SUPPLEMENTARY INFORMATION:

Title: Generic Clearance for the Veterans Health Administration Customer Satisfaction Surveys.

OMB Control Number: 2900-0570.

Type of Review: Extension of a currently approved collection.

Abstract: Executive Order 12862, Setting Customer Service Standards, requires Federal agencies and departments to identify and survey its customers to determine the kind and quality of services they want and their level of satisfaction with existing services. VHA uses customer satisfaction surveys to gauge customer perceptions of VA services as well as customer expectations and desires. The results of these information collections lead to improvements in the quality of VHA service delivery by helping to shape the direction and focus of specific programs and services.

Most customer satisfaction surveys will be recurring so that VHA can create ongoing measures of performance and to determine how well the agency meets customer service standards. The burden consists only of the information, which is essential to maintain the validity and support the goals of the Executive Order. VHA will use a variety of activities including focus groups and surveys to gauge customer perceptions of VA services as well as customer expectations and desires. If these surveys were not conducted or conducted less frequently, VA would not be responsive to the needs of the patient, be able to quickly correct quality of care issues or meet the needs of the veteran by quickly improving service.

An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. The **Federal Register** Notice with a 60-day comment period soliciting comments on this collection of information was published on January 30, 2003 on pages 4813–4814.

Affected Public: Individuals or households.

Estimated Annual Burden: 108,617 hours.

a. Special Emphasis Programs Conducted at Headquarters—72,882 hours.

b. Local Facilities Surveys (VA Medical Facilities)—35,735 hours.

Estimated Average Burden Per Respondent:

a. Special Emphasis Programs Conducted at Headquarters—18 minutes.

b. Local Facilities Surveys (VA Medical Facilities)—16 minutes.

Frequency of Response: Occasion.

Estimated Number of Respondents:

a. Special Emphasis Programs Conducted at Headquarters—241,312.

b. Local Facilities Surveys (VA Medical Facilities)—136,229.

Dated: April 22, 2003.

By direction of the Secretary.

IT Specialist, Records Management Service.

SUPPLEMENTARY INFORMATION:

Title: Statement of Holder or Servicer of Veteran’s Loan, VA Form 26–559.

OMB Control Number: 2900–0112.

Type of Review: Extension of a currently approved collection.

Abstract: Veteran-borrowers may sell their homes subject to the existing VA-guaranteed mortgage lien without prior approval of VA if the commitment for the loan was made prior to March 1, 1988. However, if they request for release from personal liability to the Government in the event of a subsequent default by a transferee, VA must determine that (1) loan payments are current; (2) the transferee will assume the veteran’s legal liabilities in connection with the loan; and (3) the purchaser qualifies from a credit standpoint. A veteran-borrower may sell his or her home to a veteran-transferee. However, eligible transferees must meet all the requirements in addition to having sufficient available loan guaranty entitlement to replace the amount of entitlement used by the seller in obtaining the original loan.
