**FOR FURTHER INFORMATION CONTACT:** Requests for additional information or copies of the form(s) and instructions should be directed to Linda Wade-Chapman, Regulations Division, 650 Massachusetts Avenue, NW., Washington, DC 20226, (202) 927-8181.

#### SUPPLEMENTARY INFORMATION:

**Title:** Environmental Information and Supplemental Information on Water Quality Considerations Under 33 U.S.C. 1341 (a).

**OMB Number:** 1512-0100.

**Form Number:** ATF F 5000.29 and ATF F 5000.30.

**Abstract:** The environmental forms are necessary in order to comply with the provisions of the National Environmental Policy Act, 42 U.S.C. 4332 (ATF F 5000.29) and the Clean Water Act, 33 U.S.C. 1341 (a) (ATF F

5000.30). Information regarding solid and liquid waste, air pollution, noise, etc. as collected on ATF F 5000.29 is evaluated to determine if a formal environmental impact statement or an environmental permit is necessary for a proposed operation. The environmental type information is collected from manufacturers, namely distilled spirits plants, wineries, breweries, and tobacco products factories. ATF F 5000.30 is also submitted by manufacturers but only those who discharge a solid or liquid effluent into navigable waters. Applicants are required to describe any biological, chemical, thermal, or other characteristic of the discharge as well as any methods or equipment used to monitor the condition of the discharge. Based upon this data, ATF makes a determination as to whether a certification or waiver by the applicable State water quality agency is required. Should a manufacturer be required to submit both forms (ATF F 5000.29 and ATF F 5000.30) they may incorporate by reference any redundant information especially regarding solid and waste. The record retention period for this information collection is 15 years after discontinuance of business for distilled spirits plants having production facilities. All others, 4 years after discontinuance of business.

**Current Actions:** There are no changes to this information collection and it is being submitted for extension purposes only.

**Type of Review:** Extension.

**Affected Public:** Business or other for-profit.

**Estimated Number of Respondents:** 8,000.

**Estimated Total Annual Burden Hours:** 4,400.

**Request for comments:** Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval. All comments will become a matter of public record. Comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology; and (e) estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide information.

Dated: March 8, 2002.

##### Background

On September 23, 2001, President Bush issued Executive Order 13224 (the "Order") imposing economic sanctions on persons who commit, threaten to commit, or support certain acts of terrorism. In an annex to the Order, President Bush identified 12 individuals and 15 entities whose assets are blocked pursuant to the Order (66 FR 49079, September 25, 2001). The property and interests in property of an additional 33 individuals and 6 entities were blocked pursuant to determinations by the Secretary of State and the Secretary of the Treasury effective October 12, 2001, referenced in a **Federal Register** document published by the Office of Foreign Assets Control, Department of the Treasury (66 FR 54404, October 26, 2001).

*Further Additional Determinations.* Pursuant to subsections 1(c) and 1(d) of the Order, further additional persons have been determined by the Secretary of the Treasury, in consultation with the Secretary of State and the Attorney General: to be owned or controlled by, or to act for or on behalf of, persons listed in the annex to the Order or designated pursuant to subsection 1(b), 1(c), or 1(d)(i) of the Order; to assist in, sponsor, or provide financial, material, or technological support for, or financial or other services to or in support of, acts of terrorism or persons listed on the annex or designated pursuant to the Order; or to be otherwise associated with persons listed on the annex to the Order or designated pursuant to

subsection 1(b), 1(c), or 1(d)(i) of the Order. These additional determinations are set forth in the lists below. In addition, further determinations made on October 31, 2001, December 18, 2001, and December 31, 2001, by the Secretary of State, in consultation with the Secretary of the Treasury and the Attorney General, under subsection 1(b) of the Order, are addressed in a separate notice published elsewhere in this issue of the **Federal Register**.

All property and interests in property of any listed person that are in the United States, that come within the United States, or that are or come within the possession or control of United States persons, including their overseas branches, are blocked, and may not be transferred, paid, exported, withdrawn or otherwise dealt in, and all transactions by U.S. persons or within the United States in property or interests in property of any listed person are prohibited unless otherwise authorized by the Office of Foreign Assets Control or exempted by statute.

The designations by the Secretary of the Treasury of further additional persons whose property and interests in property have been blocked pursuant to Executive Order 13224 were variously effective on the relevant date of determination (November 7, 2001, December 4, 2001, December 20, 2001 or January 9, 2002), as reflected under separate headings in the lists below.

In Section 10 of the Order, the President determined that because of the ability to transfer funds or assets instantaneously, prior notice to persons listed in the Annex to, or determined to be subject to, the Order who might have a constitutional presence in the United States, would render ineffectual the blocking and other measures authorized in the Order. The President further determined that no prior notification of a determination need be provided to any person who might have a constitutional presence in the United States. In furtherance of the objectives of the Order, the Secretary of the Treasury has determined that no prior notice should be afforded to the subjects of the determinations reflected in this notice because to do so would give the subjects that opportunity to evade the measures described in the Order and, consequently, render those measures ineffectual toward addressing the national emergency declared in the Order.

The lists of additional designations follow:
