

The PHA may only make such payments for a vacant unit if:

(1) The vacancy was not the owner's fault, and

(2) The PHA and owner take action to minimize the likelihood and length of any vacancy.

Reduction of contract units after vacancy. Except for units for which an AHAP was executed before the effective date of this notice, the new law supersedes 24 CFR 983.152(b) and (c). Instead, the following provisions apply:

If no eligible family rents a vacant unit within 120 days (commencing on the first day of the month when the vacancy occurs), the PHA may terminate its commitment to make any additional housing assistance payments for the unit for the balance of the HAP contract term. The PHA may use the amounts so saved to provide other voucher assistance.

The policy guidance and implementation directives of this notice remain in effect until the new project-based voucher changes in law have been fully implemented through a new regulation. HUD will endeavor to answer any questions PHAs may have that arise that are not anticipated in this notice.

HUD will soon issue a new required tenancy addendum and HAP contract for the project-based voucher program as implemented by this notice.

Dated: January 8, 2001.
