Title: Dental Record Authorization and Invoice for Outpatient Services, VA Form 10-2570d.

OMB Control Number: 2900-0335.

Type of Review: Revision of a currently approved collection.

Abstract: VA Form 10-2570b, Examination Procedure Instructions for Participating Fee Dentist, and VA Form 10-2570c, Treatment Procedure Instructions for the Participating Fee Dentist, have been combined with VA

Form 10-2570d, Dental Record Authorization and Invoice for Outpatient Services. VA Form 10-2570d is essential to the proper administration of VA outpatient fee dental program. The associated instructions make it possible to communicate with clarity the required procedures, peculiarities, and precautions associated with VA authorizations for contracting with private dentists for the provision of dental treatment for eligible veteran beneficiaries. Since most of the veterans who are authorized fee dental care are geographically inaccessible to VA dental clinics, it is necessary to request information as to the veteran's oral condition, treatment needs and the usual customary fees for these services from the private fee dentist whom the veteran has selected. The form lists the dental treatment needs of the veteran patient, the cost to VA to provide such services, and serves as an invoice for payment.

Affected Public: Business and other for profit.

Estimated Average Burden Per Respondent: 20 minutes.

Frequency of Response: On occasion.

Abstract: Veterans and other eligible persons may change their program of education under conditions prescribed by Title 38 U.S.C., Section 3691. A claimant can normally make one change of program without VA approval. If that claimant makes any additional change of program, VA approval is required.
