9. New England Power Pool

[Docket No. ER01-2223-000]

Take notice that on June 4, 2001, the New England Power Pool (NEPOOL)

tendered for filing the Seventy-Fifth Agreement Amending New England Power Pool Agreement (the Seventy-Fifth Agreement), which proposes changes to the NEPOOL arrangements that would adopt for New England a standard market design (SMD) for a congestion management system (CMS) and multi-settlement system (MSS). SMD would replace elements of the existing Commission-approved CMS/MSS arrangements for New England. The SMD would be modeled largely after the market design of PJM Interconnection, L.L.C. The NEPOOL Participants Committee requests that the Commission act to accept the Seventy-Fifth Agreement by July 31, 2001 to become effective on August 1, 2001 for transactions on and after the CMS/MSS Effective Date.

The NEPOOL Participants Committee states that copies of these materials were sent to all persons on the services list in these proceedings, the NEPOOL Participants, and the New England state governors and regulatory commissions.

Comment date: June 25, 2001, in accordance with Standard Paragraph E at the end of this notice.

10. Nordic Energy Barge #1, L.L.C., Nordic Energy Barge #2, L.L.C.

[Docket No. ER01-2224-000]

Take notice that on May 30, 2001, Nordic Energy Barge #1, L.L.C. (Nordic-EB1), and Nordic Energy Barge #2, L.L.C. (collectively, the Nordic Energy Barge LLCs), tendered for filing to: (1) Accept for filing its Rate Schedule FERC No. 1, which will permit each of the filing parties to sell electric energy and capacity to wholesale customers at market-based rates and permit transmission capacity reassignment; and (2) grant such other waivers and blanket authorizations as have been granted to other power marketers.

The Nordic Energy Barge LLCs intend to engage in wholesale electric power and energy sales as a marketer. Neither of the Nordic Energy Barge LLCs nor any of their affiliates owns or controls any transmission or currently operating or operable generation facilities, or has a franchised service area for the sale of electricity to captive customers. Each of the Nordic Energy Barge LLCs intends to own and operate a newly sited 100 MW barge-mounted generating unit, to be docked on the Columbia River in the vicinity of Longview, Washington, and to sell the output of that unit exclusively at wholesale. One of the units will be located in Washington waters, and the other in Oregon waters.

Comment date: June 20, 2001, in accordance with Standard Paragraph E at the end of this notice.

11. New York Independent System Operator, Inc.]

[Docket No. ER01-2230-000]

Comment date: June 18, 2001, in accordance with Standard Paragraph E at the end of this notice.

Standard Paragraph

E. Any person desiring to be heard or to protest such filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). All such motions or protests should be filed on or before the comment date. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of these filings are on file with the Commission and are available for public inspection. This filing may also be viewed on the Internet at <http://www.ferc.fed.us/online/rims.htm> (call 202-208-2222 for assistance). Comments, protests, and interventions may be filed electronically via the internet in lieu of paper. See, 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's web site at <http://www.ferc.fed.us/efi/doorbell.htm>.

h. *Applicant Contact:* Mr. Brent L. Smith, President, Northwest Power Services, Inc., P.O. Box 535, Rigby, ID 83442, (208) 745-8360.

i. *FERC Contact:* Robert Bell, (202) 219-2806.

j. *Deadline for filing motions to intervene, protests and comments:* 60 days from the issuance date of this notice.

All documents (original and eight copies) should be filed with: David P. Boergers, Secretary, Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426. Comments, motions to intervene, and protests may be electronically filed via the internet in lieu of paper. See 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's web site at <http://www.ferc.fed.us/efi/doorbell.htm>. Please include the project number (P-11917-000) on any comments or motions filed.

The Commission's Rules of Practice and Procedure require all interveners filing documents with the Commission to serve a copy of that document on each person in the official service list for the project. Further, if an intervener files comments or documents with the Commission relating to the merits of an issue that may affect the responsibilities of a particular resource agency, they must also serve a copy of the document on that resource agency.

k. *Description of Project:* The proposed project would consist of: (1) An existing 2,100-foot-long, 273-foot-high earthfill dam; (2) an existing impoundment having a surface area of 3,200 acres with a storage capacity of 67,520 acre-feet and normal water elevation of 735 feet msl; (3) a proposed 400-foot-long, 240-inch-diameter steel penstock; (4) a proposed powerhouse containing two generating units with a total installed capacity of 7.8 MW; (5) a proposed 11-mile-long, 15 kV transmission line; and (6) appurtenant facilities.

The project would have an annual generation of 34.45 GWh that would be sold to a local utility.

l. A copy of the application is available for inspection and reproduction at the Commission's Public Reference Room, located at 888 First Street, NE., Room 2A, Washington, DC 20426, or by calling (202) 208-1371.

The application may be viewed on <http://www.ferc.fed.us/online/rims.htm> (call (202) 208-2222 for assistance). A copy is also available for inspection and reproduction at the address in item h above.

m. *Preliminary Permit*—Anyone desiring to file a competing application for preliminary permit for a proposed project must submit the competing application itself, or a notice of intent to file such an application, to the Commission on or before the specified comment date for the particular application (see 18 CFR 4.36). Submission of a timely notice of intent allows an interested person to file the competing preliminary permit application no later than 30 days after the specified comment date for the particular application. A competing preliminary permit application must conform with 18 CFR 4.30(b) and 4.36.

n. *Preliminary Permit*—Any qualified development applicant desiring to file a competing development application must submit to the Commission, on or before a specified comment date for the particular application, either a competing development application or a notice of intent to file such an application. Submission of a timely notice of intent to file a development application allows an interested person to file the competing application no later than 120 days after the specified comment date for the particular application. A competing license application must conform with 18 CFR 4.30(b) and 4.36.

o. *Notice of Intent*—A notice of intent must specify the exact name, business address, and telephone number of the prospective applicant, and must include an unequivocal statement of intent to submit, if such an application may be filed, either a preliminary permit application or a development application (specify which type of application). A notice of intent must be served on the applicant(s) named in this public notice.

p. *Proposed Scope of Studies under Permit*—A preliminary permit, if issued, does not authorize construction. The term of the proposed preliminary permit would be 36 months. The work proposed under the preliminary permit would include economic analysis, preparation of preliminary engineering plans, and a study of environmental impacts. Based on the results of these studies, the Applicant would decide whether to proceed with the preparation of a development application to construct and operate the project.

q. *Comments, Protests, or Motions to Intervene*—Anyone may submit comments, a protest, or a motion to
