

section 1137 of the Social Security Act (42 U.S.C. 1320b-7).

#### *D. Records To Be Matched*

The systems of records maintained by the respective agencies under the Privacy Act of 1974, as amended, 5 U.S.C. 552a, from which records will be disclosed for the purpose of this computer match are as follows:

1. Federal, but not State, agencies must publish system notices for "systems of records" pursuant to subsection (e)(4) of the Privacy Act and must identify "routine uses" pursuant to subsection (b)(3) of the Privacy Act for those systems of records from which they intend to disclose this information. The DoD system of records described below contains an appropriate routine use proviso, which permits disclosure of information by DMDC to ACF and the SPAAs.

2. DoD will use personal data from the record system identified as S322.10 DMDC, entitled "Defense Manpower Data Center Base," last published in the **Federal Register** at 66 FR 29552, May 31, 2001.

3. DHHS will be disclosing to DMDC personal data it has collected from the SPAAs. No information will be disclosed from systems of records that ACF operates and maintains. DHHS will be disclosing to the SPAAs personal data it has received from DMDC. The DMDC supplied matched data will be disclosed by ACF pursuant to the DoD routine use.

#### *E. Description of Computer Matching Program*

ACF, as the source agency, will collect from the SPAAs electronic files containing the names and other personal identifying data of eligible public assistance beneficiaries. ACF will coordinate the input obtained from the SPAAs and will provide DMDC with similarly formatted electronic data files, which contain the names of individuals receiving public assistance benefits, and which can be processed as a single file. Upon receipt of the electronic files of SPAA beneficiaries, DMDC will perform a computer match using all nine digits of the SSN of the ACF/SPAA file against a DMDC computer database. The DMDC database consists of personnel records of non-postal Federal civilian employees and military members, both active and retired.

The "hits" or matches will be furnished by DMDC to ACF, who in turn, will disclose to the SPAAs any matched information pertaining to individuals receiving benefits from that State.

1. The electronic files provided by ACF and the SPAAs will contain data elements of the client's name, SSN, date of birth, address, sex, marital status, number of dependents, information regarding the specific public assistance benefit being received, and such other data as considered necessary and on no more than 10,000,000 public assistance beneficiaries.

2. The DMDC computer database file contains approximately 4.53 million records of active duty and retired military members, including the Reserve and Guard, and approximately 3.45 million records of active and retired non-postal Federal civilian employees.

3. DMDC will match the SSN on the ACF/SPAA file by computer against the DMDC database. Matching records, "hits" based on SSNs, will produce data elements of the individual's name; SSN; active or retired; if active, military service or employing agency, and current work or home address, and such.

#### *F. Inclusive Dates of the Matching Program*

The effective date of the matching agreement and date when matching may actually begin shall be at the expiration of the 40-day review period for OMB and Congress, or 30 days after publication of the matching notice in the **Federal Register**, whichever date is later. The parties to this agreement may assume OMB and Congressional concurrence if no comments are received within 40 days of the date of the transmittal letter. The 40-day OMB and Congressional review period and the mandatory 30-day public comment period for the **Federal Register** publication of the notice will run concurrently. By agreement between DHHS and DoD, the matching program will be in effect for 18 months with an option to renew for 12 additional months unless one of the parties to the agreement advises the other by written request to terminate or modify the agreement.
