the third full paragraph labeled "Response", in the third from the last line, delete the words "divided by the mean,".

2. On page 65385, column two, under "Result of Evaluation of Comments", second bullet, first paragraph, line eleven, delete the words "divided by the mean,".

3. On page 65425, column two, under Medical Nutrition Therapy (CPT codes 97802 through 97804) in the first paragraph, fourth sentence, replace "Diabetic" with "Dietetic".

4. On page 65427, column two, section V. "Physician Fee Schedule Update and Conversion Factor for

Calendar Year 2001", in the second sentence of the first paragraph, the anesthesia conversion factor should be corrected to read 17.83.

5. On page 65432, column one, first paragraph, the parenthetical contained in the note should read "(that is, $1.019 \times 1.009 \times 1.027 \times 1.000 = 1.056$)."

6. On page 65437, in the table labeled "Impact of This Final Rule Only on Payment for Selected Codes," for CPT code 99236, replace the values under "Old facility" and "New facility" columns with "225.72" and the value under the percent change column with a "0".

Addendum B [Corrected]

7. On page 65440 in column three, add the following after the entry for status code "G":

"H" = Deleted modifier (code used to have modifier of TC and PC)

"I" = Code not valid for Medicare purposes. Medicare does not recognize codes assigned this status. Medicare uses another code for the reporting of, and payment for, these services. This indicator is treated in the same manner as status indicator "G". Its use allows for more efficient processing of Medicare claims.

8. On page 65441, in the second and third columns of the key describing Addenda B and C, the year 2000 was incorrectly referenced. The references to "2000" in items 5, 7, 9, 10, 12, and 14 should be corrected to "2001."

9. In the Table of Addendum B the following CPT codes are corrected to read as follows:

FEDERAL COMMUNICATIONS COMMISSION

47 CFR Part 1

[CC Docket No. 96-238; FCC 01-78]

Procedures To Be Followed When Formal Complaints Are Filed Against Common Carriers

AGENCY: Federal Communications Commission.

ACTION: Final rule.

SUMMARY: This document resolves petitions for reconsideration and/or clarification concerning various aspects of the *First Report and Order* and *Second Report & Order* previously issued in this proceeding. As described, the Commission denies all of the petitions for reconsideration and one of the two requests for clarification

because they present issues fully addressed in the prior orders or because we reject the positions taken by the petitioners. We grant one petition for clarification to clarify that, before a matter is accepted onto the Accelerated Docket, the parties must participate in staff-supervised settlement negotiations. Moreover, on reconsideration on our own motion, we modify or clarify certain procedural rules, consistent with our experience in implementing those rules.

DATES: These rules contain information collections that have not yet been approved by OMB. The Commission will release a document in the **Federal Register** announcing the effective date of the rules. Written comments by the public on the modified information collections are due on or before April 26, 2001. Written comments by OMB on
