POSTAL SERVICE

Disclosure of Information on U.S. Mail

ACTION: Notice.

SUMMARY: The Postal Service is publishing notice that it has amended its *Administrative Support Manual* to clarify the instances when it may collect an image of the U.S. Mail, in whole or parts, for operational or health and safety purposes.

DATES: The amendment to the *Administrative Support Manual* (ASM) is effective when published in the Postal Bulletin (issue 22073) on April 4, 2002.

ADDRESSES: Parties interested in reviewing these amendments may find them online at <http://www.usps.com/cpim/ftp/bulletin/pb.htm>.

FOR FURTHER INFORMATION CONTACT: Elizabeth P. Martin, Chief Counsel, Customer Protection and Privacy, 202-268-3022.

SUPPLEMENTARY INFORMATION:

Discussion of Amendments

The Postal Service is revising ASM section 274.5, Disclosure of Information Collected From Mail Sent or Received by Customers, to designate two additional circumstances in which the Postal Service may collect images of live mail for specified purposes. Specifically, we:

- Added section 274.5(f)(9) to allow for developing, testing, and improving recognition and processing capabilities without getting written approval from the Chief Postal Inspector. This change facilitates the use of test decks for purposes of testing and calibrating enhanced processing technology.
- Added section 274.5(i) to allow the Postal Service to collect images of mail for the purpose of ensuring the health

and safety of its employees and the public.

- Clarified that any images collected for operational purposes by the Postal Service may not be used for criminal investigative purposes, unless law enforcement officials comply with the procedures in ASM 213 regarding mail covers.

- Made technical amendments to replace the words "photocopy" or "picture" with the word "image", to encompass all the ways to create an image of a piece of mail.

- Created a new part 274.51, Disclosure of Information from Contents of Sealed Mail, to separate the limitations on uses for information obtained from the cover of mail from the limitations on the uses of information obtained from the contents of sealed mail. Sealed mail may be opened in mail recovery centers only for the purpose of obtaining an address to where the mail may be delivered. The new section 274.51 makes no changes to the limitations on other uses of that information.

Chief Counsel, Legislative.

Applicants' Representations

1. Investec, a broker-dealer registered under the Securities Exchange Act of 1934, is the Sponsor to the existing Trusts.² Each Trust is or will be a UIT registered under the Act.³ Each Series is or will be created by a trust indenture among the Sponsor, a banking institution or trust company as trustee ("Trustee"), and, for those Series that the Trustee does not also serve as evaluator, the evaluator.

2. The Sponsor acquires a portfolio of securities, which it deposits with the Trustee in exchange for certificates representing units of fractional undivided interest in the deposited portfolio ("Units"). The Units are then offered to the public through the Sponsor, underwriters and dealers at a public offering price which, during the initial offering period, is based upon the aggregate market value (the aggregate offering side evaluation for fixed income securities) of the underlying securities plus a front-end load sales charge. The sales charge currently ranges from 1.25% to 5.5% of the public offering price, generally depending upon the terms of the underlying securities.

3. The Sponsor maintains a secondary market for Units and continually offers to purchase Units at prices based upon the market value (the bid side evaluation for fixed income securities) of the underlying securities. Investors may purchase Units on the secondary market at the current public offering price plus a front-end sales charge. If the Sponsor discontinues maintaining such a market at any time for any Series, holders of the Units ("Unitholders") of that Series may redeem their Units through the Trustee.

A. Deferred Sales Charge and Waiver of Deferred Sales Charge Under Certain Circumstances

1. Applicants request an order to the extent necessary to permit them to

impose a sales charge on a deferred basis ("deferred sales charge" or "DSC"). For each Series, the Sponsor would set a maximum sales charge per Unit, a portion of which may be collected "up front" (i.e., at the time an investor purchases the Units). The DSC would be collected subsequently in equal installments ("Installment Payments") from Unitholders' distributions on the Units. The Sponsor would not add any amount for interest or any similar or related charge to adjust for such deferral.

2. In order to ensure that sufficient cash is available to make Installment Payments, a Series may hold securities, the proceeds from the maturity or sale of which may be used to make payments. Installment Payments will be collected from Unitholders by withholding the payment amount from Unitholders' distributions on Units, from proceeds of Unit redemptions or sales by the Unitholder, or by reducing the number of Units held by the Unitholder. The Installment Payment will be passed by the Trustee to the Sponsor at the time it is collected. The Trustee may advance an Installment Payment if, for example, it is due immediately before a dividend or interest payment is due on portfolio securities. The Trustee will be reimbursed when the Installment Payment is collected from the Unitholder.

3. When a Unitholder redeems or sells Units, the Sponsor intends to deduct any unpaid DSC from the redemption or sale proceeds. When calculating the amount due, the Sponsor will assume that Units held for the longest time are redeemed or sold first. Applicants represent that the DSC collected at the time of redemption or sale, together with the Installment Payments and any amount collected up front, will not exceed the maximum sales charge per Unit. Under certain circumstances, the Sponsor may waive the collection of any unpaid DSC in connection with redemptions or sales of Units. These circumstances will be disclosed in the prospectus for the relevant Series and implemented in accordance with rule 22d-1 under the Act.

4. Each Series offering Units subject to a DSC will state the maximum charge per Unit in its prospectus. In addition, the prospectus for such Series will include the table required by item 3 of Form N-1A (modified as appropriate to reflect the difference between UITs and open-end management investment companies) and a schedule setting forth the number and date of each Installment Payment, along with the duration of the collection period. The prospectus for

that Series also will disclose that portfolio securities may be sold to pay an Installment Payment if distribution income is insufficient, and that securities will be sold pro rata or a specific security will be designated for sale.

B. Exchange Privilege, Rollover Privilege, and Conversion Offer

1. Applicants propose to offer an exchange privilege to Unitholders of the Trusts at a reduced sales charge ("Exchange Privilege"). Unitholders would be able to exchange any or all of their Units in a Series of a Trust for Units in one or more available Series of the Trusts ("Exchange Series"). Applicants also propose a conversion offer ("Conversion Offer") pursuant to which Unitholders may elect to redeem Units of any Series in which there is no active secondary market ("Redemption Series") and apply the proceeds to the purchase of available Units of one or more Series of the Trusts ("Conversion Series"). In addition, applicants propose to offer a rollover privilege to Unitholders of the Trusts at a reduced sales charge ("Rollover Privilege"). Unitholders would be able to "roll over" their Units in a Series which is terminating ("Terminating Series") for Units in one or more new Series of the Trusts ("Rollover Series").

2. To exercise the Exchange Privilege or Rollover Privilege, a Unitholder must notify the Sponsor. In order to exercise the Conversion Offer, a Unitholder must notify his or her retail broker. The Conversion Offer will be handled entirely through the Unitholder's retail broker and the retail broker must tender the Units to the Trustee of the Redemption Series for redemption and then apply the proceeds toward the purchase of Units of a Conversion Series. Exercise of the Exchange Privilege or Rollover Privilege is subject to the following conditions: (i) The Sponsor must be maintaining a secondary market in Units of the available Exchange Series or Rollover Series; (ii) at the time of the Unitholder's election to participate, there must be Units of the Exchange Series or Rollover Series to be acquired available for sale, either under the initial primary distribution or in the Sponsor's secondary market; (iii) exchanges will be in whole Units only; and (iv) for certain Series, Units may be obtained in blocks of certain sizes only.

3. Unitholders who wish to exchange Units under the Exchange Privilege, the Rollover Privilege or the Conversion Offer within the first five months of purchase will not be eligible for the reduced sales charge. Such Unitholders

² On April 27, 2001, ING Funds Distributor, Inc. and ING Mutual Funds Management Co. LLC (collectively, "ING") transferred its UIT business to Investec. ING has acquired its UIT business from Reich & Tang Distributors, Inc. on February 9, 2000. On April 24, 2001, Investec received a no-action letter allowing Investec to rely on the Prior Orders pending action by the Commission on the application until no later than April 24, 2002.

³ All presently existing Trusts that currently intend to rely on the requested order have been named as applicants. Any other existing Trust or any Trust organized in the future that relies on the requested order will comply with the terms and conditions of the application.

will be charged a sales load equal to the greater of: (i) the reduced sales load, or (ii) an amount which, when added to the sales charge paid by the Unitholder upon his or her original purchase of Units of the applicable Series, would equal the sales charge applicable to the direct purchase of the newly acquired Units, determined as of the date of purchase.

C. Purchase and Sale Transactions Between a Terminating Series and a New Series

1. Each Terminating Series will have a date ("Rollover Date") by which Unitholders of that Series may, at their option, redeem their Units and receive in return Units of a subsequent Series of the same type ("New Series"). The New Series will be created on or about the Rollover Date and will have a portfolio that contains securities, many, if not all, of which are actively traded (i.e., have had an average daily trading volume in the preceding six months of at least 500 shares equal in value to at least U.S. \$25,000) on an exchange (a "Qualified Exchange") that is either (i) a national securities exchange that meets the qualifications of section 6 of the Securities Exchange Act of 1934, (ii) a foreign securities exchange meeting the qualifications set forth in the proposed amendments to rule 12d3-1(d)(6) under the Act⁴ and releasing daily closing prices or (iii) the Nasdaq-National Market System (securities meeting the preceding tests are referred to as "Qualified Securities").

2. Applicants anticipate that there will be some overlap in the Qualified Securities selected for the portfolios of a Terminating Series and the related New Series. Absent the requested relief, a Terminating Series would, upon termination, sell its Qualified Securities on the applicable Qualified Exchange. Likewise, a New Series would acquire its Qualified Securities on the applicable Qualified Exchange. This procedure would result in Unitholders of both the Terminating Series and the New Series incurring brokerage commissions on the same Qualified

Securities. Applicants accordingly request an order to the extent necessary to permit a Terminating Series to sell its portfolio securities to a New Series and to permit the New Series to purchase those securities.

Applicants' Legal Analysis

A. DSC and Waiver of DSC Under Certain Circumstances

1. Section 4(2) of the Act defines a "unit investment trust" as an investment company that issues only redeemable securities. Section 2(a)(32) of the Act defines a "redeemable security" as a security that, upon its presentation to the issuer, enables the holder to receive approximately his or her proportionate share of the issuer's current net assets or the cash equivalent of those assets. Rule 22c-1 under the Act requires that the price of a redeemable security issued by a registered investment company for purposes of sale, redemption or repurchase be based on the security's current net asset value ("NAV"). Because the collection of any unpaid DSC may cause a redeeming Unitholder to receive an amount less than the NAV of the redeemed Units, applicants request relief from section 2(a)(32) and rule 22c-1.

2. Section 22(d) of the Act and rule 22d-1 under the Act require a registered investment company and its principal underwriter and dealers to sell securities only at the current public offering price described in the investment company's prospectus, with the exception of sales of redeemable securities at prices that reflect scheduled variations in the sales load. Section 2(a)(35) of the Act defines the term "sales load" as the difference between the sales price and the portion of the proceeds invested by the depositor or trustee. Applicants request relief from sections 2(a)(35) and 22(d) to permit waivers, deferrals or other scheduled variations of the sales load.

3. Under section 6(c) of the Act, the Commission may exempt classes of transactions, if and to the extent that such exemption is necessary or appropriate in the public interest and consistent with the protection of investors and the purposes fairly intended by the policy and provisions of the Act. Applicants state that their proposal meets the standards of section 6(c). Applicants state that the provisions of section 22(d) are intended to prevent (i) riskless trading in investment company securities due to backward pricing, (ii) disruption of orderly distribution by dealers selling shares at a discount, and (iii) discrimination

among investors resulting from different prices charged to different investors. Applicants assert that the proposed DSC program will present none of these abuses. Applicants further state that all scheduled variations in the sales load will be disclosed in the prospectus of each Series and applied uniformly to all investors, and that applicants will comply with all the conditions set forth in rule 22d-1.

4. Section 26(a)(2)(C) of the Act, in relevant part, prohibits a trustee or custodian of a UIT from collecting from the trust as an expense any payment to the trust's depositor or principal underwriter. Because the Trustee's payment of the DSC to the Sponsor may be deemed to be an expense under section 26(a)(2)(C), applicants request relief under section 6(c) from section 26(a)(2)(C) to the extent necessary to permit the Trustee to collect Installment Payments and disburse them to the Sponsor. Applicants submit that the relief is appropriate because the DSC is more properly characterized as a sales load.

B. Exchange Privilege, Conversion Offer and Rollover Privilege

1. Sections 11(a) and (c) of the Act prohibit any offer of exchange by a UIT for the securities of another investment company unless the terms of the offer have been approved in advance by the Commission. Applicants request an order under sections 11(a) and 11(c) for Commission approval of the Exchange Privilege, the Conversion Offer and the Rollover Privilege.

2. Applicants state that the Exchange Privilege and Rollover Privilege provide investors with a convenient means of transferring their interests at a reduced sales charge into Exchange Series and Rollover Series which suit their current investment objectives. Further, applicants state that the Conversion Offer provides Unitholders of a Series in which there is no active secondary market to redeem those Units and invest the proceeds at a reduced sales charge into Units of the Conversion Series in which there is an active secondary market. Applicants state that absent the Exchange Privilege, Rollover Privilege and Conversion Offer, Unitholders would be required to dispose of their Units, either in the secondary market (in the case of the Exchange Privilege and Rollover Privilege) or through redemption, and to reinvest, at the then fully applicable sales charge, into the chosen Series.

3. Applicants represent that Unitholders will not be induced or encouraged to participate in the Exchange Privilege, Rollover Privilege,

⁴ Investment Company Act Rel. No. 17096 (Aug. 3, 1989) (proposing amendments to Rule 12d3-1). The proposed amended rule defined a "Qualified Foreign Exchange" as a stock exchange in a country other than the United States where: (i) trading generally occurred at least four days per week, (ii) there were limited restrictions on the ability of acquiring companies to trade their holdings on the exchange, (iii) the exchange had a trading volume in stocks for the previous year of at least U.S. \$7.5 billion, and (iv) the exchange had a turnover ratio for the preceding year of at least 20% of its market capitalization. The version of the amended rule that was adopted did not include the part of the proposed amendment defining the term "Qualified Foreign Exchange."

or Conversion Offer through an active advertising or sale campaign. The Sponsor recognizes its responsibility to its customers against generating excessive commissions through churning and asserts that the sales charge collected will not be a significant economic incentive to salesmen to promote inappropriately the Exchange Privilege, Rollover Privilege or the Conversion Offer. Applicants state that the reduced sales charge will fairly and adequately compensate the Sponsor and the participating underwriters and brokers for their services and expenses in connection with the administration of the programs. Applicants further believe that the Exchange Privilege, Rollover Privilege, and Conversion Offer are appropriate in the public interest and consistent with the protection of investors and the purposes fairly intended by the policy and provisions of the Act.

C. Purchase and Sale Transactions Between a Terminating Series and a New Series

1. Section 17(a) of the Act prohibits an affiliated person of a registered investment company from selling securities to, or purchasing securities from, the company. Section 2(a)(3) of the Act defines an "affiliated person" of another person to include any person directly or indirectly controlling, controlled by, or under common control with the other person. Investec is or will be the Sponsor of each Series. Since the Sponsor of a Series may be deemed to control the Series, all of the Series may be deemed to be affiliated persons of each other.

2. Rule 17a-7 under the Act was designed to permit registered investment companies which might be deemed affiliates by reason of common investment advisers, directors and/or officers, to purchase securities from or sell securities to one another at an independently determined price, provided that certain conditions are met. Paragraph (e) of the rule requires an investment company's board of directors ("Board") to adopt and monitor procedures to assure compliance with the rule. Paragraph (f) of the rule requires that: (i) directors who are not interested persons under section 2(a)(19) of the Act constitute a majority of the Board; (ii) such directors select and nominate any other directors who are not interested persons under the Act; and (iii) any legal counsel for such directors be an "independent legal counsel," as defined in rule 0-1(a)(6) under the Act. Because UITs do not have Boards, the Series would be unable to comply with these requirements.

Applicants represent that they will comply with all of the provisions of rule 17a-7, other than paragraphs (e) and (f).

3. Section 17(b) of the Act provides that the Commission will exempt a proposed transaction from section 17(a) if evidence establishes that: (i) the terms of the transaction are reasonable and fair and do not involve overreaching; (ii) the transaction is consistent with the policies of each registered investment company involved; and (iii) the transaction is consistent with the general purposes of the Act. Applicants request relief under sections 6(c) and 17(b) to permit a Terminating Series to sell Qualified Securities to a New Series and permit the New Series to purchase the Qualified Securities.

4. Applicants believe that the proposed transactions satisfy the requirements of sections 6(c) and 17(b). Applicants represent that purchases and sales between Series will be consistent with the policies of each Series. Applicants further state that permitting the proposed transactions would result in savings on brokerage fees for the Series.

5. Applicants state that the condition that the Qualified Securities must be actively traded on a Qualified Exchange protects against overreaching. In addition, applicants state that the Sponsor will certify to the Trustee, within five days of each sale of Qualified Securities from a Terminating Series to a New Series: (i) That the transaction is consistent with the policy of both the Terminating Series and the New Series, as recited in their respective registration statements and reports filed under the Act; (ii) the date of the transaction; and (iii) the closing sales price on the Qualified Exchange for the sale date of the Qualified Securities. The Trustee will then countersign the certificate, unless, in the unlikely event that the Trustee disagrees with the closing sales price listed on the certificate, the Trustee immediately informs the Sponsor orally of such disagreement and returns the certificate within five days to the Sponsor with corrections duly noted. Upon the Sponsor's receipt of a corrected certificate, if the Sponsor can verify the corrected price by reference to an independently published list of closing sales prices for the date of the transactions, the Sponsor will ensure that the price of the Units of the New Series, and the distributions to Unitholders of the Terminating Series, accurately reflect the corrected price. To the extent that the Sponsor disagrees with the Trustee's corrected price, the Sponsor and the Trustee will jointly determine the correct sales price by

reference to a mutually agreeable, independently published list of closing sales prices for the date of the transaction.

Applicants' Conditions

Applicants agree that the order granting the requested relief will be subject to the following conditions:

A. DSC and Waiver of DSC Under Certain Circumstances

1. Each Series offering Units subject to a DSC will include in its prospectus the disclosure required in Form N-1A relating to deferred sales charges, modified as appropriate to reflect the differences between UITs and open-end investment companies, and a schedule setting forth the number and date of each installment payment.

2. Any DSC imposed on Units issued by a Series will comply with the requirements of subparagraphs (1), (2) and (3) of rule 6c-10(a) under the Act.

B. Exchange Privilege, Conversion Offer and Rollover Privilege

1. The prospectus of each Series offering exchanges, rollovers, or conversions and any sales literature or advertising that mentions the existence of the Exchange Privilege, Conversion Offer or Rollover Privilege will disclose that the Exchange Privilege, Conversion Offer or Rollover Privilege is subject to modification, termination or suspension without notice, except in limited cases.

2. Whenever the Exchange Privilege, Conversion Offer or Rollover Privilege is to be terminated or its terms are to be amended materially, any holder of a security subject to that privilege will be given prominent notice of the impending termination or amendment at least 60 days prior to the date of termination or the effective date of the amendment, *provided that*: (a) no such notice need be given if the only material effect of an amendment is to reduce or eliminate the sales charge payable at the time of an exchange, to make one or more New Series eligible for the Exchange Privilege, Conversion Offer or Rollover Privilege, or to delete a Series which has terminated; and (b) no notice need be given if, under extraordinary circumstances, either (i) there is a suspension of the redemption of Units of the Series under section 22(e) of the Act and the rules and regulations promulgated under that section, or (ii) a Series temporarily delays or ceases the sale of its Units because it is unable to invest amounts effectively in accordance with applicable investment objectives, policies, and restrictions.

3. An investor who purchases Units under the Exchange Privilege,

Conversion Offer or Rollover Privilege will pay a lower sales charge than that which would be paid for the Units by a new investor.

C. Purchase and Sale Transactions Between a Terminating Series and a New Series

1. Each sale of Qualified Securities by a Terminating Series to a New Series will be effected at the closing price of the securities sold on a Qualified Exchange on the sale date, without any brokerage charges or other remuneration except customary transfer fees, if any.

2. The nature and conditions of such transactions will be fully disclosed to investors in the appropriate prospectus of each Terminating Series and New Series.

3. The Trustee of each Terminating Series and New Series will review the procedures discussed in the application relating to the sale of securities from a Terminating Series and the purchase of those securities for deposit in a New Series, and make such changes to the procedures as the trustee deems necessary to ensure compliance with paragraphs (a) through (d) of rule 17a-7.

4. A written copy of these procedures and a written record of each transaction pursuant to this order will be maintained as provided in rule 17a-7(g).

For the Commission, by the Division of Investment Management, under delegated authority.

Assistant Secretary.

Applicants' Representations

1. Investec, a broker-dealer registered under the Securities Exchange Act of 1934, is the Sponsor to the existing Trusts.² Each Trust Series is or will be a UIT registered under the Act and organized under a trust indenture that incorporates or will incorporate by reference a master trust agreement between the Sponsor and a qualified bank as trustee. Pursuant to the trust indenture, the Sponsor will deposit into each Trust Series shares of existing registered investment companies ("Funds"), or contracts and monies for the purchase of shares of the Funds. Each of the Funds will be a closed-end investment company, an open-end investment company or a UIT.

2.
