

**Proposed Project: Uniform Data System (OMB No. 0915-0193)—Revision**

This is a request for a revision of approval of the Uniform Data System (UDS), which contains the annual reporting requirements for the cluster of primary care grantees funded by the Bureau of Primary Health Care (BPHC), Health Resources and Services Administration (HRSA). the Grant Report, completed by grantees funded under the Homeless, Public Housing Program or Healthy Schools Healthy Communities as well as one of the other programs, provides data on characteristics of users whose services fall within the scope of the Homeless, Public Housing Program, Healthy Schools Healthy Communities grant. Grantees are also asked to provide information on the charges, collections, bad debt write off and contractual disallowances by payor sources (Medicaid, Medicare, self pay and private insurance).

Estimated annualized reporting burden are as follows:
