

program year, including payment eligibility, conservation compliance and gross revenue compliance provisions, must have been met by each of the joint operations and entities contributing to the qualifying loss calculations.

Applicant's meeting all eligibility requirements for CLDAP will be eligible for benefits not to exceed the \$80,000 per "person" CLDAP payment limitation and subject to the national payment factor, regardless of the number of different farming operations used to qualify. Each applicant must certify that gross revenue provisions are not exceeded by any of the farming operations used for qualification by applying the procedure applicable to the 1998 CLDAP. If one or more "persons" do not meet the gross revenue provisions, the indemnification for that "person" cannot be used in computing eligibility. The 1997 tax year will be used in determining eligibility under the gross revenue provision. If the joint operation or entity used for qualification dissolved in a prior year, FSA will use the last tax year available.

Producers will be required to provide proof of crop insurance indemnities, NAP benefits and ad hoc disaster assistance received for each farming operation used in the qualification process. This information must be recorded on Form CCC-540MY, Crop Loss Disaster Assistance Program Application for Multi-Year Benefits, for each respective farming operation and crop year. This information will be used in determining eligibility and calculating the multi-year benefit. Joint operation/entity member share data shall be verified with CCC-502, Farm Operating Plan for Payment Eligibility Review, information on file with the Agency for the respective program year. If the CCC-502 information is not on file for the joint operation/entity member, this information will be required to identify members and shares. Additional documentation may be required to substantiate the certification such as legal documents and agreements, annual reports, corporate minutes, etc.

Individual producers may obtain Form CCC-540MY in person, by mail, by telephone, or by facsimile from any FSA office. In addition, applicants may download a copy of the CCC-540MY through the Internet at www.sc.egov.usda.gov.

To apply for benefits, producers must submit: (1) Form CCC-540MY, and include supporting documentation of any crop insurance indemnity, NAP benefits and ad hoc disaster assistance received for each year, entity and joint operation used for qualification; (2)

Applicable Form CCC-502, Farm Operating Plan For Payment Eligibility Review, and related information for each year, entity and joint operation used for qualification; (3) Form AD-1026, Highly Erodible Land and Wetland Conservation Compliance, for each entity and joint operation used for qualification; (4) Form CCC-548, Gross Revenue Certification Statement, for each individual and entity used for qualification; (5) copies of all Forms CCC-540, Crop Loss Disaster Assistance Program, and CCC-540A, Notice of Loss/Production Worksheet 1998 Crop Loss Disaster Assistance Program, previously submitted, including any applications submitted for each individual, entity and joint operation used for qualification; and (6) records of 1998 CLDAP benefits previously approved or received, including records for each entity and joint operation used for qualification.

Applications with supporting documentation will be accepted from the date this notice is published through September 14, 2001. The applicant must send all required documents to the following address: USDA/ Farm Service Agency, Room 3643-S, STOP 0517, 1400 Independence Avenue SW, Washington, DC 20250-0517. Applicants are requested to designate the program on the envelope as "Multi-Year Revised Eligibility Determination Request." All completed applications must be received at the specified address by the close of business on September 14, 2001. All late and incomplete applications will be returned to the applicants with a denial of program benefits.

For additional information, affected producers should contact the Farm Service Agency Service Center in the county in which they originally or would have applied for benefits under the 1998 CLDAP. Eligibility determinations will be made upon receipt of all of the necessary data.

SUPPLEMENTARY INFORMATION:

Background

On May 21, 2001, the Department published its preliminary results in the *Federal Register* (*see "Preliminary Results"*) preliminarily finding Hyundai Steel Company ("Hyundai Hysco") to be the successor-in-interest to Hyundai

Pipe Company, Ltd. ("HDP"). No comments were received regarding these findings.

Scope of the Review

The products covered by this order are oil country tubular goods ("OCTG"), hollow steel products of circular cross-section, including only oil well casing and tubing, of iron (other than cast iron) or steel (both carbon and alloy), whether seamless or welded, whether or not conforming to American Petroleum Institute ("API") or non-API specifications, whether finished or unfinished (including green tubes and limited service OCTG products). This scope does not cover casing or tubing pipe containing 10.5 percent or more of chromium, or drill pipe. The products subject to this order are currently classified in the Harmonized Tariff Schedule of the United States ("HTSUS") under item numbers: 7304.29.10.10, 7304.29.10.20, 7304.29.10.30, 7304.29.10.40, 7304.29.10.50, 7304.29.10.60, 7304.29.10.80, 7304.29.20.10, 7304.29.20.20, 7304.29.20.30, 7304.29.20.40, 7304.29.20.50, 7304.29.20.60, 7304.29.20.80, 7304.29.30.10, 7304.29.30.20, 7304.29.30.30, 7304.29.30.40, 7304.29.30.50, 7304.29.30.60, 7304.29.30.80, 7304.29.40.10, 7304.29.40.20, 7304.29.40.30, 7304.29.40.40, 7304.29.40.50, 7304.29.40.60, 7304.29.40.80, 7304.29.50.15, 7304.29.50.30, 7304.29.50.45, 7304.29.50.60, 7304.29.50.75, 7304.29.60.15, 7304.29.60.30, 7304.29.60.45, 7304.29.60.60, 7304.29.60.75, 7305.20.20.00, 7305.20.40.00, 7305.20.60.00, 7305.20.80.00, 7306.20.10.30, 7306.20.10.90, 7306.20.20.00, 7306.20.30.00, 7306.20.40.00, 7306.20.60.10, 7306.20.60.50, 7306.20.80.10, and 7306.20.80.50. Although the HTSUS item numbers are provided for convenience and Customs purposes, the written description remains dispositive of the scope of this review.

Successorship and Final Results of Review

Because we received no comments on the preliminary results, for the reasons stated in the *Preliminary Results* and based on the facts on the record, we find Hyundai Hysco to be the successor-in-interest to HDP for purposes of this antidumping duty order.

Therefore, Hyundai Hysco will be excluded from the antidumping duty order on OCTG from the Republic of Korea and, thus, cash deposits will not
