

those goals and satisfy those needs. The members of the Advisory Committee will draw on their experience with Census 2000 planning and operational processes, results of research studies, test censuses, and results of the Census 2000 evaluation program to provide input on the design and related operations of the 2010 reengineered decennial census, the American Community Survey, and related programs.

A brief period will be set aside at the meeting for public comment. However, individuals with extensive statements for the record must submit them in writing to the Census Bureau Committee Liaison Officer named above at least three working days prior to the meeting. Seating is available to the public on a first-come, first-served basis.

The meeting is physically accessible to people with disabilities. Requests for sign language interpretation or other auxiliary aids should be directed to the Census Bureau Committee Liaison Officer as soon as known and preferably two weeks prior to the meeting.

Time Limits

Statutory Time Limits

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires the Department to issue the preliminary results of a review within 245 days after the last day of the anniversary month of an order/finding for which a review is requested and the final results within

120 days after the date on which the preliminary results are published. However, if it is not practicable to complete the review within that time period, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the preliminary results to a maximum of 365 days and for the final results to 180 days (or 300 days if the Department does not extend the time limit for the preliminary results) from the date of the publication of the preliminary results.

Background

On August 22, 2003, the Department published a notice of initiation of the administrative reviews of the antidumping duty orders on certain pasta from Italy and Turkey, covering the period July 1, 2002 to June 30, 2003 (68 FR 50750). The preliminary results are currently due no later than April 1, 2004.

Extension of Preliminary Results of Reviews

As a consequence of the number of respondents in these reviews, the Department has not had an opportunity to consider sales-below-cost allegations against eight of the respondents or schedule verifications. We therefore determine that it is not practicable to complete the preliminary results of these reviews within the original time limits, and we are extending the time limits for completion of the preliminary results until no later than July 29, 2004. See Decision Memorandum from Melissa Skinner to Holly A. Kuga, dated March 10, 2004, which is on file in the Central Records Unit, Room B-099 of the main Commerce Building. We intend to issue the final results no later than 120 days after the publication of the notice of preliminary results of these reviews.

This extension is in accordance with section 751(a)(3)(A) of the Act.

Dated: March 10, 2004.

Holly A. Kuga,

*Acting Deputy Assistant Secretary, Import
Administration.*

Notice of Extension of Time Limit for the Preliminary Results of New Shipper Reviews: Petroleum Wax Candles From the People's Republic of China

AGENCY: Import Administration,
International Trade Administration,
U.S. Department of Commerce.

SUMMARY: The Department of Commerce is extending the time limit for the preliminary results of the new shipper reviews on Shanghai R&R Imp./Exp. Co., Ltd., Changshan Import/Export Co., Ltd., and Shandong Huihe Trade Co., Ltd. under the antidumping duty order on petroleum wax candles from the People's Republic of China until no later than July 26, 2004. The period of review for these new shipper reviews is August 1, 2002, through July 31, 2003. This extension is made pursuant to section 751(a)(2)(B)(iv) of the Tariff Act of 1930, as amended.

EFFECTIVE DATE: March 17, 2004.

FOR FURTHER INFORMATION CONTACT:

Douglas Kirby or Jacky Arrowsmith,
AD/CVD Enforcement, Import
Administration, International Trade
Administration, U.S. Department of
Commerce, 14th Street and Constitution
Avenue, NW., Washington DC 20230;
telephone: (202) 482-3782 or (202) 482-
5255, respectively.

SUPPLEMENTARY INFORMATION:

Statutory Time Limits

Section 351.214(i)(1) of the regulations requires the Department to issue the preliminary results of a new shipper review within 180 days after the date on which the new shipper review was initiated, and the final results of review within 90 days after the date on which the preliminary results were issued. However, if the Department determines the issues are extraordinarily complicated, section 351.214(i)(2) of the regulations allows the Department to extend the deadline for the preliminary results to up to 300 days after the date on which the new shipper review was initiated.

Background

On August 14, 2003, the Department received timely requests from Shanghai R&R Imp./Exp. Co., Ltd. and Changshan Import/Export Co., Ltd., and on August 28, 2003, the Department received a timely request from Shandong Huihe Trade Co., Ltd. pursuant to section 751(a)(2)(B) of the Tariff Act of 1930 (the Act) and in accordance with 19 CFR

351.214(c), for new shipper reviews under the antidumping duty order on petroleum wax candles from the PRC. This order has an August anniversary month. On September 30, 2003, the Department initiated these three new shipper reviews. *See Petroleum Wax Candles: Initiation of Antidumping Duty New Shipper Reviews*, 68 FR 57876 (October 7, 2003).

Extension of Time Limits for Preliminary Results

Pursuant to section 751(a)(2)(B) of the Act, the Department may extend the deadline for completion of the preliminary results of a new shipper review if it determines that the case is extraordinarily complicated. The Department has determined that these cases are extraordinarily complicated, and the preliminary results of these new shipper reviews cannot be completed within the statutory time limit of 180 days. The Department finds that these new shipper reviews are extraordinarily complicated because there are a number of issues that must be addressed. For example, the Department is in the process of issuing supplemental questionnaires requesting additional information concerning affiliation and the *bona fides* of the sales. Given the issues in this case, the Department may find it necessary to request even more information in these new shipper reviews. Therefore, in accordance with section 351.214(i)(2) of the regulations, the Department is extending the time limit for the completion of preliminary results to three hundred days. The preliminary results will now be due no later than July 26, 2004.

This notice is published pursuant to sections 751(a)(2)(B) and 777(i)(1) of the Act.

Dated: March 11, 2004.

Joseph A. Spetrini,

Deputy Assistant Secretary for Import Administration, Group III.

Certain Pasta From Italy: Notice of Extension of Time Limit for Preliminary Results of Countervailing Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of extension of time limit for preliminary results of administrative review.

SUMMARY: The Department of Commerce is extending the time limit for the preliminary results in the current administrative review of the countervailing duty order on certain pasta from Italy. The period of review is January 1, 2002 through December 31, 2002. This extension is made pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended by the Uruguay Round Agreements Act.

EFFECTIVE DATE: March 17, 2004.

FOR FURTHER INFORMATION CONTACT: Melani Miller, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-0116.

SUPPLEMENTARY INFORMATION:

Background

On August 22, 2003, the Department of Commerce ("the Department") published a notice of initiation of administrative review of the countervailing duty order on certain pasta from Italy, covering the period January 1, 2002 through December 31, 2002. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 68 FR 50750 (August 22, 2003). The preliminary results for this review are currently due no later than April 1, 2004.

Extension of Time Limit for Preliminary Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended by the Uruguay Round Agreements Act ("the Act") requires the Department to issue the preliminary results of an administrative review within 245 days after the last day of the anniversary month of an order for which a review is requested and a final determination within 120 days after the date on which the preliminary results are published. If it is not practicable to complete the review within the time period, section 751(a)(3)(A) of the Act allows the Department to extend these deadlines to a maximum of 365 days and 180 days, respectively.

Several of the respondents in this proceeding have outstanding supplemental questionnaire responses. Additionally, one respondent, Pastificio Carmine Russo S.p.A., was not issued the original questionnaire until more than a month after the other respondents because it was still participating in a concurrent new shipper review of this order (a review which has since been terminated).

Because the Department requires time to review and analyze these responses once they are received and to issue supplemental questionnaires if necessary, it is not practicable to complete this review within the originally anticipated time limit (*i.e.*, April 1, 2004). Therefore, the Department is extending the time limit for completion of the preliminary results to not later than July 30, 2004, in accordance with section 751(a)(3)(A) of the Act.

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: March 11, 2004.

Jeffrey May,

Deputy Assistant Secretary for AD/CVD Enforcement.
