1.4 Listing Standards Relating to Audit Committees

(a) In addition to the requirements contained in subsection 1.3, each issuer must have an audit committee. The Exchange shall not initially list or continue listing any securities of an issuer that is not in compliance with the requirements of this subsection 1.4 or any portion of paragraphs (b) or (c) of Rule 10A-3 of the Act pertaining to audit committees. In addition to the requirements of Rule 10A-3 of the Act:

(1) Each audit committee shall consist of at least three directors, each of whom shall be financially literate, as such qualification is interpreted by the issuer's board of directors in its business judgment, or must become financially literate within a reasonable period of time after his or her appointment to the audit committee. At least one member of the audit committee must have

accounting or related financial management expertise, as the issuer's board of directors interprets such qualification in its business judgment.

(2) The board of directors of each issuer must adopt and approve a formal written charter for its audit committee. The audit committee must review and reassess the adequacy of the audit committee charter on an annual basis. The charter must specify:

(i) the scope of the audit committee's responsibilities and how it carries out those responsibilities, including structure, processes, and membership requirements; and

(ii) that the audit committee is responsible for ensuring that the outside auditor submits on a periodic basis to the audit committee a formal written statement delineating all relationships between the outside auditor and the issuer and that the audit committee is responsible for actively engaging in a dialogue with the outside auditor with respect to any disclosed relationships or services that may impact the objectivity and independence of the outside auditor and for recommending that the issuer's board of directors take appropriate action in response to the outside auditor's report to satisfy itself of the outside auditor's independence.

(b) As part of the initial listing process, and with respect to any subsequent changes to the composition of the audit committee, and otherwise approximately once each year, each issuer should provide the Exchange written confirmation regarding:

(1) any determination that the issuer has made regarding the independence of its audit committee members;

(2) the financial literacy of the audit committee members;

(3) the determination that at least one of the audit committee members has accounting or related financial management expertise; and

(4) the annual review and reassessment of the adequacy of the audit committee charter.

(c) If a member of an issuer's audit committee ceases to be independent in accordance with the requirements of Rule 10A-3 for reasons outside the committee member's reasonable control, that person, with notice by the issuer to the Exchange, may remain an audit committee member of the issuer until the earlier of the next annual shareholders meeting of the issuer or one year from the occurrence of the event that caused the committee member to be no longer independent.

(d) For securities listed on the Exchange prior to [insert approval date], an issuer shall have until the earlier of its first annual shareholders meeting

after January 15, 2004, or October 31, 2004, to cure any defects that would be the basis for a prohibition from continued listing.

(e) An issuer must notify the Exchange promptly after an executive officer or the issuer becomes aware of any material noncompliance by the issuer with the requirements of this subsection 1.4 or Rule 10A-3 of the Act.

(f) In connection with a review of standards designed to ensure independence and strengthen corporate governance practices, the Exchange intends in the near future to adopt additional listing policies and requirements pertaining to issuer corporate governance, including standards for independence of board directors, independence and responsibilities of nominating, compensation and other board committees, codes of conduct, and shareholder approval of equity compensation plans. These additional policies and requirements will be reflected within the Exchange Rules.

Section 2. Unlisted Trading Privileges

[No application shall be made to the Securities and Exchange Commission for the extension of unlisted trading privileges with respect to any security unless the issuer thereof shall meet the requirements for listing set forth in Section 1.3. of this Article IV. In the event that an issuer whose security has been the subject of a grant of unlisted trading privileges to the Exchange ceases to meet the requirements for listing set forth in Section 1.3. of this Article IV, the Exchange shall terminate such unlisted trading.] Notwithstanding the [foregoing]requirements for listing set forth in Section 1.3 of this Article IV, the Exchange may seek and continue unlisted trading privileges on any security as to which unlisted trading privileges have been granted pursuant to Section 12(f) of the Act[for which the primary trading market is the New York Stock Exchange or the American Stock Exchange].

Section 3 Delisting of Securities

3.1. Suspension and/or Delisting by Exchange

(a) The Board [of Trustees]may suspend dealings in any issue admitted to trading on the Exchange.

(b) Whenever the Board [of Trustees] determines that it no longer is appropriate for a security to continue to be traded on the Exchange, it may institute proceedings to delist such security. Any issuer or any other person aggrieved by such action may seek relief pursuant to the Exchange[']s r]Rules governing adverse action.

(c) The securities of an issuer will be subject to suspension and/or withdrawal from listing and registration as a listed issue if any of the following conditions are found to exist:

(1) [F]ailure to comply with the listing standards and agreements[.]; or

(2) [S]ustained loss so that financial condition becomes so impaired that it is questionable to the Exchange whether the company can continue operations and/or meet its obligations as they mature.

Notwithstanding the foregoing, the Board [of Trustees]may determine that the suspension or delisting of an issue is necessary for the protection of investors and the public interest.

3.2. Delisting by Issuer

A security, which in the opinion of the Board [of Trustees of the Exchange]is eligible for continued listing, may be removed from [the]listing upon the request or application of the issuer provided that the issuer submits a certified copy of a resolution adopted by the [B]oard of [D]irectors of the issuer authorizing withdrawal from listing and registration and a statement setting forth in detail the reasons for the proposed withdrawal and the facts in support thereof.

The issuer may be required to submit the proposed withdrawal to the security holders for their vote at a meeting for which proxies are solicited provided the stock is not also listed on another national securities [E]xchange registered under Section 6 of the Act having similar requirements or on a facility of a national securities association registered under Section 15A of the Act having similar requirements.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Commission approved Rule 10A-3 under the Act,⁴ with an effective date of April 25, 2003.⁵ Rule 10A-3 under the Act⁶ pertains to listing standards relating to audit committees and, among other things, requires each of the national securities exchanges and associations to adopt rules prohibiting the initial or continued listing of any security of an issuer that is not in compliance with the requirements of Rule 10A-3. Through this instant rule proposal, CSE seeks to incorporate the necessary rule language pertaining to Rule 10A-3 into its listing standards. In addition, CSE seeks to incorporate additional rule language pertaining to audit committee requirements for listed issuers in order to conform to recommendations made by the Blue Ribbon Committee on Improving Effectiveness of Corporate Audit Committees and rule changes adopted by other self-regulatory organizations. Finally, the Exchange is proposing to make certain other changes to Article IV of its By-Laws that are described below. CSE represents that these changes, in part, make the language of the various provisions uniform and consistent with the Exchange rules and practices.

In part, the proposed rule change specifies requirements for audit committees. First, proposed Subsection 1.4 of Article IV would require that, in order to qualify its securities for listing on the Exchange, an issuer must have an audit committee that complies with the requirements of Rule 10A-3 of the Act.⁷ Proposed Subsection 1.4 goes on to specify that each audit committee must also consist of at least three members of the listed company's board of directors, each of whom must meet certain financial literacy requirements, and at least one of whom must possess certain accounting or related financial management expertise. CSE states that a board would be permitted to presume that a person who satisfies the definition of audit committee financial expert set out in Item 401(h) of Regulation S-K has accounting or related financial management expertise.

In addition to these committee member qualification requirements, the

⁷ 17 CFR 240.10A-3.

issuer's board of directors would be required to adopt and approve a formal written charter for its audit committee. The charter would be required, at a minimum, to specify the scope of the audit committee's responsibilities and how the committee carries out those responsibilities. The charter would also be required to specify that the audit committee is responsible for ensuring that the outside auditor submits on a periodic basis to the audit committee a formal written statement delineating all relationships between the outside auditor and the issuer, that the audit committee is responsible for actively engaging in a dialogue with the outside auditor with respect to any disclosed relationships or services that may impact the objectivity and independence of the outside auditor, and for recommending that the issuer's board of directors take appropriate action in response to the outside auditor's report to satisfy itself of the outside auditor's independence.

As part of the initial listing process, when subsequent changes to the audit committee composition occur, and otherwise approximately once each year, each issuer would be required to provide the Exchange with written confirmation regarding any determinations made regarding the independence of its audit committee members, its compliance with the financial literacy and accounting or related financial management expertise requirements, and its annual review and reassessment of the adequacy of the audit committee charter. An issuer would also be required to notify the Exchange promptly after an executive officer or the issuer becomes aware of any material noncompliance by the issuer with the requirements of Subsection 1.4 of Article IV of CSE's By-Laws or Rule 10A-3 of the Act.⁸

Proposed Subsection 1.4 of Article IV of the By-Laws also contains provisions for opportunities to cure defects and compliance dates. If a member of an issuer's audit committee ceases to be independent in accordance with the requirements of Rule 10A-3 of the Act⁹ for reasons outside the committee member's reasonable control, that person, with notice by the issuer to the Exchange, would be permitted to remain an audit committee member of the issuer until the earlier of the next annual shareholders meeting of the issuer or one year from the occurrence of the event that caused the committee member to be no longer independent. For securities listed on the Exchange

prior to the approval of Subsection 1.4, an issuer would have until the earlier of its first annual shareholders meeting after January 15, 2004, or October 31, 2004, to cure any defects that would be the basis for a prohibition from continued listing.

In addition, the Exchange is conducting a review of its listing standards designed to strengthen the corporate governance practices of listed companies. In the course of that review, the Exchange intends in the near future to adopt additional listing policies and requirements pertaining to issuer corporate governance, including standards for independence of board directors, independence and responsibilities of nominating, compensation and other board committees, codes of conduct, and shareholder approval of equity-compensation plans. As indicated in paragraph (f) of proposed Subsection 1.4, these additional policies and requirements will be reflected within the Exchange Rules.

Finally, CSE is also proposing to make certain other changes to Article IV of its By-Laws. Specifically, the Exchange is seeking to:

1. Change the name of Article IV from "Prohibitions or Limitations on Access to the Exchange or Member Services" to "Securities Listed on the Exchange";

2. Change the name of the Exchange Committee that reviews listing applications from Listing Committee to Securities Committee in Section 1.2;

3. Include the application review procedures within the listing procedures set forth in Section 1.2 rather than cross-referencing the procedures contained in Article II;

4. Change the reference to suitability for "continuous auction market trading" in Subsection 1.3 to suitability for "trading on the Exchange". Replace references to "company" and "companies" with "issuer" and a reference to "CSE" with "Exchange". In addition, correct a reference to "traded" in paragraph (b)(2)(ii) to "listed";

5. Make reference to securities that are subject to listing criteria that is contained in the Exchange Rules as not being subject to the general listing requirements contained in paragraph (e) of Subsection 1.3;

6. Make changes to Section 2 to provide that the Exchange may extend unlisted trading privileges to any security for which unlisted trading privileges have been granted pursuant to Section 12(f) of the Act, not just securities listed on the NYSE and Amex;

7. Make changes to Subsection 3.2 to clarify that an issuer seeking to delist its securities may be required to submit the

proposed withdrawal to the security holders for their vote at a meeting for which proxies are solicited provided the stock is not also listed on another national securities exchange having similar requirements or on a facility of a national securities association having similar requirements. Previously the text simply referenced other exchanges; and

8. Make certain other miscellaneous grammatical, punctuation and numbering changes throughout Article IV. Cross-references will be updated accordingly.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with section 6(b) of the Act¹⁰ in general, and furthers the objectives of section 6(b)(5) of the Act¹¹ in particular, because it is designed to prevent fraudulent and manipulative acts and practices, and, in general, to protect investors and the public interest.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any inappropriate burden on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

No written comments were solicited or received in connection with the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 35 days of the date of publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the Exchange consents, the Commission will:

(A) By order approve such proposed rule change, or

(B) Institute proceedings to determine whether the proposed rule change should be disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-48625; File No. SR-NASD-2003-152]

Self-Regulatory Organizations; Notice of Filing and Immediate Effectiveness of Proposed Rule Change by National Association of Securities Dealers, Inc. Reflecting the Delayed Implementation of Rule Changes Regarding Reporting of Transactions Conducted Through Electronic Communications Networks to the Automated Confirmation Transaction Service

October 10, 2003.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on October 7, 2003, the National Association of Securities Dealers, Inc. ("NASD"), through its subsidiary, The Nasdaq Stock Market, Inc. ("Nasdaq"), filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by Nasdaq. Pursuant to Section 19(b)(3)(A)(i) of the

Act³ and Rule 19b-4(f)(1) thereunder,⁴ Nasdaq has designated this proposal as constituting a stated policy, practice, or interpretation with respect to the meaning, administration, or enforcement of an existing rule, which renders the proposed rule change effective immediately upon filing. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of the Substance of the Proposed Rule Change

Nasdaq has delayed until October 27, 2003 the implementation of rule changes effected by SR-NASD-2003-98.⁵ There is no proposed rule language.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, Nasdaq included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. Nasdaq has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of this rule filing is to notify the Commission and other interested parties of the delay until October 27, 2003 of the implementation of the proposed rule change in SR-NASD-2003-98.⁶ In that filing, Nasdaq amended the various NASD rules governing trade reporting to define with greater clarity the reporting obligations applicable to transactions executed through electronic communications networks ("ECNs") that are reported to the Automated Confirmation Transaction Service. Under the filing, the rule change was to be implemented thirty days after approval by the Commission (*i.e.*, on October 6, 2003). However, several ECNs have informed Nasdaq that they did not receive

adequate notice of the rule change in order to meet the October 6, 2003 implementation date. Accordingly, Nasdaq is delaying the implementation date of SR-NASD-2003-98 for three weeks, until October 27, 2003. Nasdaq will inform market participants of the delay through a Head Trader Alert posted on www.nasdaqtrader.com.

2. Statutory Basis

Nasdaq believes that the proposed rule change is consistent with the provisions of Section 15A of the Act,⁷ in general, and with Section 15A(b)(6) of the Act,⁸ in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, and to protect investors and the public interest.

B. Self-Regulatory Organization's Statement on Burden on Competition

Nasdaq does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act, as amended.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(i) of the Act⁹ and Rule 19b-4(f)(1) thereunder because it constitutes a stated policy, practice or interpretation with respect to the meaning, administration, or enforcement of an existing rule.¹⁰ At any time within 60 days of the filing of such proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
