Substance Abuse and Mental Health Services Administration

Fiscal Year (FY) 2001 Funding Opportunities

AGENCY: Substance Abuse and Mental Health Services Administration, HHS.

ACTION: Notice of funding availability.

SUMMARY: The Substance Abuse and Mental Health Services Administration (SAMHSA) Center for Substance Abuse Prevention (CSAP, Center for Substance Abuse Treatment (CSAT), and Center for Mental Health Services (CMHS), announce the availability of FY 2001 funds for cooperative agreements for the following activity. This notice is not a complete description of the activity; potential applicants *must* obtain a copy of the Guidance for Applicants (GFA), including Part I, Strengthening Early Childhood Intervention by Integrating Behavior Health Services, and Part II, General Policies and Procedures Applicable to all SAMHSA Applications for Discretionary Grants and Cooperative Agreements, before preparing and submitting an application.

Activity	Application deadline	Est. funds FY (millions) 2001	Est. number of awards	Project period (years)
SESS Prototypes	July 30, 2001	\$2.5	7	3

The actual amount available for the award may vary, depending on unanticipated program requirements and the number and quality of applications received. FY 2001 funds for the activity discussed in this announcement were appropriated by the Congress under Public Law No. 106-310. SAMHSA's policies and procedures for peer review and Advisory Council review of grant and cooperative agreement applications were published in the **Federal Register** (Vol. 58, No. 126) on July 2, 1993.

General Instructions

Applicants must use application form PHS 5161-1 (Rev. 7/00). The application kit contains the two-part application materials (complete programmatic guidance and instructions for preparing and submitting applications), the PHS 5161-1 which includes Standard Form 424 (Face Page), and other documentation and forms. Application kits may be obtained from:

National Clearinghouse for Alcohol and Drug Information (NCADI), P.O. Box 2345 Rockville, MD 20847-2345, Telephone: 1-800-729-6686.

The PHS 5161-1 application form and the full text of the activity are also available electronically via SAMHSA's World Wide Web Home Page: <http://www.samhsa.gov>

When requesting an application kit, the applicant must specify the particular activity for which detailed information is desired. All information necessary to apply, including where to submit applications and application deadline instructions, are included in the application kit.

Purpose: The Substance Abuse and Mental Health Services Administration (SAMHSA) Center for Substance Abuse Prevention (CSAP), Center for Substance Abuse Treatment (CSAT), and Center for Mental Health Services (CMHS) announce the availability of Fiscal Year 2001 funds for cooperative agreements to Strengthen Early Childhood Interventions by Integrating Behavioral

Health Services into customary early childhood service settings (behavioral health is defined as substance abuse prevention treatment and mental health services in this announcement). This program calls for applicants to address the following goals:

(1) To increase access to behavioral health services by confirming the value of integrating behavioral health services into settings that families and young children 0-3 use regularly and frequently.

(2) To replicate and disseminate the most successful approaches to intervening early in the lives of young children impacted by multiple family and social problems in established primary care sites, community based health centers and Early Head Start childhood settings.

(3) To augment the knowledge of integrating behavioral health services in these non-stigmatized and familiar settings serving families and young children, by continued study of the results of these efforts through a

validated set of impact measures, to be selected by grantees.

(4) To incorporate into existing programs, SESS lessons learned, including strength based work with families and cultural competence practices.

Eligibility: Applications for this initiative may be submitted by domestic public and nonprofit primary care organizations, community health clinics and Early Head Start programs.

Availability of Funds: Approximately \$2.5 million will be made available for 7 awards. The average award will be \$300,000 in total costs (direct and indirect costs). Funds will support a 90-day planning period, local intervention services that address the program goals, data collection utilizing locally selected elements of an established data set, preparation of the project reports, and participation in funder/grantee workgroups on project implementation, data generation and analysis.

Period of Support: Awards may be requested for 3 years. Annual continuation awards depend on the availability of funds and the progress achieved.

Criteria for Review and Funding

General Review Criteria: Competing applications requesting funding under this activity will be reviewed for technical merit in accordance with established PHS/SAMHSA peer review procedures. Review criteria that will be used by the peer review groups are specified in the application guidance material.

Award Criteria for Scored Applications: Applications will be considered for funding on the basis of their overall technical merit as determined through the peer review group and the appropriate National Advisory Council review process. Availability of funds will also be an award criteria. Additional award criteria specific to the programmatic activity may be included in the application guidance materials.

Catalog of Federal Domestic Assistance Number: 93.230.

Program Contact: For questions concerning program issues, contact: Jocelyn Whitfield, MS, Office on Early Childhood, Center for Substance Abuse Prevention, Substance Abuse and Mental Health Services Administration, Rockwall II, Suite 1075, 5600 Fishers Lane, Rockville, MD 20857, (301) 443-7816, E-Mail jwhitfil@samhsa.gov

For questions regarding grants management issues, contact: Edna Frazier, Division of Grants Management, OPS, Substance Abuse and Mental Health Services Administration,

Rockwall II, 6th Floor, 5600 Fishers Lane, Rockville, Maryland 20857 (301) 443-6816, E-Mail: efrazier@samhsa.gov

Public Health System Reporting Requirements: The Public Health System Impact Statement (PHSIS) is intended to keep State and local health officials apprised of proposed health services grant and cooperative agreement applications submitted by community-based nongovernmental organizations within their jurisdictions.

Community-based nongovernmental service providers who are not transmitting their applications through the State must submit a PHSIS to the head(s) of the appropriate State and local health agencies in the area(s) to be affected not later than the pertinent receipt date for applications. This PHSIS consists of the following information:

- a. A copy of the face page of the application (Standard form 424).
- b. A summary of the project (PHSIS), not to exceed one page, which provides:
 - (1) A description of the population to be served.
 - (2) A summary of the services to be provided.
 - (3) A description of the coordination planned with the appropriate State or local health agencies.

State and local governments and Indian Tribal Authority applicants are not subject to the Public Health System Reporting Requirements. Application guidance materials will specify if a particular FY 2001 activity is subject to the Public Health System Reporting Requirements.

PHS Non-use of Tobacco Policy Statement: The PHS strongly encourages all grant and contract recipients to provide a smoke-free workplace and promote the non-use of all tobacco products. In addition, Public Law 103-227, the Pro-Children Act of 1994, prohibits smoking in certain facilities (or in some cases, any portion of a facility) in which regular or routine education, library, day care, health care, or early childhood development services are provided to children. This is consistent with the PHS mission to protect and advance the physical and mental health of the American people.

Executive Order 12372: Applications submitted in response to the FY 2001 activity listed above are subject to the intergovernmental review requirements of Executive Order 12372, as implemented through DHHS regulations at 45 CFR Part 100. E.O. 12372 sets up a system for State and local government review of applications for Federal financial assistance. Applicants (other than Federally recognized Indian tribal governments) should contact the State's

Single Point of Contact (SPOC) as early as possible to alert them to the prospective application(s) and to receive any necessary instructions on the State's review process. For proposed projects serving more than one State, the applicant is advised to contact the SPOC of each affected State. A current listing of SPOCs is included in the application guidance materials. The SPOC should send any State review process recommendations directly to: Division of Extramural Activities, Policy, and Review, Substance Abuse and Mental Health Services Administration, Parklawn Building, Room 17-89, 5600 Fishers Lane, Rockville, Maryland 20857.

The due date for State review process recommendations is no later than 60 days after the specified deadline date for the receipt of applications. SAMHSA does not guarantee to accommodate or explain SPOC comments that are received after the 60-day cut-off.

Dated: June 8, 2001.

Richard Kopanda,

Executive Officer, SAMHSA.
