C. The Support Teams provide administrative and management support to the Regional Administrator and Management Team. Members of the Support Teams report directly to the Regional Administrator or a member of the Management Team. Functions within the Team include day-to-day operational management of regional administrative functions such as, budget, performance management, procurement, property management, employee relations, human resource development activities, planning and coordination, and office automation systems.

The Team includes experts in cash assistance and supportive services programs who serve as resources to all teams on issues which cross-cut the organization, such as legislative policy updates, partnership agreements, result measurements, policy guidance, and monitoring state systems projects for ACF programs.

Team members also provide leadership in regional financial management matters to the Service Delivery Teams and the Management Team, including reviewing cost estimates and reports for ACF grant programs, recommending funding levels, and performing systematic fiscal reviews. The Team approves grant awards based on a review of project objectives, budget projections, and approved funding plans. It provides funds accounting for discretionary grant programs. It establishes regional financial management priorities and reviews cost allocation plans.
