If you wish to withhold your name and/or address from public review or from disclosure under the Freedom of Information Act, you must state this prominently at the beginning of your written comment. Such requests will be honored to the extent allowed by law. We will not, however, consider anonymous comments. All submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials or organizations or businesses, are available for public inspection in their entirety.

FOR FURTHER INFORMATION CONTACT: Levi D. Deike, Field Office Manager, Lindell Greer, Realty Specialist, or Pete Zwaneveld, Land Use Planner at the address and phone number listed above.

SUPPLEMENTARY INFORMATION: The RMP provides for three land ownership adjustment zones—disposal, retention, and exchange. Of these three zones, sale of public land is limited to those lands identified in the disposal zone. The proposed amendment would make public land located within the retention zone available for direct sale to resolve an occupancy occurring under the mining laws.

A legal notice describing the proposed planning action will be placed in the local newspaper. This notice will also be sent to the Governor of Colorado, Fremont County Commissioners, adjacent landowners, and potentially affected members of the public.

The analysis of this action will be done by an interdisciplinary team. The analysis and plan amendment are scheduled for completion in September 2001. The Proposed BLM Plan Amendment will be published during the EA process and will include a 30 day protest period.

Field Office Manager.

AGENCY: Minerals Management Service (MMS), Interior.

ACTION: Notice of major portion prices.

SUMMARY: Final regulations for valuing gas produced from Indian leases, published on August 10, 1999, require MMS to determine major portion values and notify industry by publishing the values in the *Federal Register*. The regulations also require MMS to publish a due date for industry to pay additional royalty based on the major portion value. This notice provides the major portion values and due dates for September and October 2000 production months.

EFFECTIVE DATES: January 1, 2000.

SUPPLEMENTARY INFORMATION: On August 10, 1999, MMS published a final rule

The rule requires that MMS publish major portion prices for each designated area not associated with an index zone for each production month beginning January 2000 along with a due date for additional royalty payments. See 30 CFR 206.174(a)(4)(ii)(2000). If additional royalties are due based on a published
