Type of Review: Reinstatement.

Title: Consolidated State Performance Report and State Self-Review.

Frequency: Annually.

Affected Public: State, Local, or Tribal Gov't, SEAs or LEAs.

Reporting and Recordkeeping Hour Burden: Responses: 14, 452; Burden Hours: 134,768.

Abstract: This information collection package contains two related parts: the Consolidated State Performance Report (CSPR) and the State Self-Review (SSR). The Elementary and Secondary Education Act (ESEA), in general, and its provision for submission of consolidated plans, in particular (see section 14301 of the ESEA), emphasize the importance of cross-program coordination and integration of federal programs into educational activities carried out with state and local funds. States would use both instruments for reporting on activities that occur during the 2000-2001 school year and, if the ESEA, when reauthorized, does not become effective for the 2001-2002 school year, for that year as well. The proposed CSPR request most of the same information as in 1999-2000, with a few modifications to cover new programs and new emphases. The proposed SSR deletes several questions from the previous version and has no new information requests. When the ESEA is reauthorized the Department intends to work actively with the public to revise the content of these documents and develop an integrated information collection system that responds to the new law, uses new technologies, and better reflects how federal programs help to promote state and local reform efforts.
