[Project No. 2042]

Public Utility District No. 1 of Pend Oreille County; Notice of Authorization for Continued Project Operation

February 20, 2002.

On January 21, 2000, Public Utility District No. 1 of Pend Oreille County, licensee for the Box Canyon Project No. 2042, filed an application for a new or subsequent license pursuant to the Federal Power Act (FPA) and the Commission's regulations thereunder. Project No. 2042 is located on the Pend Oreille River in Pend Oreille County, Washington and Bonner County, Idaho.

The license for Project No. 2042 was issued for a period ending January 31, 2002. Section 15(a)(1) of the FPA, 16 U.S.C. 808(a)(1), requires the Commission, at the expiration of a license term, to issue from year to year an annual license to the then licensee under the terms and conditions of the prior license until a new license is issued, or the project is otherwise disposed of as provided in Section 15 or any other applicable section of the FPA. If the project's prior license waived the applicability of Section 15 of the FPA, then, based on Section 9(b) of the Administrative Procedure Act, 5 U.S.C. 558(c), and as set forth at 18 CFR 16.21(a), if the licensee of such project has filed an application for a subsequent license, the licensee may continue to operate the project in accordance with the terms and conditions of the license after the minor or minor part license expires, until the Commission acts on its application. If the licensee of such a project has not filed an application for a subsequent license, then it may be required, pursuant to 18 CFR 16.21(b), to continue project operations until the Commission issues someone else a license for the project or otherwise orders disposition of the project.

If the project is subject to Section 15 of the FPA, notice is hereby given that an annual license for Project No. 2042 is issued to Public Utility District No. 1 of Pend Oreille County for a period effective February 1, 2002, through January 31, 2003, or until the issuance

of a new license for the project or other disposition under the FPA, whichever comes first. If issuance of a new license (or other disposition) does not take place on or before February 1, 2003, notice is hereby given that, pursuant to 18 CFR 16.18(c), an annual license under Section 15(a)(1) of the FPA is renewed automatically without further order or notice by the Commission, unless the Commission orders otherwise.

If the project is not subject to Section 15 of the FPA, notice is hereby given that Public Utility District No. 1 of Pend Oreille County is authorized to continue operation of the Box Canyon Project No. 2042 until such time as the Commission acts on its application for subsequent license.

February 21, 2002.

Take notice that on February 13, 2002, Viking Gas Transmission Company (Viking) tendered for filing as part of its FERC Gas Tariff, First Revised Volume No. 1, the following tariff sheets to become effective March 1, 2002:

1st Rev. Twenty-Seventh Revised Sheet No. 6
1st Rev. Twentieth Revised Sheet No. 6A
1st Rev. Eleventh Revised Sheet No. 6B

Viking states that the purpose of this filing is to make Viking's annual adjustment to its Fuel and Loss Retention Percentages (FLRP) in accordance with section 154.403 of the Commission's rules and regulations, 18 CFR 154.403 (2001) and section 26 of the General Terms and Conditions of Viking's FERC Gas Tariff. Application of section 26 of Viking's tariff results in the following new Fuel and Loss Retention Percentages for Rate Schedules FT-A, FT-B, FT-C, FT-D, IT and AOT respectively: 1.18 percent for Zone 1-1, 1.42 percent for Zone 1-2, and .33 percent for Zone 2-2. In addition, Viking is respectfully seeking waiver of section 26 of its FERC Gas Tariff in order to place the new FLRPs into effect on March 1, 2002 rather than on April 1, 2002 so as to provide the benefits of reduced FLRPs to Viking's shippers one month earlier.

If the Commission declines to grant Viking's request, then Viking respectfully submits for filing the tariff sheet listed below to be part of its FERC Gas Tariff, First Revised Volume No. 1 to be effective on April 1, 2002:

Alt. 1st Rev. Twenty-Seventh Revised Sheet No. 6
Alt. 1st Rev. Twentieth Revised Sheet No. 6A
