The Committee was established pursuant to section 11 of the National Construction Safety Team Act (15 U.S.C. 7310). Two additional members may be appointed at a later date. The Committee will advise the Director of NIST on carrying out investigations of building failures conducted under the authorities of the NCST Act that became law in October 2002 and will review the procedures developed to implement the NCST Act and reports issued under section 8 of the NCST Act.

The purpose of this meeting is to brief the Committee on the objectives and duties of the Committee as well as to provide an update on the two major investigations that NIST is currently conducting under the Act. Questions from the public will not be considered during this period.

The closed portion of the meeting is scheduled to begin at 8:30 a.m. and to end at noon on April 30, 2003. All other portions of the meeting will be open to the public. The agenda may change to accommodate Committee business. The final agenda will be posted on the Web site (<http://www.ncstadvcom.gov>).
