

promote the non-use of all tobacco products. In addition, Public Law 103-227, the Pro-Children Act of 1994, prohibits smoking in certain facilities (or in some cases, any portion of a facility) in which regular or routine education, library, day care, health care, or early childhood development services are provided to children. This is consistent with the PHS mission to protect and advance the physical and mental health of the American people.

Executive Order 12372: Applications submitted in response to the FY 2002 activity listed above are subject to the intergovernmental review requirements of Executive Order 12372, as implemented through DHHS regulations at 45 CFR Part 100. E.O. 12372 sets up a system for State and local government review of applications for Federal financial assistance. Applicants (other than Federally recognized Indian tribal governments) should contact the State's Single Point of Contact (SPOC) as early as possible to alert them to the prospective application(s) and to receive any necessary instructions on the State's review process. For proposed projects serving more than one State, the applicant is advised to contact the SPOC

of each affected State. A current listing of SPOCs is included in the application guidance materials. The SPOC should send any State review process recommendations directly to: Division of Extramural Activities, Policy, and Review, Substance Abuse and Mental Health Services Administration, Parklawn Building, Room 17-89, 5600 Fishers Lane, Rockville, Maryland 20857.

The due date for State review process recommendations is no later than 60 days after the specified deadline date for the receipt of applications. SAMHSA does not guarantee to accommodate or explain SPOC comments that are received after the 60-day cut-off.

Dated: April 24, 2002.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Substance Abuse and Mental Health Services Administration

Fiscal Year (FY) 2002 Funding Opportunities

AGENCY: Substance Abuse and Mental Health Services Administration, DHHS.

ACTION: Notice of funding availability.

SUMMARY: The Substance Abuse and Mental Health Services Administration (SAMHSA) Center for Mental Health Services (CMHS) announces the availability of FY 2002 funds for grants for the following activity. This notice is not a complete description of the activity; potential applicants must obtain a copy of the Guidance for Applicants (GFA), including Part I, Workforce Training Grants to Reduce Racial and Ethnic Disparities in Mental Health Services (SM 02-005), and Part II, General Policies and Procedures Applicable to all SAMHSA Applications for Discretionary Grants and Cooperative Agreements, before preparing and submitting an application.

Activity	Application deadline	Est. funds FY 2002	Est. No. of awards	Project period (years)
Workforce Training Grants to Reduce Racial and Ethnic Disparities in Mental Health Services.	June 19, 2002	\$1,600,000	4	3

The actual amount available for the award may vary, depending on unanticipated program requirements and the number and quality of applications received. FY 2002 funds for the activity discussed in this announcement were appropriated by the Congress under Public Law 106-310. SAMHSA's policies and procedures for peer review and Advisory Council review of grant and cooperative agreement applications were published in the **Federal Register** (Vol. 58, No. 126) on July 2, 1993.

General Instructions: Applicants must use application form PHS 5161-1 (Rev. 7/00). The application kit contains the two-part application materials (complete programmatic guidance and instructions for preparing and submitting applications), the PHS 5161-1 which includes Standard Form 424 (Face Page), and other documentation and forms. Application kits may be obtained from: Knowledge Exchange Network, P.O. Box 42490, Washington, DC 20015, 800-789-2647.

The PHS 5161-1 application form and the full text of the activity are also

available electronically via SAMHSA's World Wide Web Home Page: <http://www.samhsa.gov>.

When requesting an application kit, the applicant must specify the particular activity for which detailed information is desired. All information necessary to apply, including where to submit applications and application deadline instructions, are included in the application kit.

Purpose: The Substance Abuse and Mental Health Services Administration (SAMHSA), Center for Mental Health Services (CMHS) announces the availability of fiscal year 2002 funds for up to four grants to develop, implement, document, and evaluate training programs designed to enhance the ability of mental health providers to provide culturally and linguistically appropriate services to racial and ethnic minorities. By implementing this program, CMHS plans to identify effective "workforce training" models that improve the capacity of the mental health workforce and the mental health system to engage, treat, and support racial and ethnic minority persons with

mental illnesses or serious emotional disturbance.

Eligibility: Applications may be submitted by units of State and local or Indian tribal governments, universities and colleges, and domestic private organizations, health care delivery systems, consumer and family organizations, tribal organizations and others.

Minority-based non-profit organizations are encouraged to apply.

- These include:
- Organizations and agencies serving bilingual/bicultural racial and ethnic minority populations.
 - Historically Black Colleges and Universities.
 - Tribal Colleges and Universities.
 - Hispanic Association of Colleges and University members.

Availability of Funds: Approximately \$1.6 million will be available for four Workforce training grant awards. The average annual award will range from \$300,000 to \$400,000 in total costs (direct and indirect). Actual funding levels will depend on the availability of funds.

Period of Support: Grant support may be requested for a period of 3 years (in three separate 1-year budgets). Annual continuation awards depend on the availability of funds and progress achieved.

Criteria for Review and Funding

General Review Criteria: Competing applications requesting funding under this activity will be reviewed for technical merit in accordance with established PHS/SAMHSA peer review procedures. Review criteria that will be used by the peer review groups are specified in the application guidance material.

Award Criteria for Scored Applications: Applications will be considered for funding on the basis of their overall technical merit as determined through the peer review group and the appropriate National Advisory Council review process. Availability of funds will also be an award criteria. Additional award criteria may be included in the application guidance materials.

Catalog of Federal Domestic Assistance Number: 93.243.

Program Contact: For questions concerning program issues, contact: Kana Enomoto, Public Health Advisor, Center for Mental Health Services, Substance Abuse and Mental Health Services Administration, 5600 Fishers Lane, Room 11C-25, Rockville, MD 20857, (301) 443-9324, E-mail: kenomoto@samhsa.gov.

For questions regarding grants management issues, contact: Steve Hudak, Grants Management Specialist, Division of Grants Management, Substance Abuse and Mental Health Services Administration, 5600 Fishers Lane 13-103, Rockville, MD 20857, (301) 443-9666, E-Mail: shudak@samhsa.gov.

Public Health System Reporting Requirements: The Public Health System Impact Statement (PHSIS) is intended to keep state and local health officials apprized of proposed health services grant and cooperative agreement applications submitted by community-based nongovernmental organizations within their jurisdictions.

Community-based nongovernmental service providers who are not

transmitting their applications through the State must submit a PHSIS to the head(s) of the appropriate State and local health agencies in the area(s) to be affected not later than the pertinent receipt date for applications. This PHSIS consists of the following information:

- a. A copy of the face page of the application (Standard form 424).
- b. A summary of the project (PHSIS), not to exceed one page, which provides:
 - (1) A description of the population to be served.
 - (2) A summary of the services to be provided.
 - (3) A description of the coordination planned with the appropriate State or local health agencies.

State and local governments and Indian Tribal Authority applicants are not subject to the Public Health System Reporting Requirements. Application guidance materials will specify if a particular activity is subject to the Public Health System Reporting Requirements.

PHS Non-use of Tobacco Policy Statement: The PHS strongly encourages all grant and contract recipients to provide a smoke-free workplace and promote the non-use of all tobacco products. In addition, Public Law 103-227, the Pro-Children Act of 1994, prohibits smoking in certain facilities (or in some cases, any portion of a facility) in which regular or routine education, library, day care, health care, or early childhood development services are provided to children. This is consistent with the PHS mission to protect and advance the physical and mental health of the American people.

Executive Order 12372: Applications submitted in response to the FY 2002 activity listed above are subject to the intergovernmental review requirements of Executive Order 12372, as implemented through DHHS regulations at 45 CFR Part 100. E.O. 12372 sets up a system for State and local government review of applications for Federal financial assistance. Applicants (other than Federally recognized Indian tribal governments) should contact the State's Single Point of Contact (SPOC) as early as possible to alert them to the prospective application(s) and to receive any necessary instructions on the State's

review process. For proposed projects serving more than one State, the applicant is advised to contact the SPOC of each affected State.
