Initiation of Changed Circumstances Review, Preliminary Results, and Intent To Revoke Antidumping Duty Order

Pursuant to sections 751(d)(1) and 782(h)(2) of the Tariff Act of 1930, as amended (the Act), the Department may revoke an antidumping or countervailing duty order based on a review under section 751(b) of the Act (i.e., a changed circumstances review). Section 751(b)(1) of the Act requires a changed circumstances review to be conducted upon receipt of a request which shows changed circumstances sufficient to warrant a review. Section 351.222(g) of the Department's regulations provides that the Department will conduct a changed circumstances review under 19 CFR 351.216 and may revoke an order (in whole or in part) if it determines that producers accounting for substantially all of the production of the domestic like product to which the order (or the part of the order to be revoked) pertains have expressed a lack of interest in the relief provided by the order, in whole or in part, or if changed circumstances exist sufficient to warrant revocation. In addition, in the event that the Department concludes that expedited action is warranted, 19 CFR 351.221(c)(3)(ii) permits the Department to combine the notices of initiation and preliminary results.

In this case, the Department finds that the information submitted provides sufficient evidence of changed circumstances to warrant a review. Therefore, in accordance with sections 751(d)(1) and 782(h)(2) of the Act, and 19 CFR 351.216 and 351.222(g), based on the information provided by Heveafil, we are initiating this changed circumstances review. Furthermore, since the information on record indicates there is no longer any U.S. production of the domestic like product, we determine that expedited action is warranted and we preliminarily determine that the continued relief provided by the order with respect to extruded rubber thread from Malaysia is no longer of interest to domestic interested parties. Because we have concluded that expedited action is warranted, we are combining these notices of initiation and preliminary results. Therefore, we are hereby notifying the public of our intent to revoke the antidumping duty order with

respect to imports of extruded rubber thread from Malaysia.

If we make a final determination to revoke, we intend to instruct U.S. Customs and Border Protection (CBP) to liquidate without regard to antidumping duties, and to refund any estimated antidumping duties collected for all entries of extruded rubber thread from Malaysia, made on or after October 1, 2003, the first day of the most recent period of administrative review and the only period for which an administrative review has not been completed, in accordance with 19 CFR 351.222. We will also instruct CBP to pay interest on such refunds in accordance with section 778 of the Act. The current requirement for a cash deposit of estimated antidumping duties on extruded rubber thread from Malaysia will continue unless and until we publish a final determination to revoke.

Public Comment

Interested parties are invited to comment on these preliminary results. Parties who submit argument in this proceeding are requested to submit with the argument: (1) a statement of the issue, and (2) a brief summary of the argument. Any interested party may request a hearing within 10 days of the date of publication of this notice. Any hearing, if requested, will be held no later than 25 days after the date of publication of this notice, or the first workday thereafter. Case briefs may be submitted by interested parties not later than 15 days after the date of publication of this notice. Rebuttal briefs, limited to the issues raised in the case briefs, may be filed not later than 20 days after the date of publication of this notice. All written comments shall be submitted in accordance with 19 CFR 351.303. Persons interested in attending the hearing should contact the Department for the date and time of the hearing. The Department will publish the final results of this changed circumstances review, including the results of its analysis of issues raised in any written comments.

This notice is in accordance with sections 751(b)(1) and 777(i)(1) of the Act and 19 CFR 351.216 and 351.222.

Dated: March 3, 2004.

Individual Quick Frozen Red Raspberries From Chile: Notice of Extension of Time Limit for 2001-2003 Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of extension of time limit.

SUMMARY: The Department of Commerce is extending the time limit for the preliminary results of the current review of the antidumping duty order on individual quick frozen red raspberries from Chile. The period of review is December 31, 2001, through June 30, 2003. This extension is made pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended.

EFFECTIVE DATE: March 9, 2004.

FOR FURTHER INFORMATION CONTACT: Blanche Ziv or Cole Kyle, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone (202) 482-4207 or (202) 482-1503, respectively.

Background

On August 22, 2003, the Department of Commerce ("the Department") published a notice of initiation of administrative review of the antidumping duty order on individual quick frozen red raspberries from Chile, covering the period December 31, 2001, through June 30, 2003. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews*, (68 FR 50750). The preliminary results for this review are currently due no later than April 1, 2004.

Extension of Time Limits for Preliminary Results

Section 751(a)(3)(A) of the Act requires the Department to issue the preliminary results of an administrative review within 245 days after the last day of the anniversary month of an order for which a review is requested and a final determination within 120 days after the date on which the preliminary results are published. If it is not practicable to complete the review within the time period, section 751(a)(3)(A) of the Act allows the Department to extend these deadlines to a maximum of 365 days and 180 days, respectively.

We are currently analyzing sales information provided by the three

respondents and cost information from one of the respondents in this review. In addition, we are awaiting cost responses from two of the respondents. Because the Department requires time to review and analyze these responses once they are received and to issue supplemental questionnaires if necessary, it is not practicable to complete this review within the originally anticipated time limit (*i.e.*, April 1, 2004). Therefore, the Department is extending the time limit for completion of the preliminary results to not later than July 30, 2004, in accordance with section 751(a)(3)(A) of the Act.

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: March 4, 2004.

Jeffrey May,

Deputy Assistant Secretary for AD/CVD Enforcement.
