BILLING CODE 4410-15-M

DEPARTMENT OF JUSTICE

[AAG/A Order No. 233-2001]

Privacy Act of 1974; System of Records

AGENCY: Federal Bureau of Investigation, DOJ.

ACTION: Notice.

SUMMARY: Pursuant to the Privacy Act of 1974 (5 U.S.C. 552a), and Office of Management and Budget (OMB) Circular No. A-130, notice is hereby given that the Department of Justice, Federal Bureau of Investigation (FBI), is establishing ten "blanket" routine uses to be applicable to more than one FBI system of records. Further, the FBI is modifying the following systems of records:

Bureau Mailing Lists, Justice/FBI-003 (previously published on October 5, 1993, at 58 FR 51846); and

Electronic Surveillance (ELSUR) Indices, Justice/FBI-006 (previously published on March 10, 1992, at 57 FR 8473).

Opportunity for Comment: The Privacy Act (5 U.S.C. 552a(e)(r) and (11)) requires that the public be given 30 days in which to comment on any new or amended uses of information in a system of records. In addition, in accordance with Privacy Act requirements (5 U.S.C. 552a(r)), the Department of Justice has provided a report on these modifications to OMB and the Congress. OMB, which has oversight responsibilities under the Act, requires that OMB and the Congress be given 40 days in which to review major changes to Privacy Act systems. Therefore, the public, OMB, and the Congress are invited to submit written comments on this modification.

Address Comments or Request for Further Information to: Mary E. Cahill, Management Analyst, Management and Planning Staff, Justice Management Division, Department of Justice, 1400 National Place, Washington, DC 20530.

EFFECTIVE DATE: These proposed changes will be effective August 1, 2001, unless comments are received that result in a contrary determination.

SUPPLEMENTARY INFORMATION: The FBI is proposing to establish ten blanket routine uses in order to: (1) Foster greater public understanding by simplifying and consolidating FBI Privacy Act issuances; (2) minimize through use of standardized wording the potential for misunderstanding or misinterpretation which might arise from unintended variations in different versions of common routine uses; and (3) reduce costs and duplication of effort in the publication and maintenance of FBI Privacy Act issuances. Unless this or other published notice expressly provides otherwise, these blanket routine uses will apply to existing FBI systems of records as indicated below and to all FBI systems of records created or modified hereafter. However, the FBI is not at this time applying blanket routine uses to the National DNA Index

System (NDIS) (Justice/FBI-017) or to the National Instant Criminal Background Check System (NICS) (Justice/FBI-018). (Any blanket routine uses which the FBI may in the future propose to apply to these two systems will be implemented by express reference in revisions to the respective systems notices.)

In large part these blanket routine uses standardize wording of routine uses already promulgated for one or more FBI or DOJ systems. The wording of a blanket use may differ somewhat from the existing counterpart(s). These differences generally do not reflect substantially different uses; however, some uses are clarified or broadened as to when and to whom disclosures may be made. Furthermore, Blanket Routine Use 9 is a new use not now reflected in any FBI system.

Upon taking effect, these blanket routine uses will apply to the FBI systems indicated below:

National Crime Information Center (NCIC), JUSTICE/FBI-001 (last published in the **Federal Register** on September 28, 1999, at 64 FR 52343);
