

from March 27, 1985, to June 30, 1989. Consequently, MMS has determined that a formal hearing for comments will not be held under 30 CFR Section 227.105. This Notice provides the opportunity for public comment on the State's proposal, which was initially submitted on May 3, 1999. However, under the FOGRA statutory requirements, MMS was prohibited from allowing the State to conduct audits on Alaskan Native Lands without the express written permission of Cook Inlet Regional, Inc. (CIRI), an Alaskan Native corporation that shares joint ownership interest in numerous leases with the Federal Government. On March 6, 2003, MMS received written approval from CIRI for the Alaska Department of Natural Resources to audit these jointly owned leases, on the condition that MMS will continue to provide all information to CIRI as in the past. If this delegation proposal is approved, Alaska will join 10 other States that have audit delegation agreements with MMS.
