SUPPLEMENTARY INFORMATION: The Commission has received correspondence from Messrs. Gass, Fanning, and Fulmer, *et al.*, requesting that the Commission issue a rule prescribing performance standards for a system to reduce or prevent injuries from contact with the blade of a table saw. The petitioners assert that a table

saw not so equipped poses an increased risk of severe injuries including lacerations and amputations.

The petitioners maintain that a system to reduce or eliminate this risk must include the following: (1) A detection system capable of detecting contact or dangerous proximity between a person and the saw blade when the saw blade is—(a) spinning prior to cutting, (b) cutting natural wood with a moisture content of up to 50%, (c) cutting glued wood with a moisture content of up to 30%, and (d) spinning down after turning off the motor; (2) a reaction system to perform some action upon detection of such contact or dangerous proximity, such as stopping or retracting the blade, so that a person will be cut no deeper than 1/8 of an inch when contacting or approaching the blade at any point above the table and from any direction at a rate of one foot per second; (3) a self-diagnostic capability to verify the functionality of key components of the detection and reaction systems; and (4) an interlock system with the motor so that power cannot be applied to the motor if a fault interfering with the functionality of a key component in the detection or reaction system is detected.

The Commission is docketing the correspondence as a petition under provisions of the Consumer Product Safety Act, 15 U.S.C. 2051-2084.

Interested parties may obtain a copy of the petition by writing or calling the Office of the Secretary, Consumer Product Safety Commission, Washington, DC 20207; telephone (301) 504-0800. DEPARTMENT OF EDUCATION

[CFDA No. 84.310A]

Office of Innovation and Improvement; Parental Information and Resource Centers Program

AGENCY: Department of Education.

ACTION: Notice inviting applications for new awards for fiscal year (FY) 2003; Correction.

On June 3, 2003, we published in the **Federal Register** (68 FR 33332) a notice

inviting applications for new awards under the Parental Information and Resource Centers (PIRC) program. In that notice, we announced that each "novice applicant" would receive a competitive preference of 10 points. Upon further reflection, in order to encourage the submission of applications from novice applicants and to ensure that only the highest quality applications are funded, the Secretary is amending this competitive preference. The Secretary will award 10 additional points only to those novice applicants that rank among the ten highest scoring of all novice applicants on the basis of the selection criteria and the other competitive preference for this competition. In other words, only the ten highest ranked novice applicants, rather than all novice applicants, will be awarded priority points under the novice applicant preference.

The Secretary also reminds all applicants that section 5563(b) of the Elementary and Secondary Education Act (ESEA), as amended, requires each PIRC grantee to meet several specific conditions. The Secretary strongly encourages all applicants to review each of these conditions carefully to ensure that their applications appropriately address these specific requirements. For example, each applicant must (a) use at least 30 percent of the funds received under the program each year to establish, expand, or operate Parents as Teachers programs, Home Instruction for Preschool Youngsters programs, or other early childhood parent education programs; (b) use at least 50 percent of the funds received under the program each year to serve areas with high concentrations of low-income families, in order to serve parents who are severely educationally or economically disadvantaged; and (c) establish a special advisory committee as described in section 5563(b)(2) of the ESEA.

Consistent with section 5562(b) of the ESEA, in awarding funds under this competition, the Secretary will ensure, to the extent practicable, that grants are distributed in all geographic regions of the United States.
