A. Purpose

The GSA is requesting the Office of Management and Budget (OMB) to reinstate information collection, 3090-0204, concerning the Commercial Delivery Schedule (Multiple Award Schedule) clause. A Notice of Shipment clause is used when it is in the Government's interest to have a supply contractor furnish a notice of shipment. The Department of Health and Human Services, in collaboration with the Departments of Housing and Urban Development, Labor, Education, Justice and the Social Security Administration, is hosting a National Listening Session on Community-Based Alternatives for People with Disabilities to provide an opportunity for public input into each agency's evaluation being conducted under President Bush's Executive Order 13217 on Community-Based Alternatives for People with Disabilities.

Executive Order 13217, signed June 18, 2001, calls upon the federal government to assist states and localities to swiftly implement the decision of the United States Supreme Court in *Olmstead v. L.C.* and directs the above-named federal agencies to review and evaluate their policies, programs, statutes and regulations to determine whether any should be revised or modified to improve the availability of community-based services for individuals with disabilities. The evaluations must focus on identifying affected populations, improving the flow of information about supports in the community, and removing barriers that impede community placement. The evaluations also must ensure the involvement of consumers, advocacy organizations, providers, and relevant agency representatives. The results of the evaluations must be reported, through the Department of Health and Human Services, to the President by October 16, 2001.
