## **DEPARTMENT OF STATE**

### **[Public Notice No. 4350]**

#### **Secretary of State's Advisory Committee on Private International Law: Study Group on International Jurisdiction and Judgments; Notice of Meeting**

There will be a public meeting of the Study Group on International Jurisdiction and Judgments of the Secretary of State's Advisory Committee on Private International Law, on Monday June 16, from 9 a.m. to 12:30 p.m. at 1300 I Street, NW., Suite 400 West, Washington DC. Registration will be from 9 to 9:30 a.m., with the business meeting beginning promptly at 9:30 a.m.

The Hague Conference on Private International Law has prepared a new draft of a convention on jurisdiction and the enforcement of judgments that would apply only to cases in which business and commercial parties have chosen a forum in their contract. The draft convention would provide for the enforceability of such choice of court agreements and the enforceability of judgments resulting from courts designated in such agreements.

The Department of State has been asked to inform the Hague Conference by early July whether the United States would support convening international negotiations on the basis of the new draft business-business choice of court

convention. It would mean putting aside the more wide-ranging draft convention on jurisdiction and the enforcement of judgments that has been the subject of negotiations at the Hague Conference for more than a decade.

The purpose of the meeting is to hear the views of the private sector on the draft choice of court convention and the possibility of initiating a new round of negotiations on the basis of this text. A copy of the new draft and other documents relevant to the project may be found on the Web site of the Hague Conference ([www.hcch.net](http://www.hcch.net)), or may be requested from Cherise Reid, Office of the Legal Adviser, telephone 202-776-8420, e-mail [reidcherised@ms.state.gov](mailto:reidcherised@ms.state.gov).

The Advisory Committee meeting is open to the public up to the capacity of the meeting room. Interested persons are invited to attend and to express their views. Persons who wish to have their views considered may also submit written comments. Written comments should be submitted by e-mail to Jeffrey Kovar at [kovarj@ms.state.gov](mailto:kovarj@ms.state.gov). All comments received will be made available to the public by request to Mr. Kovar via e-mail or by telephone (202-776-8342).

Persons interested in attending the meeting should inform Aaliya K. Bokhari. Interested persons should provide name, affiliation, postal and e-mail addresses, and telephone/telefax numbers to Ms. Bokhari by phone (202-515-2431), fax (202-289-7983) or e-mail ([aaliya.k.bokhari@verizon.com](mailto:aaliya.k.bokhari@verizon.com)), no later than 3 p.m. on Friday June 13. Persons desiring to participate by teleconference should so inform Ms. Bokhari, who will provide call-in information.

**Jeffrey D. Kovar,**

*Assistant Legal Adviser for Private International Law, U.S. Department of State.*

## **DEPARTMENT OF TRANSPORTATION**

### **Office of the Secretary**

**[Docket OST-02-11658]**

#### **Application of Línea Aérea Puertorriqueña, Inc. for Certificate Authority**

**AGENCY:** Department of Transportation.

**ACTION:** Notice of Order to Show Cause (Order 2003-5-37) Docket OST-02-11658.

**SUMMARY:** The Department of Transportation is directing all interested persons to show cause why it should

not issue an order finding Línea Aérea Puertorriqueña, Inc., fit, willing, and able, and awarding it a certificate of public convenience and necessity to engage in interstate charter air transportation of persons, property and mail.

**DATES:** Persons wishing to file objections should do so no later than June 13, 2003.

**ADDRESSES:** Objections and answers to objections should be filed in Docket OST-02-11658 and addressed to the Department of Transportation Dockets (M-30, Room PL-401), U.S. Department of Transportation, 400 Seventh Street, SW., Washington, DC 20590, and should be served upon the parties listed in Attachment A to the order.

**FOR FURTHER INFORMATION CONTACT:** Mrs. Janet Davis, Air Carrier Fitness Division (X-56, Room 6401), U.S. Department of Transportation, 400 Seventh Street, SW., Washington, DC 20590, (202) 366-2341.

Dated: May 30, 2003.

**Read C. Van de Water,**

*Assistant Secretary for Aviation and International Affairs.*

## DEPARTMENT OF TRANSPORTATION

### Federal Railroad Administration

#### Proposed Agency Information Collection Activities; Comment Request

**AGENCY:** Federal Railroad Administration, DOT.

**ACTION:** Notice and request for comments.

**SUMMARY:** In compliance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), this notice announces that the Information Collection Requirements (ICRs) abstracted below have been forwarded to the Office of Management and Budget (OMB) for review and comment. The ICRs describes the nature of the information collections and their expected burdens. The **Federal Register** notice with a 60-day comment period soliciting comments on the following collections of information was published on April 1, 2003 (68 FR 15790).

**DATES:** Comments must be submitted on or before July 7, 2003.

**FOR FURTHER INFORMATION CONTACT:** Mr. Robert Brogan, Office of Planning and Evaluation Division, RRS-21, Federal Railroad Administration, 1120 Vermont

Ave., NW., Mail Stop 17, Washington, DC 20590 (telephone: (202) 493-6292), or Debra Steward, Office of Information Technology and Productivity Improvement, RAD-20, Federal Railroad Administration, 1120 Vermont Ave., NW., Mail Stop 35, Washington, DC 20590 (telephone: (202) 493-6139). (These telephone numbers are not toll-free.)

**SUPPLEMENTARY INFORMATION:** The Paperwork Reduction Act of 1995 (PRA), Public Law 104-13, section 2, 109 Stat. 163 (1995) (codified as revised at 44 U.S.C. 3501-3520), and its implementing regulations, 5 CFR part 1320, require Federal agencies to issue two notices seeking public comment on information collection activities before OMB may approve paperwork packages. 44 U.S.C. 3506, 3507; 5 CFR 1320.5, 1320.8(d)(1), 1320.12. On April 1, 2003, FRA published a 60-day notice in the **Federal Register** soliciting comment on ICRs that the agency was seeking OMB approval. 68 FR 15790. FRA received no comments after issuing this notice. Accordingly, DOT announces that these information collection activities have been re-evaluated and certified under 5 CFR 1320.5(a) and forwarded to OMB for review and approval pursuant to 5 CFR 1320.12(c).

Before OMB decides whether to approve these proposed collections of information, it must provide 30 days for public comment. 44 U.S.C. 3507(b); 5 CFR 1320.12(d). Federal law requires OMB to approve or disapprove paperwork packages between 30 and 60 days after the 30 day notice is published. 44 U.S.C. 3507 (b)-(c); 5 CFR 1320.12(d); *see also* 60 FR 44978, 44983, Aug. 29, 1995. OMB believes that the 30 day notice informs the regulated community to file relevant comments and affords the agency adequate time to digest public comments before it renders a decision. 60 FR 44983, Aug. 29, 1995. Therefore, respondents should submit their respective comments to OMB within 30 days of publication to best ensure having their full effect. 5 CFR 1320.12(c); *see also* 60 FR 44983, Aug. 29, 1995.

The summaries below describe the nature of the information collection requirements (ICRs) and the expected burden. The revised requirements are being submitted for clearance by OMB as required by the PRA.

**Title:** Railroad Signal System Requirements.

**OMB Control Number:** 2130-0006.

**Type of Request:** Extension of a currently approved collection.

**Affected Public:** Railroads.

**Form(s):** FRA F 6180.14; FRA F 6180.47.

**Abstract:** The regulations pertaining to railroad signal systems are contained in 49 CFR parts 233 (Signal System Reporting Requirements), 235 (Instructions Governing Applications For Approval of a Discontinuance or Material Modification of a Signal System), and 236 (Rules, Standards, and Instructions Governing the Installation, Inspection, Maintenance, and Repair of Systems, Devices, and Appliances). Section 233.5 provides that each railroad must report to FRA within 24 hours after learning of an accident or incident arising from the failure of a signal appliance, device, method, or system to function or indicate as required by part 236 of this title that results in a more favorable aspect than intended or other condition hazardous to the movement of a train. Section 233.7 sets forth the specific requirements for reporting signal failures within 15 days in accordance with the instructions printed on Form FRA F 6180.14. Finally, section 233.9 sets forth the specific requirements for the "Signal System Five Year Report." It requires that every five years each railroad must file a signal system status report. The report is to be prepared on a form issued by FRA in accordance with the instructions and definitions provided. Title 49, part 235 of the Code of Federal Regulations, sets forth the specific conditions under which FRA approval of modification or discontinuance of railroad signal systems is required and prescribes the methods available to seek such approval. The application process prescribed under part 235 provides a vehicle enabling FRA to obtain the necessary information to make logical and informed decisions concerning carrier requests to modify or discontinue signaling systems. Section 235.5 requires railroads to apply for FRA approval to discontinue or materially modify railroad signaling systems. Section 235.7 defines "material modifications" and identifies those changes that do not require agency approval. Section 235.8 provides that any railroad may petition FRA to seek relief from the requirements under 49 CFR part 236. Sections 235.10, 235.12, and 235.13 describe where the petition must be submitted, what information must be included, the organizational format, and the official authorized to sign the application. Section 235.20 sets forth the process for protesting the granting of a carrier application for signal changes or relief from the rules, standards, and instructions. This section provides the information that must be included in the protest, the address for
