AGENCY: Department of State.

ACTION: Notice.

Introduction

The Office of Partnership Initiative (NEA/PI), announces an open competition for proposals for the production, distribution, and placement of Arabic-language early reading books throughout the Middle East. Multiple awards may be made from this announcement.

Purpose

The purpose of this program is to respond to the urgent need for options in primary and basic Arabic-language literacy for young Arabic-speaking readers in the Middle East. The primary objective is to provide access to Arabic-language reading materials for young readers, and provide accompanying preparatory teacher training and curriculum materials to maximize the effectiveness of the reading materials in the classroom.

Background

This program for Arabic reading books has evolved from the Bureau of Near Eastern Affairs, Office of Partnership Initiative, NEA/PI. NEA/PI coordinates the Middle East Partnership Initiative (MEPI). To bridge the "knowledge gap," MEPI seeks to improve the quality, quantity, and relevance of education in the Middle East (to include North Africa and the Gulf) through the implementation of programs that highlight, inter alia, improved digital readiness and increased literacy, especially for girls. More information about MEPI can be found at: <http://www.state.gov/p/nea/rt/mepi>.

In the context of the Education component of MEPI, President Bush announced plans to launch a major new effort to provide resources for the Arabic translation of early reading books for use in primary schools in the region. The program is intended to encourage independent reading, thinking, and analytical skills in young readers; train teachers; engage parents and local communities in the support of independent reading by young readers; and, provide sustainable resources for classrooms.
