Defense Science Board

AGENCY: Department of Defense.

ACTION: Notice of Advisory Committee meeting.

SUMMARY: The Defense Science Board Task Force on Unexploded Ordinance (UXO) will meet in closed session on October 30-31, 2002; November 21-22, 2002; and December 3-5, 2002, at SAIC, Inc., 4001 N. Fairfax Street, Arlington, VA. This Task Force will review modern technology that can be exploited or developed to reduce the extremely high cost of UXO clean up.

The mission of the Defense Science Board is to advise the Secretary of Defense and the Under Secretary of Defense for Acquisition, Technology & Logistics on scientific and technical matters as they affect the perceived needs of the Department of Defense. At this meeting, the Defense Science Board Task Force will review and evaluate the Department's ability to exploit modern technology to reduce the extremely high cost of UXO clean up and improve its effectiveness for both contaminated land and water ranges and help accomplish the job in a reasonable time; and science and technologies that can be developed to support and sustain continued live fire training and testing of munitions at ranges across the United States with an acceptable environmental impact.

In accordance with section 10(d) of the Federal Advisory Committee Act, Pub. L. No. 92-463, as amended (5 U.S.C. App. II), it has been determined that this Defense Science Board Task Force meeting concerns matters listed in 5 U.S.C. 552b(c)(1), and that, accordingly, the meeting will be closed to the public.

Defense Science Board

Office of the Secretary

AGENCY: Department of Defense.

ACTION: Notice of Advisory Committee meeting.

SUMMARY: The Defense Science Board Task Force on Seabasing will meet in closed session on November 5-6, 2002, and November 18-19, 2002, at Strategic Analysis, Inc., 3601 Wilson Boulevard, Arlington, VA. The Task Force will assess how seabasing of expeditionary forces can best serve the nation's defense needs through at least the first half of the 21st century.

The mission of the Defense Science Board is to advise the Secretary of Defense and the Under Secretary of Defense for Acquisition, Technology & Logistics on scientific and technical matters as they affect the perceived needs of the Department of Defense. At these meetings, the Defense Science Board Task Force will examine the broadest range of alternatives for seabasing of expeditionary forces and be guided by: the expected naval environment for the next 20-50 years; the role of naval forces in enabling access for joint forces through the world's littorals; assets and technologies needed to establish a robust and capable Enhanced Networked Seabase; the timing of the acquisition of the technologies, platforms and systems which replace the legacy systems; and the function of new hardware and opportunities to reallocate functionality to improve effectiveness, or efficiency, or economy.

In accordance with section 10(d) of the Federal Advisory Committee Act, Pub. L. No. 92-463, as amended (5 U.S.C. App. II), it has been determined that these Defense Science Board Task Force meetings concern matters listed in 5 U.S.C. 552b(c)(1) and that, accordingly, these meetings will be closed to the public.

Notice of Proposed Information Collection Requests

AGENCY: Department of Education.

ACTION: Notice.

SUMMARY: The Leader, Regulatory Management Group, Office of the Chief Information Officer, invites comments on the proposed information collection requests as required by the Paperwork Reduction Act of 1995.

DATES: Interested persons are invited to submit comments on or before December 16, 2002.

SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) requires that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. OMB may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The Leader, Regulatory Management Group, Office of the Chief Information Officer, publishes that notice containing proposed information collection requests prior to submission of these requests to OMB. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g. new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or Recordkeeping burden. OMB invites public comment.

The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology.

Dated: October 11, 2002.
