("NYSE" or "Exchange"), filed with the Securities and Exchange Commission ("Commission"), the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the NYSE. In its filing with the Commission, the Exchange included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Phlx, pursuant to Rule 19b-4 under the Act, proposes to adopt for an aggregate period of 36 months ("permanently adopt")³ its current pilot program that allows a monthly credit of up to \$1,000 to be applied against fees, dues, charges and other amounts as may from time to time be owed to the Exchange that month (collectively referred to as "credit-eligible fees")⁴, except fines, late fees, out-of-pocket expenses,⁵ pass-through costs,⁶ capital funding fees,⁷ payment for order flow fees,⁸ any fees paid by equity trading

³ This total period of 36 months includes the time period that the previous pilot programs were in effect. The first pilot program became effective upon filing on May 16, 2000 and lasted six months, expiring on November 16, 2000. See Securities Exchange Act Release No. 42791 (May 16, 2000), 65 FR 33606 (May 24, 2000) (SR-Phlx-00-44). The pilot program was then extended for an additional six-month period through May 16, 2001. See Securities Exchange Act Release No. 43567 (November 15, 2000), 65 FR 71187 (November 29, 2000) (SR-Phlx-00-100). Therefore, the credit program will be in effect from May 16, 2000 until May 16, 2003.

⁴ The credit-eligible fees are fees assessed on members and include transaction as well as trading floor fees. Transaction fees include equity transaction value charges, equity floor brokerage transaction fees, option comparison charges and option transaction charges. Trading floor fees include charges for trading post/booth, controller space, shelf space, transmission, execution/communication charge and floor facility fees. Fees assessed on foreign currency options participants are not considered credit-eligible fees.

⁵ Out-of-pocket expenses include charges for wireless telephone services, postage, ILX machines and Dow Jones News Service.

⁷ Capital funding fees are those fees assessed on owners to provide for funding for technological improvements and other capital needs.
