**AGENCY:** Railroad Retirement Board.

**ACTION:** Final rule.

**SUPPLEMENTARY INFORMATION:** The Railroad Retirement Board is an independent agency in the executive branch of the United States Government which is charged with the administration of the Railroad Retirement Act (45 U.S.C. 231 *et seq.*) and the Railroad Unemployment Insurance Act (45 U.S.C. 351 *et seq.*). Use of agency seals is governed by 18 U.S.C. 701 which prohibits the use of agency seals except as authorized under regulations made pursuant to law. This proscription is intended to protect the public against the use of a recognizable assertion of authority with intent to deceive (*U.S. v. Goeltz*, 513 F.2d 193 (C.A. The Board published this rule as a proposed rule on January 3, 2001 (66 FR 314-315) and invited comments by March 5, 2001. No comments were received. Accordingly, the proposed rule is adopted as a final rule without change.

In order to comply with the President's June 1, 1998 memorandum directing the use of plain language for all proposed and final rulemaking, the regulatory paragraphs introduced by the above rule changes have been written in plain language.

This rule concerns agency management and is not a regulation as defined in Executive Order 12866. Therefore, no regulatory impact analysis is required. There are no information collections associated with this rule.

**RIN 1512-AA07**

#### **Establishment of Santa Rita Hills Viticultural Area (98R-129 P)**

**AGENCY:** Bureau of Alcohol, Tobacco and Firearms (ATF), Department of the Treasury.

**ACTION:** Final rule; Treasury decision.

**SUMMARY:** This final rule establishes a viticultural area located in Santa Barbara County, California, to be known as "Santa Rita Hills." The proposed area occupies more than 48 square miles. This action is being taken as a result of a petition from viticulturists and vintners of the proposed area under the direction of J. Richard Sanford (Sanford Winery), Bryan Babcock (Babcock Vineyards and Winery), and Wesley D. Hagen (Vineyard Manager of Clos Pepe Vineyards).

The establishment of viticultural areas and the subsequent use of viticultural area names as appellations of origin in wine labeling and advertising allow wineries to designate the specific areas where the grapes used to make the wine are grown and enable consumers to better identify the wines they purchase.

**EFFECTIVE DATE:** July 30, 2001.

#### **SUPPLEMENTARY INFORMATION:**

### **Background**

On August 23, 1978, ATF published Treasury Decision ATF-53 (43 FR 37672, 54624) revising regulations in 27 CFR part 4. These regulations allow the establishment of defined viticultural areas. The regulations also allow the name of an approved viticultural area to be used as an appellation of origin in the labeling and advertising of wine.

On October 2, 1979, ATF published Treasury Decision ATF-60 (44 FR 56692) which added a new part 9 to 27 CFR, providing for the listing of approved American viticultural areas. Section 4.25a(e)(1), Title 27, CFR, defines an American Viticultural Area (AVA) as a delimited grape-growing region distinguishable by geographical features, the boundaries of which have been recognized and defined in subpart C of part 9. Section 4.25a(e)(2) outlines the procedure for proposing an AVA. Any interested person may petition ATF to establish a grape-growing region as a viticultural area. The petition should include:

(a) Evidence that the name of the proposed viticultural area is locally and/or nationally known as referring to the area specified in the petition;

(b) Historical or current evidence that the boundaries of the viticultural area are as specified in the petition;

(c) Evidence relating to the geographical features (climate, soil, elevation, physical features, etc.) which distinguish the viticultural features of the proposed area from surrounding areas;

(d) A description of the specific boundaries of the viticultural area, based on features which can be found on United States Geological Survey (U.S.G.S.) maps of the largest applicable scale; and

(e) A copy (or copies) of the appropriate U.S.G.S. map(s) with the boundaries prominently marked.

### **Petition**

ATF received a petition under the direction of J. Richard Sanford (Sanford Winery) which was written by Wesley D. Hagen (Vineyard Manager of Clos Pepe Vineyards), on behalf of viticulturists and vintners working in Santa Barbara County, California. The petition, which was signed by 22 people, 14 of whom are local wine grape growers, proposed to establish a viticultural area surrounded by but separate from the Santa Ynez Valley AVA of California to be known as "Santa Rita Hills." The boundary of the viticultural area encloses an estimated area slightly greater than forty-eight (48) square miles and contains

approximately 500 acres of planted varietal winegrapes. Currently two (2) wineries and seventeen (17) vineyards exist within the Santa Rita Hills area. Two additional vineyards are being developed.

### **Comments**

On September 11, 1998, ATF published a notice of proposed rulemaking, Notice 866, in the **Federal Register**, soliciting comments on the proposed viticultural area.

#### *Analysis of Comments*

ATF received a total of 35 comments concerning this petition. Eleven letters of support from various persons familiar with the proposed AVA were submitted with the petition. These letters of support included industry "experts," vintners, consultants, local politicians (such as the Chair for the Santa Barbara County Board of Supervisors and the Mayor of the city of Lompoc), and viticulturists. Seven of the eleven comments were from persons who had also signed the petition. All 11 comments attested to the uniqueness of the area, its distinctive characteristics (geological, geographic, and climatic) and the local recognition of the area by the proposed name.

ATF received 24 comments that opposed the establishment of the Santa Rita Hills AVA. Most of these commenters were foreign/international importers and distributors. The opposition in each response revolved around the similarity of the proposed name to an already established "Santa Rita" brand of wine from Chile.

All Commenters Opposing the Establishment of the "Santa Rita Hills" Viticultural Area Presented the Following To Support Their Contention That the Petition To Establish the Santa Rita Hills Viticultural Area Should Be Denied

There is already a well known and established "Santa Rita" vineyard and winery located in Chile, Vina Santa Rita, which was founded in 1880 and is known worldwide. Vina Santa Rita is a public company whose shares are traded on the Santiago Stock Exchange. This "Santa Rita" winery is the second largest winery in Chile, with consumer brand recognition in the Chilean wine industry. Large sums of money have been invested by both the "Santa Rita" winery in Chile and various importers and distributors worldwide to advertise and promote the "Santa Rita" (Chile) brand.

The opposing commenters contend that the establishment of a "Santa Rita Hills" viticultural area would confuse
