Electronic filing will be made mandatory by a separate, later action by the Agencies. The new electronic system is an important step in the Agencies' ongoing efforts to streamline the filing and retrieval of reports filed with the Agencies under the Securities Exchange Act of 1934. It will also reduce burden on insiders who must file these reports within two business days of completing a transaction in equity securities of the institution.

Additionally, OTS collects other periodic disclosure documents required to be filed by savings associations pursuant to the Exchange Act on forms promulgated by the U.S. Securities and Exchange Commission for its registrants. In addition to seeking public comment on the planned change in filing method for reports of beneficial ownership, OTS also seeks public comment on its proposed renewal of this collection.
