### Acquisition Regulation: Empower Procurement Officials and Miscellaneous Technical Amendments

**AGENCY:** Environmental Protection Agency.

**ACTION:** Direct final rule.

**SUMMARY:** The Environmental Protection Agency (EPA) is issuing this rule to amend the EPA Acquisition Regulation (EPAAR) to eliminate higher level reviews (in certain situations) which may delay timely service to customers and which are unnecessary given the fact that the qualified individuals most familiar with a contracting action should have the authority and responsibility for making decisions relating to that action. In addition, certain technical amendments are being made to add procedures for class deviations, to revise definitions, and to clarify regulations.

**DATES:** This rule is effective on May 6, 2002, without further notice, unless

EPA receives adverse comments by March 6, 2002. If we receive adverse comments, we will, before the rule's effective date, publish a timely withdrawal in the **Federal Register** informing the public that this rule will not take effect.

**ADDRESSES:** Comments may be submitted to: Larry Wyborski, U.S. Environmental Protection Agency, Office of Acquisition Management, Mail Code 3802R, 1200 Pennsylvania Avenue, NW, Ariel Rios Building, Washington, DC 20460.

### FOR FURTHER INFORMATION CONTACT:

Larry Wyborski, U.S. Environmental Protection Agency, Office of Acquisition Management, Mail Code 3802R, 1200 Pennsylvania Avenue, NW, Ariel Rios Building, Washington, DC 20460. Telephone: (202) 564-4369.

### SUPPLEMENTARY INFORMATION:

#### A. Background

EPA's Office of Acquisition Management conducted an internal assessment of its organization and determined that in some situations there were too many levels of review required prior to making contract awards and other contract-related decisions. Consequently, steps were taken to revise internal policies, including issuance of an EPAAR class deviation dated May 30, 2001, to eliminate certain higher level reviews and give authority and responsibility for making decisions relating to contract actions to the qualified individuals most familiar with the contracting action (i.e., empowerment.) This rule incorporates the EPAAR class deviation dated May 30, 2001, which made the necessary empowerment changes to the EPAAR on an interim basis. This rule is being issued as a direct final rule because the changes being made are not considered controversial and adverse comments are not expected.

#### B. Executive Order 12866

This is not a significant regulatory action for the purposes of Executive Order 12866; therefore, no review is required by the Office of Information and Regulatory Affairs, within the Office of Management and Budget (OMB).

#### C. Paperwork Reduction Act

The Paperwork Reduction Act does not apply because this rule does not contain information collection requirements that require the approval of OMB under the Paperwork Reduction Act of 1980 (44 U.S.C. 3501 *et seq.*).
