BILLING CODE 6712-01-P

NATIONAL AERONAUTICS AND SPACE ADMINISTRATION

48 CFR Parts 1803 and 1852

NASA Inspector General Hotline Posters

AGENCY: National Aeronautics and Space Administration (NASA).

ACTION: Final rule.

SUMMARY: This is a final rule that amends the NASA FAR Supplement (NFS) to require NASA contractors to display "hotline posters" on contracts exceeding \$5,000,000 and performed at contractor facilities in the United States.

EFFECTIVE DATE: June 1, 2001.

FOR FURTHER INFORMATION CONTACT: Paul Brundage, NASA Headquarters, Office of Procurement, Contract Management Division (Code HK), Washington, DC 20546-0001, (202) 358-0481, e-mail: paul.brundage@hq.nasa.gov.

SUPPLEMENTARY INFORMATION:

A. Background

NASA's Office of Inspector General (IG) requested that NASA contractors be required to display "hotline posters" in contractor facilities performing work on some NASA contracts. Foreign contracts and contracts less than \$5,000,000 are exempt. This final rule requires

contractors to obtain from the NASA IG "hotline posters" and to post them in facilities where and when work is performed on an applicable NASA contract. By waiver from Part 12, NASA might also impose this requirement on a case-by-case basis in contracts for commercial items when unusual circumstances warrant. An example of such circumstances might include procurements involving extraordinary concerns about the safety of human life.

A proposed rule was published in the **Federal Register** on May 22, 2000, (65 FR 32069-32070). NASA received one comment. The commenter recommended that NASA conform to DoD by exempting contractors having an established internal reporting mechanism and program. NASA's IG believes employees of NASA contractors should have an independent avenue to report violations. In its view, the existence of an internal reporting mechanism does not assure employees would report illegal activities seen on the job. Therefore, no changes are being made as a result of this comment. The proposed rule is being adopted as final with a change to section 1803.7001 to change the word "provision" to "clause".

B. Regulatory Flexibility Act

NASA certifies that this rule will not have a significant economic impact on a substantial number of small business entities under the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*) because it only affects small business entities with contracts exceeding \$5,000,000 and the NASA Office of Inspector General will provide the posters at no direct cost to contractors.

C. Paperwork Reduction Act

The Paperwork Reduction Act does not apply because this final rule does not impose any recordkeeping or information collection requirements that require the approval of the Office of Management and Budget under 44 U.S.C. 3501, *et seq.*
