## Regulatory Analyses and Notices

### *Paperwork Reduction Act*

We propose no requirement to collect information. Therefore, the provisions of the Paperwork Reduction Act of 1995, 44 U.S.C. 3507, and its implementing regulations, 5 CFR part 1320, do not apply.

### *Regulatory Flexibility Act*

We certify that this proposed regulation, if adopted, will not have a significant economic impact on a substantial number of small entities. This proposed regulation imposes no new reporting, recordkeeping, or other administrative requirements. Any benefit derived from the use of a viticultural area name would be the result of a proprietor's efforts and consumer acceptance of wines from that area. Therefore, no regulatory flexibility analysis is required.

### *Executive Order 12866*

This proposed rule is not a significant regulatory action, as defined by Executive Order 12866, 58 FR 51735. Therefore, it requires no regulatory assessment.
