Background: The National Committee on Vital and Health Statistics is the statutory public advisory body to the Secretary of Health and Human Services in the area of health data, statistics, and health information policy. Established by section 306(k) of the Public Health Service Act (42 U.S.C. 242K(k)), its mandate includes advising the Secretary on the implementation of the Administrative Simplification provisions (Social Security Act, title XI, part C, 42 U.S.C. section 1320d to 1320d–8) of the Health Insurance Portability and Accountability Act of 1996 (HIPAA), Public Law 104–191.

The second part will consist of Subcommittee discussion of the testimony it has heard and deliberations about possible recommendations to the Secretary.

Persons wishing to submit written testimony only (which should not exceed five double-spaced typewritten pages) should endeavor to submit it by that date.
