

Preliminary Alternatives

The EIR/EIS for the South Subregion NCCP/HCP will assist the Service during its decision making process by enabling us to analyze the environmental consequences of the proposed action and a full array of alternatives identified during preparation of the NCCP/HCP. Although specific programmatic alternatives have not been prepared for public discussion, the range of alternatives preliminarily identified for consideration include:

Alternative 1, No Project/No Development Alternative

No land development and no NCCP/HCP directly impacting listed species.

Alternative 2, No Project/No NCCP/HCP Alternative

Conservation would rely on existing or future amended General Plans, growth management programs and habitat management efforts, and continuing project-by-project review and permitting pursuant to the NEPA and sections 7 and 10 of the Act.

Alternative 3, NCCP/HCP Alternative Based on Orange County Projections (OCP) 2000

Land uses projected by the County's OCP 2000 for Rancho Mission Viejo Lands would be considered for implementation under a Subregional NCCP/HCP approach designed to comply with the requirements of section 10(a) of the Endangered Species Act by assuring long-term value of coastal sage scrub and other major habitat types on a subregional level through the following measures:

(1) Permanently set aside coastal sage scrub and other major habitats consistent with Scientific Review Panel Reserve Design Criteria (1993).

(2) Address habitat needs of coastal sage scrub species and of other species that use major habitat types specifically identified for inclusion and management within the NCCP Reserve.

(3) Maintain and enhance habitat connectivity within the subregion and between adjacent subregions.

(4) Provide for adaptive habitat management within the NCCP Reserve, including, habitat restoration and enhancement.

Alternative 4, NCCP/HCP Alternative Based on Other Land Use Scenarios

Formulation of alternative subregional conservation plans and habitat reserve configurations designed to comply with the requirements of section 10(a) by assuring the long-term value of coastal sage scrub and other major habitat types on a subregional level through the same

four general measures listed under Alternative 3.

Other Governmental Actions

The NCCP/HCP is being prepared concurrently and coordinated with the joint preparation by the U.S. Army Corps of Engineers and California Department of Fish and Game of a Special Area Management Plan (SAMP) and Master Streambed Alteration Agreement (MSAA) for the San Juan Creek and western San Mateo Creek watersheds. These watersheds cover most of the South NCCP Subregion. In addition to the concurrent SAMP/MSAA process, the County and Rancho Mission Viejo, the owner of the largest undeveloped property in the subregion, will be proceeding with consideration of amendments to the County General Plan and Zoning Code for that portion of the subregion owned by Rancho Mission Viejo. The SAMP/MSAA will involve the preparation of a concurrent joint programmatic EIR/EIS and the General Plan/Zoning amendment programs will involve the preparation of an EIR that will be distributed for review during the NCCP/HCP public planning process. The County will prepare and publish a separate Notice of Preparation for the General Plan Amendment and Zone Change EIR.

Service Scoping

We invite comments from all interested parties to ensure that the full range of issues related to the permit requests are addressed and that all significant issues are identified. We will conduct environmental review of the permit applications in accordance with the requirements of the NEPA of 1969 as amended (42 U.S.C. 4321 *et seq.*), its implementing regulations (40 CFR parts 1500 through 1508), and with other appropriate Federal laws and regulations, policies, and procedures of the Service for compliance with those regulations. We expect a draft EIR/EIS for the South Subregion NCCP/HCP to be available for public review in Fall 2002.

Dated: November 1, 2001.

(a) For the purposes of this section, the filing date of an application means the date upon which the Commissioner, after approving the application for processing, mails or otherwise delivers to the applicant a placard containing such date.

(b) Any person desiring a liquor permit or a renewal of such a permit shall make a sworn application therefor to the Commissioner upon forms to be furnished by the Commissioner, showing the name and address of the applicant and of the backer, if any, the location of the place of business which is to be operated under such permit. Such application shall include a detailed description of the type of live entertainment that is to be provided. The application shall also indicate any crimes of which the applicant or his backer may have been convicted. Applicants shall submit documents sufficient to establish that any tribal regulations concerning hours and days of sale will be met. The Tribal Fire Marshal or his certified designee shall be responsible for approving compliance with the applicable fire regulations. The Commissioner may, at its discretion, conduct a review to

determine whether a permit shall be issued to an applicant.

(1) The applicant shall pay to the Commissioner a nonrefundable application fee, which fee shall be in addition to the fees prescribed in this Code for the permit sought. When an application is filed for any type of permit for a building that has not been constructed, such applicant shall erect and maintain in a legible condition a sign not less than six feet by four feet upon the site where such place of business is to be located, instead of such placard upon the outer door of the building. The sign shall set forth the type of permit applied for and the name of the proposed permittee shall be clearly visible to the public and shall be so erected not later than the day following the receipt of the placard. Such applicant shall make a return to the Commissioner, under oath, of compliance with the foregoing requirements, in such form as the Commissioner may determine, but the Commissioner may require any additional proof of such compliance. Section 13. Granting and Denial of Permits; Notice of Hearing

Permits may be granted without a hearing by the Commissioner in its discretion; but, in any case of the denial of or refusal to renew a permit, the Commissioner shall, in such manner as it directs, notify the applicant or permittee of its proposed action and set a day and place for a hearing thereon, giving the applicant or permittee reasonable notice in advance thereof. If, at or after such hearing, the Commission denies or refuses to renew the permit, as the case may be, notice of such decision shall forthwith be given to such applicant or permittee in such manner as the Commission directs.

Section 14. Mandatory Refusal of Permits to Certain Persons; Exceptions

(3) there is any other reason as provided by tribal law, ordinance or regulation, which warrants such refusal.

Section 16. Discretionary Refusal of Permits; Disqualification of Applicant

The Commissioner may, in his discretion, refuse a permit for the sale of alcoholic liquor if he has reasonable grounds to believe that:

(1) The applicant appears to be financially irresponsible or neglects to provide for his family, or neglects or is unable to pay his just debts;

(2) the applicant has been provided with funds by any wholesaler or manufacturer or has any forbidden connection with any other class of permittee as provided herein or as provided in the Connecticut Liquor Control Act;

(3) the applicant is in the habit of using alcoholic beverages to excess;

(4) the applicant has willfully made a false statement to the Commissioner in a material matter;

(5) the applicant has violated this Code, or has been convicted of violating the liquor laws of any state or of the United States or has been convicted of a felony or has such a criminal record that the Commissioner reasonably believes he is not a suitable person to hold a permit; or

(6) if the permittee-applicant has not been delegated full authority and control of such premises and of the conduct of all business therein. Any backer shall be subject to the same disqualifications as herein provided in the case of an applicant for a permit.

A permittee may file a designation of an authorized agent with the Commissioner to issue or receive all notices or documents provided for in this section. The permittee shall be responsible for the issuance or receipt of such notices or documents by the agent.

Section 17. Permit to Specify Location and Revocability; Removal to Another Location

(a) Every permit for the sale of alcoholic liquor shall specify the location including the particular building or place in which such liquor is to be sold, and shall not authorize any sale in any other place or building. Such permit shall also be made revocable in terms for any violation of any of the provisions of this Code.

(b) Nothing in subsection (a) of this section shall be construed as prohibiting the Commissioner from permitting the removal of such permit premises to any location, for any reason, provided:

(1) removal to the proposed location complies with all land use regulations;

(2) the proposed location is not found to be unsuitable or prohibited by any other provision of this Code. The removal of the permit premises from the particular building or place specified in the permit without the approval of the Commissioner shall be grounds for the suspension or revocation of the permit.

Section 18. Permit to be Recorded

Each permit granted or renewed by the Commissioner shall be of no effect until a duplicate thereof has been filed by the permittee with the Tribal Council.

Section 19. Permit to be Hung in Plain View

Section 20. Revocation or Suspension of Permits

The Commission may, of its own motion, revoke or suspend any permit upon cause found after hearing, provided ten days written notice of such hearing has been given to the permittee setting forth the charges upon which such proposed revocation or suspension is predicated. Any appeal from such order of revocation or suspension shall be taken in accordance with the applicable provisions of the Land Use Law.

The surrender of a permit for cancellation or the expiration of a permit shall not prevent the Commission from suspending or

revoking any such permit pursuant to the provisions of this section.

Section 21. Conviction of Permittee; Revocation or Suspension of Permit; Forfeiture

When any permittee has violated any of the provisions of this Code or has been convicted of a violation of any of the laws of the United States, the laws of the Mashantucket Pequot Tribe, or of any state, pertaining to the manufacture, sale, transportation or taxation of distilled spirits, beer and wine, or of any felony, or has forfeited his bond to appear in court to answer for any such violation, the Commission may, in its discretion, revoke or suspend his permit and order the forfeiture of all moneys that have been paid therefor, and such revocation or suspension and forfeiture shall be in addition to the penalties for such offense.

Section 22. Revocation of Permit Obtained by Fraud

Whenever any permit under this Code has been obtained by fraud or misrepresentation, the Commission, upon proof that such permit was so obtained, shall, upon hearing had, revoke the same, and all moneys paid therefor shall be forfeited.

Section 23. Offer in Compromise in Lieu of Suspension

The Commissioner, in its discretion may accept from any permittee or backer an offer in compromise in such an amount as may in the discretion of the Commissioner be proper under the circumstances in lieu of the suspension of any permit previously imposed by the Commissioner. Any sums of money so collected by the Commissioner shall be paid forthwith to the general funds of the Tribe.

Section 24. Certificate of Revocation, Suspension or Reinstatement

The Commissioner shall transmit a certificate of the revocation, suspension or reinstatement of any permit by it to the Tribal Council who shall attach such certificate to the duplicate copy of such permit on file.

Section 25. Appeal

Any applicant for a permit or for the renewal of a permit for the sale of alcoholic liquor whose application is refused or any permittee whose permit is revoked or suspended by the Commission or any ten residents who have filed a remonstrance pursuant to the provisions of section 11 and who are aggrieved by the granting of a permit by the Commission may appeal therefrom

in accordance with the appellate provisions of the Land Use law.

Section 26. Substitution of Permittees; Fee

In any case a new permittee may be substituted when so requested, provided the person so substituted shall be a suitable person as defined and set forth in this Code, and such person shall be permitted to serve in the place and stead of the original permittee for the remainder or any part thereof of the term of the permit upon which he has been substituted and such a substitution may be made upon the death of a permittee, when so requested. A substitute permittee under this section shall not be subject to the provisions of section 11. In the case of an application to permanently substitute the identity of the permittee, the applicant shall pay to the Commissioner a nonrefundable application fee of Thirty Dollars (\$30.00).

The Commissioner may permit more than one consumer bar in any premises for which a permit has been issued under this Code for the retail sale of alcoholic liquor to be consumed on the premises. A consumer bar is a counter, with or without seats, at which a patron may purchase and consume or purchase alcoholic liquor. The fee for each additional consumer bar shall be One Hundred Fifty Dollars (\$150.00) per annum.
