Foster Grandparent Program; Amendments

AGENCY: Corporation for National and Community Service.

ACTION: Proposed rule.

SUMMARY: These amendments to the Final Regulation governing the Foster Grandparent Program include: providing increased flexibility to sponsors to determine the hours of service of Foster Grandparents; reducing restrictions on sponsors serving as

volunteer stations; clarifying what income should be counted for purposes of determining income eligibility of an applicant to become a stipended Foster Grandparent; and improving access of persons with limited English speaking proficiency.

DATES: Submit comments on or before June 17, 2002.

ADDRESSES: Send comments to the Corporation for National and Community Service, National Senior Service Corps, Attn: Mr. Peter L. Boynton, 9th Floor, 1201 New York Avenue, NW, Washington, DC 20525. Comments may be e-mailed to Pboynton@cns.gov.

SUPPLEMENTARY INFORMATION:

Background

The Final Regulation that is the subject of this amendment implemented changes to the Domestic Volunteer Service Act of 1973, as amended, and established or clarified minimum program requirements. The following changes to the Final Regulation are being proposed:

(1) Section 2552.23(c)(2)(iv) provides that the Memorandum of Understanding between a sponsor and a volunteer station must contain an assurance that the volunteer station will not discriminate against Foster Grandparents or in the operation of its station. Executive Order 13166 issued August 11, 2000, requires that each Federal agency develop a plan to improve access to its programs by eligible persons who, as a result of national origin, are limited in their English proficiency. The intent of the proposed amendment is to improve access of persons with limited English proficiency.

(2) Section 2552.42(b) provides that annual income is counted for the past 12 months. As currently worded, this applies equally to new applicants to the program as well as those who continue in service. However, in the case of new applicants to become stipended Foster Grandparents, the Corporation intends that sponsors use the applicant's projected income over the following 12 months to determine eligibility. This amendment would permit additional recent retirees, or others whose household income has been reduced within the past 12 months, to serve as Foster Grandparents.

(3) Section 2552.51 provides that a Foster Grandparent must serve a

minimum of nine months a year for an average of 20 hours of service per week and a maximum of 1044 hours per year. The proposed amendment would allow Foster Grandparent Program sponsors increased flexibility in determining the hours of service for Foster Grandparents in accordance with local needs, within a range of from 15 to 40 hours per week, subject to a maximum of 2088 hours per year.

(4) Section 2552.61 details conditions in which a Foster Grandparent Program sponsor may serve as a volunteer station. The Corporation believes these conditions should be expanded. Since each sponsor currently submits workplans with its grant applications for approval by the Corporation State Office, the Corporation believes the review of these workplans provides sufficient basis for deciding the appropriateness of a given sponsor serving as a volunteer station. The proposed amendment would permit a sponsor to serve as a volunteer station provided that this is part of a workplan submitted with the application.

Synopsis of the Notice of Proposed Rulemaking

1. This Notice of Proposed Rulemaking ("NPRM") was initiated based on the record developed in the Notice of Inquiry ("NOI") proceeding initiated in GN Docket No. 00-185 in September 2000. The NOI pleading cycle, in which interested parties ("commenters") could file pleadings, ended in January 2001.

2. This NPRM concerns cable modem service, which is a high-speed (or "broadband") Internet access service provided to residential subscribers over cable system facilities. The Commission found in a Declaratory Ruling accompanying the NPRM that cable modem service is an information service as that term is defined in Section 3(20) of the Communications Act of 1934, as amended ("the 1934 Act"), 47 U.S.C. 153(20). The NPRM addresses a number of possible consequences of the Commission's classification of cable modem service as an information service. The following paragraphs
