

**Currency Conversion**

We made currency conversions into U.S. dollars in accordance with section

773A(a) of the Act based on the exchange rates in effect on the dates of the U.S. sales as reported by the Federal Reserve Bank.

**Preliminary Results of Review**

We preliminarily find the following weighted-average dumping margins:

Exporter/manufacturer	Weighted-average margin percentage
Isibars Limited .....	11.26
Mukand, Ltd .....	21.02
Venus Wire Industries Limited .....	0.0 ( <i>de minimis</i> )
Viraj Group, Ltd .....	0.04 ( <i>de minimis</i> )

**Assessment Rates**

Pursuant to 19 CFR 351.212(b), the Department calculates an assessment rate for each importer of the subject merchandise for each respondent. Upon issuance of the final results of this administrative review, if any importer-specific assessment rates calculated in the final results are above *de minimis* (i.e., at or above 0.5 percent), the Department will issue appraisal instructions directly to the Customs Service to assess antidumping duties on appropriate entries. To determine whether the duty assessment rates covering the period were *de minimis*, in accordance with the requirement set forth in 19 CFR 351.106(c)(2), for each respondent we calculate importer (or customer)-specific *ad valorem* rates by aggregating the dumping margins calculated for all U.S. sales to that importer (or customer) and dividing this amount by the total value of the sales to that importer (or customer). Where an importer (or customer)-specific *ad valorem* rate is greater than *de minimis*, we calculate a per unit assessment rate by aggregating the dumping margins calculated for all U.S. sales to that importer (or customer) and dividing this amount by the total quantity sold to that importer (or customer). We have calculated a per unit assessment rate for CEP sales because we did not have reliable entered values to calculate an assessment rate. See, *Viraj Calculation Memorandum* for further details.

All other entries of the subject merchandise during the POR will be liquidated at the antidumping duty rate in place at the time of entry.

The Department will issue appropriate assessment instructions directly to the Customs Service within 15 days of publication of the final results of this review.

**Cash Deposit Rates**

The following deposit requirements will be effective upon publication of the final results of this administrative review for all shipments of SSB from India entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided for by

section 751(a)(1) of the Act: (1) The cash deposit rates for the reviewed companies will be the rate established in the final results of this review, except if the rate is less than 0.50 percent, and therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) if the exporter is not a firm covered in this review, but was covered in a previous review or the original LTFV investigation, the cash deposit rate will continue to be the company-specific rate published for the most recent period; and (3) the cash deposit rate for all other manufacturers and/or exporters of this merchandise, shall be 12.45 percent, the "all others" rate established in the LTFV investigation (see 59 FR 66915, December 28, 1994).

These requirements, when imposed, shall remain in effect until publication of the final results of the next administrative review.

**Public Comment**

Any interested party may request a hearing within 30 days of publication of this notice. A hearing, if requested, will be held 37 days after the publication of this notice, or the first business day thereafter. Interested parties may submit case briefs within 30 days of the date of publication of this notice. Rebuttal briefs, which must be limited to issues raised in the case briefs, may be filed not later than 35 days after the date of publication of this notice. The Department will issue the final results of this administrative review, which will include the results of its analysis of issues raised in any such comments, within 120 days of publication of the preliminary results.

**Notification to Importers**

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that

reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

**Notification Regarding APOs**

This notice also serves as a reminder to parties subject to administrative protective orders ("APO") of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305, that continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

This administrative review and notice are in accordance with sections 751(a)(1) and 777(i)(1) of the Act.
