

DEPARTMENT OF THE INTERIOR**Bureau of Land Management****43 CFR Parts 3430 and 3470****[WO-320-1430-PB-24 1A]****RIN 1004-AD43****Coal Management: Noncompetitive Leases; Coal Management Provisions and Limitations****AGENCY:** Bureau of Land Management, Interior.**ACTION:** Proposed rule; correction, and extension of comment period.

SUMMARY: The Bureau of Land Management (BLM) is extending the comment period on the proposed rule to amend the regulations on noncompetitive coal leases and coal lease acreage limitations. The reason for the extension is to allow the public sufficient opportunity to review regulatory text that was omitted through a printing error in the original publication in the **Federal Register**. BLM is also correcting an error in the proposed amendment of the acreage limitation provision.

DATES: Your comments must be received or postmarked by May 13, 2002.**ADDRESSES:**

Mail: Bureau of Land Management, Eastern States Office, 7450 Boston Blvd., Springfield, VA 22153, Attn: RIN 1004-AD43. (This is a change from the original postal address that appeared in the January 18, 2002, proposed rule. This change will enable your comments to avoid delivery delays associated with the closing of the Washington, DC, postal facility that was contaminated by anthrax.)

Personal or messenger delivery: Room 401, 1620 L Street, NW, Washington, DC 20036.

Internet e-mail: WOCComment@blm.gov. (Include "Attn: AD43").

FOR FURTHER INFORMATION CONTACT: Mary Linda Ponticelli, (202) 452-0350.

SUPPLEMENTARY INFORMATION: The proposed rule to amend the regulations on noncompetitive coal lease modification and coal lease acreage limitations was published on January 18, 2002 (67 FR 2618). Through a printing error, the version that appeared in the **Federal Register** did not include a proposed amendment of 43 CFR 3472.1-3(a)(1), and, because the printing error also omitted a section heading, did not make it clear in the regulatory text that paragraph (a)(2) that we were amending was in section

3472.1-3 as well. A correction notice appeared in the **Federal Register** on January 29, 2002 (67 FR 4316).

Further, the January 18, 2002, proposed rule incorrectly stated the amendment of section 3472.1-3(a)(2) required by the Act of November 7, 2000 (30 U.S.C. 184(a)). It should have provided that the figure "100,000 acres" be replaced wherever it appears in section 3472.1-3(a)(2) by the figure "150,000 acres," and that the operative date "August 4, 1976," be changed to "November 7, 2000."

Because of the error, and for your convenience, we are reproducing the entire corrected regulatory text of the proposed rule in this correction and extension notice. This will reduce the confusion that may occur due to the succession of fragmentary notices relating to this proposed rule. For the explanatory material in the preamble of the proposed rule, you should refer to the January 18, 2002, proposed rule (67 FR 2618).

Accordingly, the regulatory text of the proposed rule amending 43 CFR 3432.3 is republished, and the regulatory text amending 43 CFR 3472.1-3(a)(2) is corrected to read as follows:

Dated: March 26, 2002.

Rebecca W. Watson,
Assistant Secretary of the Interior.

- II. Why Is BLM Reopening the Comment Period?

I. How Can I Comment on the Proposed Rule?

A. How do I Comment on the Proposed Rule?

If you wish to comment, you may submit your comments by either of these methods.

- You may mail comments to Director (630), Bureau of Land Management, Administrative Record, Eastern States Office, 7450 Boston Boulevard, Springfield, Virginia 22153, Attention: RIN 1004-AD44.

- You may deliver comments to Room 401, 1620 L Street, NW., Washington, DC 20036.

- (D) Reference the specific section or paragraph of the proposal you are addressing.

We welcome suggested regulatory language.

BLM may not necessarily consider or include in the Administrative Record for the final rule comments that BLM receives after the close of the comment period (see **DATES**) or comments delivered to an address other than those listed above (see **ADDRESSES**).

B. May I Review Comments Submitted by Others?

You may review comments, including names and street addresses of respondents, at the address listed under **ADDRESSES**. Personal or messenger delivery" during regular business hours (7:45 a.m. to 4:15 p.m.), Monday through Friday, except holidays.

Individual respondents may request confidentiality, which we will honor to the extent allowable by law. If you wish to withhold your name or address, except for the city or town, you must state this prominently at the beginning of your comment. We will make all submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, available for public inspection in their entirety.

II. Why Is BLM Reopening the Comment Period?

On February 1, 2002, the Department of the Interior reopened the comment period on this rule for 14 days (see 66 FR 4940). We did this because BLM was unable to receive internet mail from the public between December 4, 2001, and February 19, 2002 and because mail delivery to the Department was disrupted during the original comment period for this proposed rule. Although we recently reopened the comment period for 14 days (which ended on February 15, 2002) this may not have allowed the public sufficient additional time to comment. Given continued interest in many aspects of this rulemaking we decided it is in the public interest to open the comment period for an additional 30 days. We continue to be interested in comments on the following topics:

- Whether we should amend the regulations regarding BLM's relationship to states and the delegations these rules provide.
- The current availability of financial guarantees to assure the performance of reclamation and the availability of additional means to provide sound and reliable financial guarantees.
- Whether BLM should always perform a validity examination before approving a plan of operations on withdrawn lands.

- Whether we should add a specific reference to cave resources in the performance standards.

- Whether the 3809 regulations contain other provisions which are either overly burdensome or fail to provide adequate environmental protection.

We may address these issues and others in a future proposed rule.

We also continue to seek comments on other aspects of the surface management regulations.

Dated: March 27, 2002.

Rebecca W. Watson,

Assistant Secretary, Land and Minerals Management.
