Joseph Schubart (202) 708–9266. Individuals who use a telecommunications device for the deaf (TDD) may call the Federal Information Relay Service (FIRS) at 1–800–877–8339 between 8 a.m. and 8 p.m., eastern time, Monday through Friday.

SUPPLEMENTARY INFORMATION: Section 483 of the Higher Education Act of 1965, as amended (HEA), requires the Secretary, “in cooperation with agencies and organizations involved in providing student financial assistance,” to “produce, distribute and process free of charge a common financial reporting form to be used to determine the need and eligibility of a student under” the Title IV, HEA Programs. This form is the FAFSA. In addition, section 483 authorizes the Secretary to include non-financial data items that assist States in awarding State student financial assistance.

The draft 2005–2006 FAFSA (posted to the IFAP Web site) incorporates four new data elements in preparation for a potential match with IRS data. These new data elements are on page 3 of the form, questions 18–21. To allow room for these new data elements we are recommending the number of schools an applicant lists on the FAFSA be reduced from six to four. This recommendation is based on comments received during the previous clearance

cycle. Other suggestions to fit these additional questions included removing some of the instructions on the form. The Secretary requests comments on ways to further simplify the application for students, parents, and schools, as well as suggestions for incorporating these new data elements.

The Secretary is publishing this request for comment under the provisions of the Paperwork Reduction Act of 1995, 44 U.S.C. 3501 *et seq.* Under that Act, ED must obtain the review and approval of the Office of Management and Budget (OMB) before it may use a form to collect information. However, under procedure for obtaining approval from OMB, ED must first obtain public comment of the proposed form, and to obtain that comment, ED must publish this notice in the **Federal Register**.

In addition to comments requested above, to accommodate the requirements of the Paperwork Reduction Act, the Secretary is interested in receiving comments with regard to the following matters: (1) Is this collection necessary to the proper functions of the Department, (2) will this information be processed and used in a timely manner, (3) is the estimate of burden accurate, (4) how might the Department enhance the quality, utility, and clarity of the information to be collected, and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology.

If you participate in this voluntary pilot project by submitting an application electronically, the data you enter online will be saved into a database. We request your participation in e-Application. We shall continue to evaluate its success and solicit suggestions for its improvement.

If you participate in e-Application, please note the following:

- Your participation is voluntary.
- When you enter the e-Application system, you will find information about its hours of operation. We strongly recommend that you do not wait until the application deadline date to initiate an e-Application package.
- You will not receive additional point value because you submit a grant application in electronic format, nor will we penalize you if you submit an application in paper format.
- You may submit all documents electronically, including the Application for Federal Education Assistance (ED 424), Budget Information—Non-Construction Programs (ED 524), and all necessary assurances and certifications.
- Your e-Application must comply with any page limit requirements described in this notice.
- After you electronically submit your application, you will receive an

automatic acknowledgement, which will include a PR/Award number (an identifying number unique to your application).

- Within three working days after submitting your electronic application, fax a signed copy of the Application for Federal Education Assistance (ED 424) to the Application Control Center after following these steps:

1. Print ED 424 from e-Application.
2. The institution's Authorizing Representative must sign this form.
3. Place the PR/Award number in the upper right hand corner of the hard copy signature page of the ED 424.
4. Fax the signed ED 424 to the Application Control Center at (202) 260-1349.

Application Deadline Date Extension in Case of System Unavailability: If you elect to participate in the e-Application pilot for Demonstration and Training Programs—Braille Training Program and you are prevented from submitting your application on the application deadline date because the e-Application system is unavailable, we will grant you an extension of one business day in order to transmit your application electronically, by mail, or by hand delivery. We will grant this extension if—
