Due to a delay in this notice being delivered to National Park Service staff during the holiday season, the notice could not be published at least 15 days prior to the meeting dates. The National Park Service regrets this error, but is compelled to hold the meeting as scheduled because of the significant sacrifice re-scheduling would require of committee members who have adjusted their schedules to accommodate the proposed meeting dates, and the high level of anticipation by all parties who will be affected by the outcome of the committee's actions. Since the proposed meeting dates have received widespread publicity in area news media and among the parties most affected, the National Park Service believes that the public interest will not be adversely affected by the less-than-15 days advance notice in the **Federal Register**.

Interested persons may make oral/written presentations to the Commission during the business meeting or file written statements. Such requests should be made to the park superintendent at least seven days prior to the meeting. Further information concerning the meeting may be obtained from the Superintendent, Cape Cod
