II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Amex included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange is extending until May 31, 2003 the suspension of transaction charges in iShares Lehman 1-3 year Treasury Bond Fund (Symbol: SHY); iShares Lehman 7-10 year Treasury Bond Fund (Symbol: IEF); Treasury 10 FITR ETF (Symbol: TTE); Treasury 5 FITR ETF (TFI); Treasury 2 FITR ETF (TOU); and Treasury 1 FITR ETF (TFT) for specialist, Registered Trader and broker-dealer orders. The Exchange previously filed a suspension in such charges until November 30, 2002,³

December 13, 2002,⁴ January 31, 2003,⁵ February 28, 2003,⁶ March 31, 2003,⁷ and April 30, 2003.⁸

The Exchange believes a suspension of fees for these securities is appropriate to enhance the competitiveness of executions in these securities on the Amex. The Exchange will reassess the fee suspension as appropriate, and will file any modification to the fee suspension with the Commission pursuant to section 19(b)(3)(A) of the 1934 Act.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with section 6(b) of the Act⁹ in general, and furthers the objectives of section 6(b)(4)¹⁰ in particular, in that it provides for the equitable allocation of reasonable dues, fees and other charges among its members and other persons using its facilities.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

The Exchange has neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to section 19(b)(3)(A) of the Act¹¹ and Rule 19b-4(f)(6)¹² thereunder because the proposal: (i) Does not significantly affect the protection of investors or the public interest; (ii) does not impose any significant burden on competition; and (iii) does not become operative prior to 30 days after the date of filing or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest; provided that the Exchange has given the Commission notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such short time as designated by the Commission. At any time within 60 days of the filing of such proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors or otherwise in furtherance of the purposes of the Act.

The Amex has requested that the Commission waive the five-day pre-filing notice and the 30-day operative delay. The Commission believes that waiving the five-day pre-filing notice and the 30-day operative delay is consistent with the protection of investors and the public interest. The Commission notes that fee suspensions for the exchange-traded funds that are the subject of this filing have been previously filed with the Commission.¹³ Further, extension of the fee suspension for specialist, Registered Trader, and broker-dealer orders will permit the fee suspensions to continue uninterrupted. For these reasons, the Commission

Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549-0609. [Release No. 34-47862; File No. SR-Amex-2003-38]

Self-Regulatory Organizations; Notice of Filing and Immediate Effectiveness of Proposed Rule Change by the American Stock Exchange LLC Relating to the Withdrawal of Approval for Securities Underlying Options Traded on the Exchange

May 14, 2003.

Pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on May 1,

2003, the American Stock Exchange LLC ("Amex" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The proposed rule change has been filed by the Amex as a "non-controversial" rule change under Rule 19b-4(f)(6) under the Act.³ The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Amex proposes to amend Exchange Rule 916, which governs the withdrawal of approval for securities underlying options traded on the Exchange. Below is the text of the proposed rule change. Proposed new language is in *italics*.

* * * * *

Rule 916. Withdrawal of Approval of Underlying Securities
No Change
Commentary.

01 The Board of Governors has established guidelines to be considered by the Exchange in determining whether an underlying security previously approved for Exchange option transactions no longer meets its requirements for the continuance of such approval. Absent exceptional circumstances, with respect to items 1, 2, or 3 listed below, an underlying security will not be deemed to meet the Exchange's requirements for continued approval whenever any of the following occur:

1. There are fewer than 6,300,000 shares of the underlying security held by persons other than those who are required to report their security holdings under section 16(a) of the Securities Exchange Act of 1934.

2. There are fewer than 1,600 holders of the underlying security.

3. The trading volume (in all markets in which the underlying security is traded) was less than 1,800,000 shares in the preceding twelve months.

4. Subject to Commentary .02 below, the market price per share of the underlying security closed below \$3 on the previous trading day as measured by the highest closing price reported in the primary market (as that term is defined in Rule 900(26)) in which the underlying security traded.

5. The issuer has failed to make timely reports as required by applicable

requirements of the Securities Exchange Act of 1934, and such failure has not been corrected within 30 days after the date the report was due to be filed.

6. The issue, in the case of an underlying security that is principally traded on a national securities exchange, is delisted from trading on that exchange and neither meets NMS criteria nor is traded through the facilities of a national securities association, or the issue, in the case of an underlying security that is principally traded through the facilities of a national securities association, is no longer designated as an NMS security.

7. If an underlying security is approved for options listing and trading under the provisions of Commentary .05 of Rule 915, the trading volume and price history of the Original Security (as therein defined) prior to but not after the commencement of trading in the Restructured Security (as therein defined), including "when issued" trading, may be taken into account in determining whether the trading volume and market price requirements of paragraphs 3. and 4. of the Commentary .01 are satisfied, provided however, that in the case of a Restructured Security approved for options listing and trading under paragraph (d) of Commentary .05 under Rule 915, such trading volume requirements must be satisfied based on the trading volume history of the Restructured Security.

.02-.09 No Change

.10 *In determining whether any of the events specified in Commentary .01(1) or (2) of this Rule have occurred, the Exchange will monitor on a daily basis news sources for information of corporate actions, including stock splits, mergers and acquisitions, distribution of special cash dividends, recapitalizations, and stock buy-backs. If a corporate action indicates that an underlying security no longer meets the Exchange's requirements for continued approval under Commentary .01 (1) or (2) of this Rule, the Exchange will not open additional series of option contracts of the class covering the underlying security. If, however, information of a corporate action does not indicate that any of the events specified in Commentary .01(1) or (2) have occurred, the Exchange shall consider the events specified in Commentary .01(1) and (2) to have been satisfied.*
