SUPPLEMENTARY INFORMATION:

Title: Escrow Agreement for Postponed Exterior Onsite Improvements, VA Form 26-1849.

OMB Control Number: 2900-0320.

Type of Review: Extension of a currently approved collection.

Abstract: VA Form 26-1849 is provided as a service to veterans, builders/sellers, and escrow agents to use in situations involving escrows. A VA loan amount cannot exceed the reasonable value of the property as determined by the Secretary of Veterans Affairs. The reasonable value is predicated on the completion of all improvements. In certain circumstances, such as adverse weather or other specified unavoidable conditions, the completion of some improvements may have to be postponed. For these situations, VA has developed escrow procedures whereby a builder/seller deposits at least one and one-half times the cost of completing the improvements into an escrow account held by a third party. The funds can only be used for the purpose of finishing the postponed improvements and are released when the improvements have been completed. These escrow procedures provide incentive to builder/sellers to complete all postponed improvements and are standard

practices in both the real estate and mortgage lending fields.

b. Withdrawal of Services by a Representative.

c. Filing of Representative's Fee Agreements and Motions for Review of Such Agreements.

d. Motion for Review of Representative's Charges for Expenses.

e. Request for Changes in Hearing Date.

f. Motion for Reconsideration.

OMB Control Number: 2900-0085.

Type of Review: Extension of a currently approved collection.

Abstract:

a. *Appeal to Board of Veterans' Appeals, VA Form 9:* May be used by appellants to complete their appeal to the Board of Veterans' Appeals (BVA) from a denial of VA benefits. The information is used by BVA to identify the issues in dispute and prepare a decision responsive to the appellant's contentions and the legal and factual issues raised.

b. *Withdrawal of Services by a Representative:* When the appellant's representative withdraws from a case, both the appellant and the BVA must be informed so that the appellant's rights may be adequately protected and so that the BVA may meet its statutory obligations to provide notice to the current representative.

c. *Filing of Representative's Fee Agreements and Motions for Review of Such Agreements:* Agreements for fees charged by individuals or organizations for representing claimants and appellants before VA are filed with, and reviewed by, the Board of Veterans' Appeals. The information is used to determine whether such fees are excessive or unreasonable.

d. *Motion for Review of Representative's Charges for Expenses:* Expense reimbursements claimed by individuals and organizations for representing claimants and appellants before VA have been monitored for fairness for many years. The information is used to review changes by claimants' representatives for expenses to afford protection to such claimants from overreaching by unscrupulous representatives, to monitor fees charged by representatives, and to ensure that fee limitations are not avoided by mischaracterizing fees as expenses.

e. *Request for Changes in Hearing Date:* VA provides hearings to

appellants and their representatives, as required by basic Constitutional due process and by Title 38 U.S.C. 7107(b). From time to time, hearing dates and/or times are changed, hearing requests withdrawn and new hearings requested after appellants fail to appear at a scheduled hearing. The information is used to comply with the appellants' or their representatives' requests.

f. Motion for Reconsideration: Decisions by BVA are final unless the Chairman orders reconsideration of the decision either on the Chairman's initiative, or upon motion of a claimant. The Board Chairman, or his designee, uses the information in deciding whether reconsideration of a Board decision should be granted.
