FEDERAL MARITIME COMMISSION

[Petition No. P8-03]

Petition of BAX Global Inc. for Rulemaking; Notice of Filing

Notice is hereby given that Bax Global Inc. ("Petitioner") has petitioned for the issuance of a rulemaking pursuant to 46 CFR 502.51. Petitioner seeks a rulemaking to amend the Commission's regulations to permit Petitioner to enter into confidential service contracts as "ocean common carriers" with their shipper-clients for the ocean transportation of cargo. Petitioner proposes the following criteria for determining which entities should be authorized to enter confidential service contracts:

1. A substantial U.S. related transportation presence with \$100 million annual transportation related gross revenue by itself or affiliated companies;
2. Publicly-held (either directly or through a parent) or is a third party logistics company (e.g., ocean freight

forwarder, NVOCC) that is related to an ocean common carrier serving the U.S. trades; and

3. Holding itself out to be a multi-modal logistics maritime transportation provider and historically compliant with U.S. regulations as administered by the Federal Maritime Commission prior to applying to qualify for the right to offer service contracts.

Petitioner asserts that allowing NVOCCs that meet these criteria to enter confidential service contracts without an individual exemption will set a standard that will allow the Commission to continue appropriate regulation and oversight of the NVOCC trade, and provide the Commission and the public with the confidence that only qualified companies are granted this privilege.

In order for the Commission to make a thorough evaluation of the Petition, interested persons are requested to submit views or arguments in reply to the petition no later than October 10, 2003. Replies shall consist of an original and 15 copies, be directed to the Secretary, Federal Maritime Commission, 800 North Capitol Street NW., Washington, DC 20573-0001, and be served on Petitioner's counsel Edward J. FEDERAL MARITIME COMMISSION

[Petition No. P7-03]

Petition of Ocean World Lines, Inc., for a Rulemaking To Amend and Expand the Definition and Scope of "Special Contracts" To Include All Ocean Transportation Intermediaries; Notice of Filing

Notice is hereby given that Ocean World Lines, Inc. ("Petitioner") has petitioned for the issuance of a rulemaking pursuant to 46 CFR 502.51. Petitioner seeks a rulemaking to address and evaluate the impact of the Commission's rules governing Ocean Transportation Intermediaries ("OTIs"). Specifically, Petitioner seeks a rulemaking that would expand the definition and scope of the term "special contracts" to include all OTIs in the same manner as currently applied to ocean freight forwarders (46 CFR 515.41(c)). Petitioner advises that it filed its Petition in response to petitions P3-03, Petition of United Parcel Service, Inc. for Exemption Pursuant to Section 16 of the Shipping Act of 1984 to Permit Negotiation, Entry and Performance of Service Contracts, and P5-03, Petition of National Customs Brokers and Forwarders Association of America, Inc., for Limited Exemption from Certain Tariff Requirements of the Shipping Act of 1984. Petitioner asserts that its Petition will

Provide the Commission with the regulatory ability to act on the issue of shielding some non-vessel-operating common carrier ("NVOCC") rates even if it determines that its statutory exemption authority does not extend to those elements of the statutory regime that Congress addressed directly in the Ocean Shipping Reform Act of 1998; and in so doing, provide NVOCCs with the ability to enter into rate agreements that are shielded from public
