II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for its proposal and discussed any comments it received regarding the proposal. The text of these statements may be examined at the places specified in Item IV below. The Amex has prepared summaries, set forth in Sections A, B and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Amex is extending until September 30, 2003, the suspension of transaction charges in iShares Lehman 1-3 year Treasury Bond Fund (Symbol: SHY) and iShares Lehman 7-10 year Treasury Bond Fund (Symbol: IEF), for specialist, Registered Trader and broker-dealer orders. The Exchange initially filed a suspension in such charges until November 30, 2002 in SR-Amex-2002-91. The fee suspension has subsequently been extended, most recently until August 30, 2003, in SR-Amex-2003-73. No other changes are proposed with this filing.

The Exchange believes a suspension of fees for the two iShares Funds is appropriate to enhance the competitiveness of executions in these securities on the Amex. The Exchange will reassess the fee suspension as appropriate, and will file any modification to the fee suspension with the Commission pursuant to section 19(b)(3)(A) of the Act.

2. Statutory Basis

The Exchange believes that the proposal is consistent with section 6(b) of the Act⁶ in general, and furthers the objectives of section 6(b)(4)⁷ in particular in that it is intended to assure the equitable allocation of reasonable dues, fees, and other charges among the Amex's members and issuers and other persons using its facilities.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange believes that the proposed rule change will not impose a burden on competition.

⁷ 15 U.S.C. 78f(b)(4).

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not:

(i) significantly affect the protection of investors or the public interest;

(ii) impose any significant burden on competition; and

(iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to section 19(b)(3)(A) of the Act⁸ and Rule 19b-4(f)(6) thereunder.⁹ At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

The Amex has requested that the Commission waive the 30-day operative delay. The Commission believes waiving the 30-day operative delay is consistent with the protection of investors and the public interest. Acceleration of the operative date will permit the Amex to suspend these fees immediately. For these reasons, the Commission designates the proposal to be effective and operative upon filing with the Commission.¹⁰

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposal is consistent with the Act. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549-0609. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Amex included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Amex has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

Purpose

Amex Rule 1000A provides standards for listing Index Fund Shares, which are securities issued by an open-end management investment company (open-end mutual fund) for Exchange trading. These securities are registered under the Investment Company Act of 1940 ("1940 Act") as well as the Exchange Act. The Commission previously approved amendments to Rule 1000A to accommodate the listing of Index Fund Shares based on an index of fixed income securities, and in particular, series of the iShares Trust based on indexes of fixed income securities.³

The Exchange proposes to list under Rule 1000A the following eight additional series of the iShares Trust ("Trust"), each a "New Fund": (1) iShares Lehman Short U.S. Treasury Bond Fund; (2) iShares Lehman 3-7 Year U.S. Treasury Bond Fund; (3) iShares Lehman 10-20 Year U.S. Treasury Bond Fund; (4) iShares Lehman U.S. Treasury Inflation Protected Securities Fund; (5) iShares Lehman U.S. Credit Bond Fund; (6) iShares Lehman Intermediate U.S. Credit Bond Fund; (7) iShares Lehman Intermediate U.S. Government/Credit Bond Fund; and (8) iShares Lehman U.S. Aggregate Bond Fund.

Each New Fund will hold certain fixed income securities ("Portfolio Securities") selected to correspond generally to the performance of a

specified U.S. bond index (each, an "Underlying Index"), as described in Exhibit A to the Rule 19b-4 filing. Each of the New Funds intends to qualify as a "regulated investment company" (a "RIC") under the Internal Revenue Code (the "Code").

Barclays Global Fund Advisors (the "Advisor" or "BGFA") is the investment adviser to each New Fund. The Advisor is registered under the Investment Advisers Act of 1940 (the "Advisers Act"). The Advisor is a wholly owned subsidiary of Barclays Global Investors, N.A. ("BGI"), a national banking association. BGI is an indirect subsidiary of Barclays Bank PLC of the United Kingdom.

SEI Investments Distribution Co. (the "Distributor"), a Pennsylvania corporation and broker-dealer registered under the Exchange Act, is the principal underwriter and distributor of Creation Unit Aggregations of iShares. The Distributor is not affiliated with the Exchange or the Advisor.

Administrator/Custodian/Fund Accountant/Transfer Agent/Dividend Disbursing Agent. The Trust has appointed Investors Bank & Trust Co. ("IBT") to act as administrator (the "Administrator"), custodian, fund accountant, transfer agent, and dividend disbursing agent for each of the New Funds. The performance of their duties and obligations will be conducted within the provisions of the 1940 Act and the rules thereunder. There is no affiliation between IBT and the Trust, the Advisor, or the Distributor.

a. Operation of the New Funds

The investment objective of each New Fund will be to provide investment results that correspond generally to the performance of its Underlying Index. In seeking to achieve its respective investment objective, each New Fund will utilize "passive" indexing investment strategies. Each New Fund may fully replicate its Underlying Index, but currently intends to use a "representative sampling" strategy to track its Underlying Index. A Fund utilizing a representative sampling strategy generally will hold a basket of the component securities ("Component Securities") of its Underlying Index, but it may not hold all of the Component Securities of its Underlying Index (as compared to a Fund that uses a replication strategy which invests in substantially all of the Component Securities in its Underlying Index in the same approximate proportions as in the
