TransColorado Gas Transmission Company; Notice of Compliance Filing

July 2, 2001.

Take notice that on June 28, 2001, TransColorado Gas Transmission Company (TransColorado) tendered for filing as part of its FERC Gas Tariff, Original Volume No. 1, Substitute Second Revised Sheet No. 206B, to be effective June 18, 2001.

TransColorado states that the filing is being made in compliance with the

Commission's June 14, 2001, order in Docket No. RP01-419-000.

On May 15, 2001, TransColorado filed revised tariff sheets (the May 15 filing) to change the tariff references from its Direct Access Request and Tracking System (DART) to a more standardized name of "Interactive Website." The Commission accepted and suspended the tariff sheets to December 1, 2001, or earlier, subject to refund and subject to TransColorado providing clarification and making a correction to a tariff sheet that still contained a reference to the DART system, which was removed and submitted in this filing.

In addition to the corrected tariff sheet, TransColorado provided an explanation for the deletion of Sections 2.1(b) (vii) and (viii), Discount Request Processing and Regulatory Reporting, respectively, proposed in the May 15, filing. TransColorado stated that both of these provisions and reporting formerly conducted on the DART system are now handled on its web site and that no changes are being made to TransColorado's conduct of business and procedures.

TransColorado states that a copy of this filing has been served upon TransColorado's customers, the Colorado Public Utilities Commission and New Mexico Public Utilities Commission.
