Abstract

a. VA operates an outreach services program to ensure veterans and beneficiaries have information about benefits and services to which they may be entitled. To support the program, VA distributes copies of publications to veterans service organizations' representatives to use in rendering

services and representation of veterans, their spouses and dependents. The information collected on VA Form 3215 is used to process a request from a service organization to be placed on the mailing list for specific VA publications.

b. VA Form Letter 70-2 is used to obtain additional information from a correspondent when the incoming correspondence does not provide sufficient information to identify a veteran. VA personnel use the information to identify the veteran, determine the location of a specific file, and to accomplish the action requested by the correspondent such as; process a benefit claim or file material in the individual's claims folder. Completion of the form is voluntary and failure to furnish the requested information has no adverse effect on either the veteran or the correspondent.

c. VA Form 3288 is completed by veterans or beneficiaries to provide VA with a written consent to release records or information to third parties such as insurance companies, physicians and other individuals.

d. Title 38, U.S.C., 5701(f)(1) authorizes VA to disclose mailing lists of veterans and their dependents to nonprofit organizations, but only for certain specific and narrow purposes. Criminal penalties are provided for improper use of the list by the organization in violation of subsection (f) limitations. The information collection in this regulation ensures that any disclosure of a list under this subsection is authorized by law. VA must ascertain that the applicant is a nonprofit organization and intends to use the list for a proper purpose; if not, Title 38, U.S.C., 5701(a) prohibits disclosure.

Affected Public: Individuals or households, not for profit institutions, and State, local or tribal government.
