

China and the United States and the significant changes in China and the global community.

DATES: Effective May 6, 2003.

FOR FURTHER INFORMATION CONTACT: Frances Maki, Office of Procurement, Policy Division (M/OP/P) USAID, Washington, DC 20523-7801. Telephone: (202) 712-4978, facsimile (202) 216-3395, e-mail address: fmaki@usaid.gov.

SUPPLEMENTARY INFORMATION: This change is being published as a final rule since the regulation is being amended to reflect changes the Agency has already made to its internal policy documents. However, we welcome any comments from the public. This rule will not have an impact on a substantial number of small entities within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 601, *et seq.* and is not a major rule under 5 U.S.C. 804. This regulatory action was not subject to Office of Management and Budget review under Executive Order 12866, dated September 30, 1993.

List of Subjects in 22 CFR Part 228

Administrative practice and procedures, Commodity procurement, Grant programs—foreign relations.

■ Accordingly 22 CFR part 228 is amended as follows:

PART 228—[AMENDED]

■ 1. The authority citation continues to read as follows:

Authority: Sec. 621, Pub. L. 87-195, 75 Stat. 445 (22 U.S.C. 2381), as amended; E.O. 12163, Sept. 29, 1979; 44 FR 56673; 3 CFR 1979 Comp. p. 435.

Subpart A—Definitions and Scope of This Part

■ 2. In section 228.03 revise paragraphs (b) and (d) to read as follows:

§ 228.03 Identification of principal geographic code numbers.

* * * * *

(b) Code 899—Any area or country, except the cooperating country itself and the following foreign policy restricted countries: Cuba, Iraq, Iran, Laos, Libya, North Korea, and Syria.

* * * * *

(d) Code 941—The United States and any independent country (except foreign policy restricted countries) except the cooperating country itself and the following: Albania, Andorra, Angola, Armenia, Austria, Australia, Azerbaijan, Bahamas, Bahrain, Belgium, Bosnia and Herzegovina, Bulgaria, Belarus, Canada, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Gabon, Georgia, Germany,

Greece, Hong Kong, Hungary, Iceland, Ireland, Italy, Japan, Kazakhstan, Kuwait, Kyrgyzstan, Latvia, Liechtenstein, Lithuania, Luxembourg, Macedonia*, Malta, Moldova, Monaco, Mongolia, Montenegro*, Netherlands, New Zealand, Norway, People's Republic of China, Poland, Portugal, Qatar, Romania, Russia, San Marino, Saudi Arabia, Serbia*, Singapore, Slovak Republic, Slovenia, South Africa, Spain, Sweden, Switzerland, Taiwan*, Tajikistan, Turkmenistan, Ukraine, United Arab Emirates, United Kingdom, Uzbekistan, and Vatican City.

*Has the status of a "Geopolitical Entity", rather than as independent country.

Dated: April 11, 2003.

Timothy T. Beans,
Chief Acquisition Officer.

BILLING CODE 6116-01-P

DEPARTMENT OF LABOR

Mine Safety and Health Administration

30 CFR Part 36

Approval Requirements for Permissible Diesel-Powered Transportation Equipment

CFR Correction

In Title 30 of the Code of Federal Regulations, parts 1 to 199, revised as of July 1, 2002, the duplicated text from page 174 is removed and the following text is reinstated:

* * * * *

operator and protected by position from external damage. Liquid carbon dioxide extinguishers shall contain an active charge of not less than 4 pounds. Pressurized dry chemical extinguishers shall contain an active charge of not less than 2½ pounds.

§ 36.32 Electrical components and systems.

(a) Electrical components on mobile diesel-powered transportation equipment shall be certified or approved under Part 18, 20 or 27 of this chapter, as applicable, and shall bear the certification number assigned by MSHA.

(b) Electrical systems on mobile diesel-powered transportation equipment shall meet the requirements of Part 18 or 27 of this chapter, as applicable.

[47 FR 11372, Mar. 16, 1982]

§ 36.33 Headlights and fixtures.

(a) Headlights and lighting fixtures on mobile diesel-powered transportation equipment shall be protected from external damage by recessing them in the equipment frame, enclosing them within a shield of substantial construction, or by any other method that provides equivalent protection.

(b) Mobile diesel-powered transportation equipment shall be equipped with at least one headlight on each end.

[47 FR 11372, Mar. 16, 1982]

Subpart C—Test Requirements

§ 36.40 Test site.

Tests shall be conducted at MSHA's Diesel Testing Laboratory or other appropriate place(s) determined by MSHA.

[39 FR 24006, June 28, 1974, as amended at 43 FR 12318, Mar. 24, 1978]

§ 36.41 Testing methods.

Mobile diesel-powered transportation equipment submitted for certification and approval shall be tested to determine its combustion, explosion-proof, and other safety characteristics. MSHA shall prescribe the tests and reserves the right to modify the procedure(s) to attain these objectives (see § 36.20).

§ 36.42 Inspection.

A detailed inspection shall be made of the equipment and all components and features related to safety in operation. The inspection shall include:

(a) Investigating the materials, workmanship, and design to determine their adequacy.

(b) Checking the parts and assemblies against the drawings and specifications with respect to materials, dimensions, and locations to verify their conformance.

(c) Inspecting and measuring joints, flanges, and other possible flame paths in the intake and exhaust systems to determine whether they will prevent the issuance of flame or propagation of an internal explosion.

(d) Inspecting and measuring flame arresters to determine whether they will prevent the issuance of flame or propagation of an internal explosion.

§ 36.43 Determination of exhaust-gas composition.

(a) Samples shall be taken to determine the composition of the exhaust gas while the engine is operated at loads and speeds prescribed by MSHA to determine the volume of air (ventilation) required to dilute the exhaust gas (see § 36.45). The engine

shall be at temperature equilibrium before exhaust-gas samples are collected or other test data are observed. At all test conditions the intake mixture shall contain 1.5±0.1 percent, by volume, of Pittsburgh natural gas (see footnote 3) in the air. Test observations shall include the rate of fuel consumption, pressures, temperatures, and other data significant in the safe operation of diesel equipment.

(b) Exhaust-gas samples shall be analyzed for carbon dioxide, oxygen, carbon monoxide, hydrogen, methane, nitrogen, oxides of nitrogen, and aldehydes, or any other constituent prescribed by MSHA.

(c) The intake and exhaust systems shall be complete with all component equipment such as air cleaners, flame arresters, and exhaust cooling systems.

BILLING CODE 1505-01-D

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 165

[CGD05-03-040]

RIN 1625-AA00

Safety Zone; Chesapeake Bay, Norfolk, VA

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a safety zone for the Kiwanis Beach Club fireworks display to be held at the Ocean View Beach Park, 162 West Ocean View Avenue, Norfolk, Virginia. This action is intended to restrict vessel traffic on the Chesapeake Bay, within a 560-foot radius of a fireworks display. The fireworks will be launched from shore. The safety zone is necessary to protect mariners and spectators from the hazards associated with the fireworks display.

DATES: This rule is effective from 8 p.m. on May 9, 2003, until 11:59 p.m. on May 10, 2003.

ADDRESSES: Documents indicated in this preamble as being available in the docket are part of docket CGD05-03-040 and are available for inspection or copying at USCG Marine Safety Office Hampton Roads, 200 Granby Street, Suite 700, Norfolk, Virginia, 23510, between 9:30 a.m. and 2 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: LTJG Jay Davis, project officer, USCG Marine Safety Office Hampton Roads, telephone number (757) 668-5590.

SUPPLEMENTARY INFORMATION:

Regulatory Information

We did not publish a notice of proposed rulemaking (NPRM) for this regulation. Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing an NPRM. The event will take place between 8 p.m. and 11:59 p.m. and is expected to attract a large number of spectator craft near the event area. Due to the dangers posed by the fireworks display, it is in the public interest to have these regulations in effect during the event.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Spectators will be observing from both the shore and from vessels. Because of the hazards associated with the fireworks display, a limited access area is necessary to provide for the safety of spectators.

Background and Purpose

On May 9, 2003, the Kiwanis Beach Club fireworks display will be held at the Ocean View Beach Park, Norfolk, Virginia. Spectators will be observing from both the shore and from vessels. Due to the need for protection of mariners and spectators from the hazards associated with the fireworks display, vessel traffic will be temporarily restricted.

Discussion of Rule

The Coast Guard is establishing a safety zone on specified waters of the Chesapeake Bay. The regulated area will consist of a 560-foot radius zone extending around the fireworks launch point on the Ocean View Beach Park shoreline, approximately one half mile East of Harrison's Fishing Pier. The temporary regulations will be enforced from 8 p.m. to 11:59 p.m. eastern time May 9, 2003. In the event of rain canceling the fireworks on May 9, 2003, the temporary regulations will be enforced from 8 p.m. until 11:59 p.m. on May 10, 2003. General navigation in the safety zone will be restricted during the event. Except for participants and vessels authorized by the Coast Guard Patrol Commander, no person or vessel may enter or remain in the regulated area.

Regulatory Evaluation

This rule is not a "significant regulatory action" under section 3(f) of Executive Order 12866, Regulatory

Planning and Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of that Order. The Office of Management and Budget has not reviewed it under that Order. It is not "significant" under the regulatory policies and procedures of the Department of Homeland Security (DHS).

Although this regulation restricts access to the regulated area, the effect of this rule will not be significant because: (i) The COTP may authorize access to the safety zone; (ii) the safety zone will be in effect for a limited duration; and (iii) the Coast Guard will make notifications via maritime advisories so mariners can adjust their plans accordingly.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601-612), we have considered whether this rule would have a significant economic impact on a substantial number of small entities. The term "small entities" include small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

The Coast Guard certifies under 5 U.S.C. section 605(b) that this rule will not have a significant economic impact on a substantial number of small entities. This rule will affect the following entities, some of which may be small entities: the owners and operators of vessels intending to transit or anchor in that portion of the Chesapeake Bay from 8 p.m. to 11:59 p.m. on May 9, 2003, or May 10, 2003 if the rain date becomes necessary.

Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104-121), we offer to assist small entities in understanding the rule so that they can better evaluate its effects on them and participate in the rulemaking process. If the rule will affect your small business, organization, or government jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed under **FOR FURTHER INFORMATION CONTACT** for assistance in understanding this rule.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions
